2016 Exclusive Employer Descriptions:

Ohio Department of Public Safety  www.publicsafety.ohio.gov
Each semester the Ohio Department of Public Safety located in Columbus, OH will offering a robust student internship experiences in exciting areas of public safety. Students have the opportunity to rotate through the seven divisions of ODPS. They will help to contribute to a safer Ohio as they help to push out messages about the safety of wearing seatbelts or helping to fight to reduce human trafficking or making sure people don’t become victims of heroin or opiate addiction and other related topics. These paid internships are open to all Scripps undergraduate and graduate students each semester (fall, spring, summer.)
