The Office of Student Financial Aid and Scholarships permits any student who is ineligible for financial aid due to Satisfactory Academic Progress (SAP) to submit a SAP appeal. Any student who wishes to appeal his/her ineligible status for financial aid due to SAP should read and complete the attached materials.

**DEADLINE:**

An appeal form with all appropriate documentation must be submitted no later than the **end of the 13<sup>th</sup> week** of the semester for which you are requesting financial aid. Appeals submitted after the 13<sup>th</sup> week of classes will be considered for the next term. You are responsible for all charges on your university account while your appeal is reviewed. If the appeal is denied, all charges incurred remain your responsibility.

**GUIDELINES:**

Federal regulations govern SAP policies and procedures. SAP appeals may only be approved for the following reasons:

- severe physical or mental illness experienced by the student
- severe physical or mental illness experienced by the student's immediate family
- death in the student's immediate family
- other extreme or extenuating circumstances

If you have experienced one or more of the above-mentioned circumstances within the timeframe that your academic performance did not meet SAP standards, your appeal will be considered. These circumstances do not guarantee approval.

Appeal decisions are final and cannot be contested. If your appeal is denied, you will be ineligible for financial aid until you have resolved all SAP deficiencies. You may only submit one appeal per academic career. For example, you may appeal once as an undergraduate and once as a graduate.

**PROCEDURE:**

- Fully complete all sections of the form.
- Collect documentation to support your appeal. Documentation is required. Any appeal received without documentation will be returned or denied.
- Schedule an appointment with your academic advisor or dean's office representative to discuss your appeal. Your advisor will need to provide the required advisor's statement and signature of support. Additionally, your advisor must assist you in completing the Academic Plan that you both must sign.
- Before you submit your appeal, make sure you have fully completed the forms with all signatures and have supporting documents. Incomplete appeals will not be reviewed and can be denied.
- Submit your fully completed appeal with documentation to the Office of Student Financial Aid and Scholarships at the address or fax number provided above. You will receive an email response to your Ohio University email address no later than 10 business days after submitting all necessary information.

NOTE: If you have been suspended from your college, this appeal will not result in an academic reinstatement. A separate appeal process is necessary. Please contact your college dean's office for more information on reinstatement to your program of study.
