

The following guidelines have been established to clarify the Resident Advisor (RA) conditions of employment. It is important to read and understand these conditions in order to perform the responsibilities of the RA position. Failure to adhere to the following conditions of employment may jeopardize an RA's employment status. RAs will be required to sign a Statement of Understanding prior to each academic year or period of employment. This document is reviewed and updates annually, but is subject to change at any time. Any changes will be communicated to RAs through their pro staff supervisor.

I. PERIOD OF EMPLOYMENT AND TIME COMMITMENT

- a. RAs are employed for a period of one academic year, beginning in August and ending in May.
- b. The RA position required an average 20-hour per week commitment.
- c. A two-semester commitment (Fall and Spring) is required.
- d. To ensure successful work performance and support SRA availability, accessibility, and visibility, commitments beyond the RA position (student teaching, internships, 2<sup>nd</sup> jobs, student leadership positions, etc.) must have prior approval by the pro staff supervisor. On-campus jobs are limited to an additional 5 hours above the RA position, with approval. The office of Housing and Residence Life generally limits such **combined commitments** to 10 hours per week total between all other commitments.
- e. Peak work periods require additional work hours, especially during the Opening and Closing of each semester, as well as Halloween. RAs must be available prior to and following Openings and Closings to assist the Department in completing administrative tasks associated with check-in and check-out procedures.
- f. To provide accessibility and availability to residents, RAs are permitted 15 nights off per semester and must submit a night off request to the pro staff supervisor for approval prior to the night requested. No more than ½ of the RAs from a staff will be approved for a night off on the same night or weekend.
- g. RAs are required to be in their assigned building/complex by 2:30am unless prior approval has been gained for a night off.
- h. RAs are required to check their RA mailbox and Ohio University email daily and respond as needed (weekends not included unless on duty.)
- i. RAs are required to attend staff meetings (2-hour weekly time commitment). Meeting days and times will be decided by the pro staff supervisor at the beginning of each semester. Staff meetings will be based on staff members' academic schedules only; non-academic commitments will not be considered.
- j. RAs are required to attend one-on-one meetings with the pro staff supervisor (30-60 minute weekly time commitment). Meeting days and times will be decided by the pro staff supervisor at the beginning of each semester. Staff meetings will be based on staff members' academic schedules only; non-academic commitments will not be considered.
- k. See Section III (Training) for additional time commitments that are related to training.

II. COMPENSATION

- a. RAs are required to live in the residence halls.
- b. Yearly stipend as stated in the RA Contract.
- c. All RAs receive remission of the assigned RA room as a benefit to the position. The value of the room is not taxable income and is not subject to income tax withholding. This benefit is

provided as a condition of staying on campus. It is not afforded if campus housing is closed or made unavailable due to emergencies or other unplanned disruptions.

- d. RAs should investigate the impact the RA position compensation may have on their financial aid package. Federal law requires that the University consider the value of the compensation received by RAs as a resource. Therefore, the Office of Financial Aid and Scholarships must take into consideration the amount of the RA benefit when determining the eligibility for additional need-based aid.
- e. As stated in the Housing Contract, the Department reserves the right to move residents (including RAs) from one space to another to meet its responsibilities to student health, safety, and wellbeing; maintain, operate, or renovate facilities; consolidate residents for reasons of assignments or security; or to accommodate other staffing/community needs.
