Scholarship Management System

Scholarship Management System (SMS)

The Scholarship Management application is the one stop shop for campus constituents wishing to offer one or more students a scholarship opportunity in any given aid year.

With the new Chart of Accounts, the Scholarship System **will**:

- Display the account number attached to the Item Type

With the new Chart of Accounts, the Scholarship System **will not**:

- Impact business process or due dates for scholarship recommendations

Viewing Costing on a Scholarship

Scholarships will still be associated with an Item Type and an account string. In the new chart of accounts, users will see two different accounts: a General Ledger Account or a Grant Account.
