Hiding and Expanding the Course Menu & Control Panel

Most menus in Blackboard can be hidden, if desired, by clicking a button. Your menu or control panel might have been accidentally hidden. To once again view your “Course Menu” or “Control Panel” menu please note these points:

- If your “Course Menu” area seems to be missing, click the **double down-arrow** near the left side of your course name as shown in the illustration below:

- If your “Control Panel” menu is missing, click the **double down-arrow** near the left end of the "Control Panel" as shown in the illustration below:
