Subject: Prefix Changes from ELIP to AGC

The English Language Improvement Program (ELIP) in the Department of Linguistics is requesting a program name change as well as prefix change. The new name for the program is the Academic and Global Communication (AGC) Program.

The new prefix is AGC. Below, please find the list of prefixes that we are requesting to be changed from ELIP to AGC. We are requesting an expedited review and for the change to take place starting with Fall 2020-21 courses.

Let me know if there are any questions (bikowski@ohio.edu | 740-593-0201).
