Congratulations on your PACE funding for the 2023-2024 academic year! As a recipient of PACE funding, you must agree to the following terms.

- I will be responsible for following the PACE timeline and will complete all required steps of the process online as presented.
- I will review resumes for all students who apply to my position and equitably select interview candidates.
- I will not rehire my current PACE student or use hiring methods other than those permitted by the Office of Student Financial Aid and Scholarships.
- I will NOT offer a position to a student other than through the PACE website and will not do so until **April 17, 2023**.
- I will ensure that my selected PACE student is hired into my position in the PACE online system.
- I will assist my student in completing all required Payroll forms via the HR website prior to the first day of his or her employment.
- I will add my student to WorkForce using my Planning Unit's ENT-ORG-ACTV-FNC. **Source will always be 100600 and Object will always be 706210.**
- I will monitor the number of hours my PACE student works and ensure that he or she does not work more than 300 hours or earn more than **\$3,300**. I understand earnings exceeding that amount will be transferred from my department's budget.
- I will not permit my PACE student to work more than 25 hours during the semester and 28 hours during periods of break, if applicable. These are university limits.
- I will ensure my PACE student only works within the academic year beginning **July 1, 2023** and ending **June 30, 2024**.

I understand that failure to comply with these conditions could result in revoked funding and participation in the PACE program.
