INFORMATION FOR ALL STUDENTS

- Non program-related entertainment, souvenirs, and additional travel are not included in the travel cost estimate and should be budgeted separately.
- Additional fees: Semester fees will be billed to students' accounts as normal. If you are eligible to waive fees such as the health insurance, student legal, and wellbeing fees, you may log into your "My OHIO Portal" to complete the process.
- NOTE to applicants: Prior to departure, students apply for a visa to Spain. This requires a trip to a visa processing center or consulate, typically in Chicago. Among other documentation, applicants must show the evidence of having \$1,000 per month they will spend in Spain in a bank account, financial aid or other. For the academic year exchange, this equals \$10,000. Please discuss these requirements with your OGO advisor.

COVID CAUTIONS

- During the COVID-19 Pandemic, participation in study away and abroad involves real and potential personal, financial and academic risk. Visit <https://www.ohio.edu/goglobal/travelalerts> for more information.
- **COVID-19 Travel Information:** Participants should have access to contingency funds and resources to cover unanticipated medical or other expenses. The University does provide international emergency health insurance for students traveling abroad, however not all medical care providers overseas accept this in lieu of payment up front. Travelers may need to cover the cost up front and seek reimbursement after the fact. Visit <https://www.ohio.edu/goglobal/resources/health-safety#IHI> for more
- **Additional Expense Information:** The CDC advises that travelers should be up to date on all COVID-19 vaccinations and boosters. Entry to some countries and participation in local program and free-time activities may be restricted due to COVID-19. Unvaccinated travelers may incur additional expenses and are especially affected by potential on-site restrictions and entry requirements.
