- **COVID-19 Travel Information:** Participants should have access to contingency funds and resources to cover unanticipated medical or other expenses. The University does provide international emergency health insurance for students traveling abroad, however not all medical care providers overseas accept this in lieu of payment up front. Travelers may need to cover the cost up front and seek reimbursement after the fact. Visit <https://www.ohio.edu/goglobal/resources/health-safety#IHI> for more information.
- **Additional Expense Information:** The CDC advises that you should delay travel until you are vaccinated. Entry to some countries and participation in local program and free-time activities, including in the U.S., may be severely restricted or potentially unavailable to unvaccinated individuals. Unvaccinated travelers should additionally expect to incur extra expenses and onsite logistical challenges due to onsite testing requirements.
