To Whom it May Concern

Re: Senior for Graduate Credit Application

_____, P _____

The student indicated above has been accepted into the ITS 4+1 Bachelor/Masters degree program, and has developed a program of study with his/her ITS advisor. The Application attached to this memo is based on this program of study.

The student may have more than 6 credit hours remaining towards the undergraduate degree; an exception to this requirement is hereby requested.

Julio Arauz, Graduate Director

J. Warren McClure School of Emerging Communication Technologies
