IMPORTANT ANNOUNCEMENTS:

1. Classes that do not meet for the full semester (i.e., end prior to the semester closing date) may have final grades submitted beginning the last day of the class. Grades are entered through the Faculty & Advising Center, and the grade deadline remains the same (Wednesday, December 17, at noon). Grades are available to students within 24 hours of being submitted through the Faculty & Advising Center.

2. Please check the grade eligibility code for each of your courses. If the grades you plan to give and communicated to students on your syllabus do not match the grade eligibility code and eligible grades on your class list in the Faculty & Advising Center, please contact the Office of the University Registrar at 740.593.9627 for assistance as soon as possible.

DATES TO REMEMBER:

Saturday, December 6, 2014 – Last day of classes

Please submit final grades by 12:00 noon on Wednesday, December 17, 2014. Final grades must be submitted through the Faculty and Advising Center. The system is accessible 24 hours per day, 7 days per week starting Friday, December 5, 2014, at 6:00 p.m. Occasional planned outages may occur during the normal outage windows of Tuesday, 6:00 p.m. – 12:00 a.m. and Saturday, 12:00 a.m. – 12:00 p.m. To submit grades, visit www.ohio.edu/registrar and select Faculty and Advising Center. Once you have signed in with your OHIO ID and password, select Teaching: Class List/Grading. If you have any questions about the system or would like training, please email grades@ohio.edu or call 740.593.4199. Instructions are available online at www.ohio.edu/registrar/onlinegrading.cfm.

All grades must be submitted by the scheduled deadline, without exception. This includes:
- “PR” grades for classes in progress,
- “I” grades for incomplete coursework,
- “FN” (failure, never attended) for students who have never attended,
- “FS” (failure, stopped attending) for students who stopped attending without official withdrawal.

Submitting grades late or not at all results in undeserved hardships for students. These can include denied degrees, lost job opportunities, delayed transcripts, problems with acceptance to other schools, being dropped from the next term’s classes if the course is a requisite, and denials of eligibility for financial aid, athletic participation, and insurance discounts. Grades not submitted by the deadline result in a letter being sent to the department chair/school director.

Multiple Final Examinations:
Students may not be required to sit for more than three final examinations in one day. Should a student be scheduled for more than three examinations in one day, the student may seek relief from the instructor with the examination scheduled latest in the day. This process must be initiated and completed by the beginning of the thirteenth week of the semester. The instructor will provide an examination for the student at a mutually agreed upon time during the examination period.
