By signing this form, you are agreeing to the following paragraph and certifying your right to be classified as an independent student. This decision is based on a previous dependency override completed by the Office of Student Financial Aid and Scholarships (OSFAS) at Ohio University.

"The circumstances described in my original dependency appeal have not changed. I am requesting the OSFAS to approve a dependency override for the 2023-2024 academic year based on the circumstances as described in my dependency appeal."

This form must be signed and returned to our office so that we may override your dependency on the 2023-2024 FAFSA. Please read the following statement below and place a check mark next to the statement acknowledging that you agree.

_____ I will complete my 2023-2024 FAFSA online at <https://fafsa.gov>. When completing the FAFSA online, please do not answer yes to any of the dependency questions. You may still complete the FAFSA without parental information.
