Miss Universe Organization
Web/Video Internship

As an intern with the Digital Multimedia Department at the Miss Universe Organization, you will be involved in every aspect of video, photo and web content production. You will shoot, edit, direct and produce unique content for our website and be involved in our national and international telecasts. You will travel both internationally and domestically attending once in a lifetime events as the official film crew of MISS UNIVERSE®. Some of our most recent destinations include: Dubai, Brazil, Jamaica Russia, Bahamas, India, Angola, China and Indonesia.

You will be responsible for coming up with creative story lines for each of our titleholders, MISS UNIVERSE®, MISS USA® and MISS TEEN USA®. During the month of the pageants you will be flown to a destination yet to be determined where you will have the opportunity to learn from and work with a production team, generating unique content and short films for the 2015 Season.

What we guarantee is an outstanding learning environment and an incredible experience. What we require in return is exceptional people who can meet the challenges and demands of every aspect of web content production.

- Pay will be $1,500.00 / quarter = $ 3,000.00
- 40 hour work week at our office in NYC
- Shoot and edit video footage from various events around the world
- Shoot and edit photos
- Successfully apply principles of graphic, interactive, user-interface, and information design to create visually compelling materials
- Update Miss Universe Organization websites keeping public informed of titleholder’s upcoming events, appearances etc. (Social Media – Twitter, Facebook, etc.)
- Create and develop story lines for titleholders
- Creative ability to design, layout, and produce graphics for miscellaneous related projects
- Join the MUO Multimedia team on location to produce unique short films during production for the 2015 Miss USA/Miss Teen USA/Miss Universe pageants.
- Form friendships that will last a lifetime!
EDUCATION/EXPERIENCE REQUIREMENTS:
