Spring 2018

Enhancing our national position as a leading edge national learning laboratory for sustainability

• Ohio University is the only university in Ohio to achieve platinum-level recognition in Ohio EPA’s Encouraging Environmental Excellence (E3) Program

• OHIO has the largest in-vessel composting system at any university in the nation, diverting all of its food waste from landfills

• Leftover food from culinary services is either donated to a local food pantry or composted

• GOAL: To have a zero carbon footprint campus

OHIO harvested more than 820,000 pounds of materials during RecyleMania 2018 and placed first in the nation in the Basketball Game Day-Diversion Challenge
