

Scripps College of Communication  
Summer Scholarship Application

There are a limited number of \$500 scholarships to be awarded to students taking at least 9 credit hours in communication courses (JOUR, MDIA, ITS, VICO, COMS), **plus** an additional credit hour for the Scripps College of Communication Summer Academy which will be led by Dean Scott Titsworth (COMM 2900). The summer academy will focus on current topics affecting communication and enhancing your ability to interact with professionals while learning professional “soft” skills. Of the 9 credit hours, at least two should be on-campus classes. This scholarship is intended to offset the cost of summer fees and does not depend on academic merit or financial need.

Awards will be given after the first week of class, upon verification of credit hours enrolled. Students interested in being considered for this award, must complete and return this form to the Dean’s office (100 Schoonover). Majors outside of the Scripps College of Communication will be considered.
