

Summer Aid Advance 2024-25

Only students who are registered for the required number of credit hours, have completed the mandatory steps to receive financial aid and are expecting to receive a refund for summer semester may be eligible for an advance of their financial aid. This advance may allow you to receive up to \$1,000 of your anticipated refund.

To request an advance on a financial aid refund, download and sign this form. The form must be sent to financial.aid@ohio.edu as an attachment via your official OHIO email account. E-signatures are acceptable.

Student Name

Student PID

By requesting this advance of my Summer Term 2024-25 Federal Aid, I fully understand that if my federal financial aid award changes or does not disburse to my student account; I do not take the required number of hours; OR I do not attend this term, I am responsible for returning the amount of the advance to Ohio University. Since Ohio University, a non-profit institution of higher learning, in establishing my student account, is extending credit to me solely for the purpose of financing my education, any balance due as a result of the advance is hereby acknowledged as a student loan and will be considered non-dischargeable under the federal and state laws governing Chapters 13 and 7 of the federal and state laws governing bankruptcy. I further understand that I will have a hold on my academic records until the debt is paid in full.
