

1. To get started go to the CITI site (<http://www.citiprogram.org>). If you have never completed CITI training then you must first register and create an account by selecting the Register button on the right side of the screen. If you already have an account log in with your existing username and password. See below.

## Research Ethics and Compliance Training

2. Click "Register" and complete the Learner Registration steps. Type and select Ohio University as your organization affiliation and check the boxes to agree to the Terms of Service and affirm that you are an affiliate of Ohio University. You will then enter your personal information and select a security question and answer. You will also enter a username, password, country of residence and answer some questions to complete the registration process.

---

**Select Your Organization Affiliation**

This option is for persons affiliated with a CITI Program subscriber organization.

To find your organization, enter its name in the box below, then pick from the list of choices provided. 🗨

Ohio University

Ohio University only allows the use of a CITI Program username/password for access. You will create this username and password in step 2 of registration.

I AGREE to the [Terms of Service](#) and [Privacy Policy](#) for accessing CITI Program materials.

3. Once you have completed the registration process, you will be given the option to choose a course to begin or you can log in later to choose the course.
