

Application for Update of Graduate Academic Program

Name _____

PID Number _____

Email _____

Current Degree _____

Student Signature _____

Date _____

With my signature, I understand that the changes noted on this form will be made to my student record. If I am requesting that a program be dropped, I understand that I will need to reapply in order to request reinstatement. I further understand that reinstatement may not be automatic.

Purpose of this form: This form is for graduate students to add certificates, add a Master's to an existing PhD in the same academic program, add or modify a track within an existing Master's program, or drop a program. Obtain the appropriate signature(s) and return the completed form to the Graduate College. International Students must obtain the signature of an ISFS Student Advisor before the changes can be processed.
