

Concur Header Level Accounting Administration - I Help In Concur, you will now need to select GL accounting or Reporting -App Cente Profile -O Grant accounting at the header level. This accounting will now default from your Oracle HR. You will have to enter on Process Reports e each report. TEST TEST ~ OHIO GL General Policy *OHIO GRANTS General Policy Function * v New GL or GRANT Policy Selection The accounting policy you select will determine the fields that need entered. As usual, entering a portion of your account will give you quick selections. This is an example of a report created with the GL policy. It includes Function. Create a New Expense Report Report Header Report Name TRTEST111317 art Date ss Purpos *OHIO GL General Policy TEST 11/01/2017 11/04/2017 2 10 ~ Type to search by: Text O Code (GL-10-100000-100060-1040-10) 10 INSTRUCTION D (10) 10 OHIO U GENERAL

When selecting the OHIO GRANTS policy, the fields change to support the grants Project Task Award (PTA) entry. You must also change drop down 1 to reflect the OHIO GRANTS policy.
