

## Course of Study

Ohio University School of Nursing offers the two-year Associate Degree of Nursing (ADN) Program at three Regional Campuses: Chillicothe, Southern, and Zanesville. The program enjoys an established reputation for graduating well prepared, high quality nurses. Upon completion of the associate degree, the graduate is prepared to take the National Council Licensure Examination (NCLEX-RN) which leads to licensure as a Registered Nurse (RN). Graduates of the Associate Degree Program may choose to enter the Bachelor of Science in Nursing Program for two additional years of more advanced education. The Bachelor of Science in Nursing Degree (RN to BSN) Program is offered online through the School of Nursing. The program is approved by the Ohio Board of Nursing, The North Central Association of Colleges and Schools, The Ohio Board of Regents, and the Accreditation for Education in Nursing (ACEN).

NURS 2220 Integrated Nursing Practice	7
<b>TOTAL</b>	<b>12</b>

### Admission Requirements

#### Admission to Ohio University & Selection Criteria for Associate Degree Nursing Program

1. Submit an application to Ohio University and indicate which campus you want to attend. Additionally, submit the nursing application available from the campus Nursing Office. Admission to Ohio University is required to be considered for the Associate Degree Nursing Program.
2. Submit an official high school transcript or if applicable official GED scores.
3. Submit official transcripts from all previous college courses and from all vocational/technical programs. High school students must submit ACT College Entrance Examination scores. Those who have been out of high school for more than a full calendar year are exempt.
4. Report of FBI and BCI background check-guidelines on how to obtain a background check are provided by the School of Nursing.
5. Submit to the Nursing Office a statement of educational and career goals/essay (typed—no more than one page). This is your opportunity to introduce yourself to the selection committee and explain why you want to be a nurse and your professional goals after you graduate.
6. If the applicant is either a high school graduate or holds a high school equivalency (GED) without college credit, they must have a grade point (GPA) of 3.0 out of 4.0 scale. If the applicant is a transfer or current OU student, they must have an established college grade point (GPA) average of 2.75 or better out of 4.0 scale.
7. The applicant must have completed courses in algebra, biology, and chemistry at the high school and/or college level with a minimum of C in each course before the deadline.
8. Admission Assessment Exam (A2) - must be taken before the deadline, receiving a score of a 75% or better.
9. Students are expected to test at Tier 1 Math and English. If a student does not score at the expected level, they will need to complete additional coursework to be eligible. Students who have met the English and math requirements for the program with accepted transfer credit will not need to take the placement exam. To schedule the exam, contact the campus at which you are applying.

### Selection for ADN Program

The selection process for the Associate Degree Nursing Program is competitive. Admission to Ohio University and meeting the above selection criteria does not guarantee admission to the Nursing Program.

#### Application Deadlines

Chillicothe Campus Summer Semester Admission	2/15	LPN-RN Associate Degree
Chillicothe Campus Spring Semester Admission	10/1	Traditional Associate Degree

Licensed Practical Nurses (LPNs) can receive credit for the first two semesters of nursing credit by successfully graduating from an approved school of practical nursing and meeting licensure requirements. In addition, the LPN must successfully complete a four credit hour transition course and a two credit hour bridge course with a grade of "B" or better in both. In addition, the LPN must complete the following support courses with a "C" or better prior to the selection process: BIOS 1300, BIOS 1310, CHEM 1210, PSY 1010 or transfer credit to OU.
