Collapsing & Expanding Menus

Most Blackboard menus are displayed in their expanded form by default, but can be collapsed vertically by clicking a button. If you do not see a full menu, you might have accidentally collapsed it into its abbreviated form. This document demonstrates how to vertically expand the more prominent menus in Bb.

The Course Menu & Control Panel

If the Course Menu and/or Control Panel are visible, but seem to be incomplete, click the arrow near the left side of the course name and/or the left side of “Control Panel” as shown in this illustration:
