INFORMATION FOR ALL PARTICIPANTS

- Non-program-related entertainment, souvenirs, and additional travel are not included in the travel cost estimate and should be budgeted separately.
- Participants should have access to contingency funds and resources to cover unanticipated medical or other expenses. The University provides international emergency health insurance for students traveling abroad, however not all medical care providers overseas accept this in lieu of payment up front. Travelers may need to cover the cost up front and seek reimbursement after the fact. Visit <https://www.ohio.edu/goglobal/resources/health-safety#IHI> for more information.

COVID-19 CONSIDERATIONS

- During the COVID-19 pandemic, participation in study away and abroad involves real and potential personal, financial, and academic risk. Visit <https://www.ohio.edu/goglobal/resources/health-safety/travelers-health> for more information.
- The CDC advises that travelers should be up to date on all COVID-19 vaccinations and boosters. Entry to some countries and participation in local program and free-time activities may be restricted due to COVID-19. Unvaccinated travelers may incur additional expenses and may be especially affected by potential onsite restrictions and entry requirements. For more information, contact ogoriskmanagement@ohio.edu.
- Some COVID-related costs for which travelers may need to plan include: COVID-19 testing, personal protective equipment (e.g., hand sanitizer, face covering, tissues, reusable water bottle), and potential quarantine requirements. Expenses will vary by destination.

INFORMATION ON TUITION & FEES

Tuition and fees are assessed based on the number of credit hours of enrollment, Ohio residency, program of study, and OHIO Guarantee Year (if applicable). Visit the Office of the Bursar website at www.ohio.edu/bursar for tuition and fee schedules. Tuition schedules do not include special class fees. Ohio University reserves the right to make, without prior notice, any necessary fee adjustments.

Additional Fees: May include but are not limited to: Student Health Insurance, College Technology Fees, Student Info System, Student Legal Service Fee, and Wellbeing Plan. The tech fee is based on your home college. If you are eligible to waive the Student Health Insurance, Student Legal Service Fee, and/or the Wellbeing Plan, you may do so through your "My OHIO Student Center"

- **REGIONAL CAMPUS STUDENTS:** For students registered at a regional campus, program credit hours will be billed at the Athens campus tuition rate.
- **NON-RESIDENT STUDENTS:** Non-Resident Fees are waived for this program.
- **GRADUATE STUDENTS:** If you currently receive a graduate tuition waiver from your department, you will need to contact your department to see if it can be applied. Note: Tuition Waivers do not cover the Program Fee.

For programs completed over winter-break and spring break, the credit-hours associated with the program are part of the spring semester. Students will not incur additional tuition costs for the spring semester if they are taking 12 – 20 (Undergraduate) or 9-18 (Graduate) Athens campus hours, including the hours associated with the program. Students taking less than or more than the ranges listed above for the spring term will see their tuition adjusted accordingly.
