2022 Spring Workshop Series

Aromatherapy 101:
Essential Oil Blending for Beginners

Learn the basics of aromatherapy and essential oils, focusing on four most commonly used oils (Lavender, Lemon, Marjoram & Peppermint). Using these simple, all-natural ingredients, you will create 2 of your own healing blends: Headache Relief and This is My Happy Place.

_Instructor Bio:_ Jessie is a Certified Aromatherapist & owner of Maggie’s Farm & Aromatics. In July of 2020, a small herb garden and a big dream became a reality when Maggie’s Farm & Aromatics launched its Etsy shop. Focusing on using whole all-natural ingredients, we were able to create an entire line of bath and body products that grow our mission. Natural. Simple. Luxury.

Today, Maggie’s Farm & Aromatics has over 10,000 Etsy sales, 5 bestsellers, and its own brick and mortar shop in Downtown Chillicothe.
