INFORMATION FOR ALL STUDENTS

- Non program-related entertainment, souvenirs, and additional travel are not included in the travel cost estimate and should be budgeted separately. Students participating in Photojournalism 2 may have additional travel expenses not accounted for on this student budget worksheet. Visit Office of Global Opportunities to discuss a budget revision if this is the case.
- Additional fees: Semester fees will be to students' accounts as normal. If you are eligible to waive fees such as the health insurance, student legal, and wellbeing fees, you may log into your "My OHIO Portal" to complete the process.
- NOTE to all Denmark Exchange applicants: 1) Prior to departure, students apply for a Danish Residence Permit. This requires a trip to a visa processing center, typically in Chicago. Among other documentation, applicants must show the evidence of having \$1,000 per month they will spend in Denmark in a personal bank account in the student's name. This equals \$4,000 for fall semester and \$5,000-\$6,000 for spring semester. 2) For accommodations (housing), students will typically pay first month's rent and a security deposit prior to departure from the U.S. The total amount of these charges are estimated at \$2,500. Please discuss these requirements with your Office of Global Opportunities advisor.

COVID CAUTIONS

- During the COVID-19 Pandemic, participation in study away and abroad involves real and potential personal, financial and academic risk. Visit <https://www.ohio.edu/goglobal/travelalerts> for more information.

COVID-19 Travel Information: Participants should have access to contingency funds and resources to cover unanticipated medical or other expenses. The University does provide international emergency health insurance for students traveling abroad, however not all medical care providers overseas accept this in lieu of payment up front. Travelers may need to cover the cost up front and seek reimbursement after the fact. Visit <https://www.ohio.edu/goglobal/resources/health-safety#IHI> for more information.

Additional Expense Information: The CDC advises that you should delay travel until you are vaccinated. Entry to some countries and participation in local program and free-time activities, including in the U.S., may be severely restricted or potentially unavailable to unvaccinated individuals. Unvaccinated travelers should additionally expect to incur extra expenses and onsite logistical challenges due to onsite testing requirements.
