### INFORMATION FOR ALL STUDENTS

- We suggest participants have access to contingency funds. In the unlikely event of an emergency, the university cannot loan money to participants. Students should have access to some resources to cover unanticipated medical or other expenses. While the university does provide health insurance for students traveling abroad, not all medical care providers overseas accept this in lieu of payment up front. Travelers may need to cover the cost up front and seek reimbursement after the fact.
- Non program-related entertainment, souvenirs, and additional travel are not included in the travel cost estimate and should be budgeted separately.
- Additional fees: Semester fees will be to students' accounts as normal. If you are eligible to waive fees such as the health insurance, student legal, and wellbeing fees, you may log into your "My OHIO Portal" to complete the process.
- **NOTE to all Leipzig U. Exchange applicants:** U.S. citizens can enter Germany without a visa. Students on this exchange will need to apply for a residence permit within a few weeks of arrival. The Germany authorities requires proof of approximately 700 Euro per month for the stay in Leipzig, equaling a total of approximately \$7,000 for 10 months. Acceptable proof includes scholarship confirmation, funds in a German bank account opened upon arrival, U.S. bank statements or parents' confirmation. Please discuss these requirements with your OGO advisor.
