INFORMATION FOR ALL STUDENTS

- Non program-related entertainment, souvenirs, and additional travel are not included in the travel cost estimate and should be budgeted separately.
- Participants should have access to contingency funds and resources to cover unanticipated medical or other expenses. The University provides international emergency health insurance for students traveling abroad, however not all medical care providers overseas accept this in lieu of payment up front. Travelers may need to cover the cost up front and seek reimbursement after the fact. Visit <https://www.ohio.edu/goglobal/resources/health-safety#IHI> for more information.

COVID-19 CONSIDERATIONS

- During the COVID-19 pandemic, participation in study away and abroad involves real and potential personal, financial, and academic risk. Visit <https://www.ohio.edu/goglobal/resources/health-safety/travelers-health> for more information.
- The CDC advises that travelers should be up to date on all COVID-19 vaccinations and boosters. Entry to some countries and participation in local program and free-time activities may be restricted due to COVID-19. Unvaccinated travelers may incur additional expenses and may be especially affected by potential onsite restrictions and entry requirements. For more information, contact ogoriskmanagement@ohio.edu.
