Water is available at all indoor activity areas, and can be transported to outdoor areas by camp staff in athletic event water jugs.
Sunblock
Your child will participate in outdoor activities every day. For protection from the sun’s rays, we recommend applying sunblock (SPF #15 or higher recommended) on your child, prior to arrival. You may also send sunblock with your child. Sunblock is most effective when applied one half hour before exposure.

Lunches and snacks will not be provided, and refrigeration is not available. **NO PEANUTS or TREE NUTS** as we have campers with severe allergies. Campers will nut-based food products will be asked to put the food away.

DISCIPLINE
The CAMPus REC Summer Day Camp Staff and Administration provide children with guidelines for appropriate behavior and rules to follow while enrolled in camp. We encourage positive actions through positive reinforcement and close supervision. Our main goal is to keep the children safely involved in activities so the inappropriate behavior is limited. The following steps shall be followed if inappropriate behavior occurs. Special modifications may be made to adapt to a child's needs.

1. The child is spoken to privately in a firm but gently manner regarding the unacceptable behavior.
2. If the said behavior continues, the child is removed from the activity for a cool down/timeout period until both the administrative staff member and the child feel the child is ready to return.
3. If the said behavior still continues, the child’s parent will be called or spoken with before departing for the day.
4. A behavior report will be filed any time a child receives a cool down/time out.
5. Three behavior reports during your child’s stay at camp may result in termination of service from camp.
6. An incident report will be filed when there is evidence of property destruction, injury to an individual, physically touching an individual, accrual of multiple behavior reports and other inappropriate behavior is grounds for dismissal from camp.
7. A child may be terminated from camp without prior notice to the parents under the following conditions:
   1. A child injures another individual requiring medical attention.
   2. A child displays violent, uncontrollable behavior that will put others in the program at risk.

*A child terminated from a session will not be able to participate in any camp sessions for the remainder of the year.

**Behavior incidents will never be dealt with in a demoralizing, humiliating, or abusive manner. No child shall be subject to abuses of neglect, cruel, unusual, severe, or corporal punishment including: punishments which subject a child to verbal abuse, ridicule, humiliation, denial of food, use of bathroom facilities, punishment for soiling, wetting, or not using the toilet.

***Staff members shall not be subject to verbal or physical abuse by a child enrolled in camp, or by their parent, including but not limited to, cruelty, humiliation, foul language, and ridicule.

ACTIVITY GROUPS
One of our goals at CAMPus REC Summer Day Camp is to promote individual growth. We feel that exposure to other children and new experiences are ways to achieve this goal. Hence, specific small group requests will not be honored. Campers are grouped according to age.

Why do you want to be a camp counselor?
I really love working with kids. Every summer I try to participate in something where I can teach or interact with children in some way whether that’s with Vacation Bible School or nannying. Coming from a big family I'm so used to being around lots of kids and love being someone they can look up to.

**Why did you want to be a camp counselor?**
I have always been a fan of working with kids. Whether it be hanging out with my nephew or the occasional babysitting for family friends, I always get a great deal of satisfaction with teaching them new things. I have also done the Big Brother Big Sister program in Athens and have met some of the kids that may be attending the camp and they were all great! I am also a big fan of being outside in the summer weather, so this way I get to combine two things I really enjoy.

**Favorite Camp Activities**
Growing up, I was always really into the obstacle courses that some camps offer. I also enjoy tossing around a football or basketball from time to time. I like swimming also, so I would not mind getting in the pool with the kids to play games like Marco polo, sharks and minos, etc. However, my all-time favorite camp activity would definitely have to be capture the flag.

**Favorite Superhero**
Ever since Christopher Nolan’s Dark Knight trilogy, I would have to say my favorite superhero is Batman. I love all of the gadgets and tools that Batman uses, as well as his suit.
