Dear Student,

We have your completed application for graduation for Spring Semester 2015-16.

- If you plan to complete your degree requirements this semester, then you do not need to do anything further. At the end of the semester after grades are processed, your record will be reviewed and your degree conferred if all requirements have been met.

- If you applied for spring semester graduation in order to participate in the commencement ceremony, but really plan to graduate at the end of the summer semester, please reply to this email to let us know you do not want your record to be reviewed for graduation until the end of the summer semester. If you do not notify us, then your records will be reviewed at the end of the spring semester, and if all degree requirements are met, your degree will be conferred for spring.

If you have any questions, please don't hesitate to contact us at graduation@ohio.edu or 740.593.4196.
