## INFORMATION FOR ALL STUDENTS

- During the COVID-19 Pandemic, participation in study away and abroad involves real and potential personal, financial and academic risk. Visit <https://www.ohio.edu/goglobal/travelalerts> for detailed information related to travel during the COVID-19 pandemic.
- In event of emergency, it is essential that participants have access to contingency funds as the University cannot loan money to participants. Participants need access to resources to cover unanticipated medical or other expenses. While the University does provide international emergency health insurance for students traveling abroad, not all medical care providers overseas accept this in lieu of payment up front. Travelers may need to cover the cost up front and seek reimbursement after the fact. Visit <https://www.ohio.edu/goglobal/resources/health-safety#IHI> for more information on international emergency health insurance for travelers.
- Non program-related entertainment, souvenirs, and additional travel are not included in the travel cost estimate and should be budgeted separately.
- Additional fees: Semester fees will be to students' accounts as normal. If you are eligible to waive fees such as the health insurance, student legal, and wellbeing fees, you may log into your "My OHIO Portal" to complete the process.
- NOTE to all Augsburg U. Exchange applicants: U.S. citizens can enter Germany without a visa, but one may be required by the partner University. Students on this exchange will need to apply for a residence permit within a few weeks of arrival. The Germany authorities requires proof of approximately 700 Euro per month for the stay in Augsburg, equaling a total of approximately \$3,750 for 4.5 months. Acceptable proof includes scholarship confirmation, funds in a German bank account opened upon arrival, U.S. bank statements or parents' confirmation. Please discuss these requirements with your OGO advisor.
