Course To Course Navigation

Changing from one course to another course can be done in multiple ways.

**Through the Dropdown Menu:**

1. Login to Blackboard.
2. Go into one of your courses.
3. Locate the downward arrow in the top left corner.
4. A list of courses starting with the most recent then moving on to all Courses will appear.
5. You can select any course you would like to visit and by clicking a course it will take you to the homepage of that course.
