The Digital Multimedia Department at Miss Universe and IMG Original Content is responsible for anything and everything that goes on the web surrounding the MUO brand and telecasts. As an intern, you will be involved in every aspect of our department. You will shoot, edit, direct and produce unique content for our website and social media platforms. You will be involved on location with either our national or international telecasts. This is a paid internship that functions like an entry-level position. This internship has two sessions: January - June OR July - December.

**NO ORDINARY EXPERIENCE**
- Past travel has included South Africa, France, Ecuador, Egypt, Indonesia, Lebanon, Phillippines, and many more!
- Cover exclusive events like New York Fashion Week and the live telecast of Miss Universe and Miss USA pageants.
- An unrivaled amount of photo, video and editing experience.
- What we guarantee is an outstanding learning environment and incredible experience. What we require in return is exceptional people who can meet the challenges and demands of every aspect of web content production.
- Past interns have gone on to careers at companies like: GQ, Disney, Endeavor, FOX, and much more!
