

# KENNEDY Museum of Art

Kennedy Museum of Art offers virtual classroom experiences for OHIO students/faculty/staff, and K-12 students/teachers.

## Virtual Classroom Experiences with KMA

### Virtual Guided Exhibition Tours

Informative guided experiences with museum staff featuring current exhibitions.

### Virtual Visual Literacy Sessions

Facilitated discussions around specific artworks selected by KMA staff. These sessions focus on enhancing class communication skills by promoting critical thinking, close observation and collaboration skills that transfer across disciplines. The facilitation method used celebrates diverse viewpoints, learning styles and individual experiences, leading to an increased understanding of difference, bias and empathy.

### Virtual Interactive Collections Discussions

Interactive discussions about works of art from the permanent collections that connect with your course curriculum, topics, or themes. You may view preselected themes and objects or consult with staff to select your own grouping of objects.

Platforms used: Zoom, Microsoft Teams, and others.
