Clery Act Compliance Training

Campus Security Authorities

Roles and Responsibilities
What is the Clery Act?

• Named in memory of Jeanne Clery, a 19-year-old Lehigh University freshman who was raped and murdered by another student while asleep in her residence hall room on April 5th, 1986.

• Jeanne’s parents later discovered that students and the public hadn’t been told about 38 violent crimes on the Lehigh campus in the three years before her murder.
What is the Clery Act?

- Congress enacted the law which was originally called the “Crime Awareness and Campus Security Act of 1990.”
- 1998 Amendment renamed the act to the “Jeanne Clery Act” or as it is usually abbreviated the “Clery Act”
- 2013 Amendments from Violence Against Womens Act (VAWA) added new reporting requirements
What is the purpose of the Clery Act?

- Disclose information about crimes occurring on and around campuses to students and the public.
- The goal of the act is to help prevent crime on and around campus.
What does the Clery Act Require?

• It requires Colleges and Universities across the United States to disclose information about crimes that occur in and around their campuses.

• The law is tied to an institution’s participation in federal student Financial Aid programs.

• **Campus Security Authorities** must be trained/informed of their responsibilities and duties for Clery compliance.

• Neither the reporting party nor individuals involved in the crime need to be affiliated with Ohio University.
CSAs-Reporting in “good faith”

• Reports are required even if police are not able to investigate the crime (victim/suspects may not be able to be located, victim may decline the investigation, etc.).

• If the report is made in good faith, meaning that there is reasonable basis for believing that the information is not rumor or hearsay, the incident is reportable.
Why CSA crime reporting is important

• Depending on the facts of the individual incident(s) and its severity, an individual can be held liable.
CSAs
