Student Enhancement Awards
Competitive awards to support undergraduate, graduate, and medical student research, scholarship, and creative activities. Awards of up to $6,000 to support research and travel to attend a professional meeting to present results. One review cycle in spring. For more, click here.
Submission Deadline: Thursday, January 17, 4 P.M.

Data Science Fellowship Opportunity
The Data Incubator is an intensive 8 week fellowship that prepares masters students, PhDs, and postdocs in STEM and social science fields seeking industry careers as data scientists. The program is free for Fellows and supported by sponsorships from hundreds of employers across multiple industries. In response to the overwhelming interest in our earlier sessions, we will be holding another fellowship.

Anyone who has already obtained a masters or PhD degree or who is within one year of graduating with a masters or PhD is welcome to apply. Applications from international students are welcome.

Fellows have the option to participate in the program either in person in New York, San Francisco Bay Area, Boston, Washington DC, or online. For more information, click here.
Early Deadline: Monday, January 14
Regular Deadline: Monday, January 21

2019 Ohio University

Three Minute Thesis® Competition
Competitors have 3 minutes to present a compelling oration on their thesis/dissertation and its significance.
