Instructions for completion of Educational Opportunities Form for Spouses and Domestic Partners of Graduate Assistantship Holders at Ohio University

Graduate assistantships include all graduate appointments (e.g. Graduate Assistantships, Research Assistantships, and Teaching Assistantships). Spouses and domestic partners of graduate fellowships, graduate recruitment (GRS) awards, and full/half summer continuum tuition scholarships are not eligible for this opportunity. This opportunity is contingent upon marital status or Affidavit of Domestic Partnership and the graduate appointment status for the term(s) in which the graduate appointment is in effect. A **certified copy of marriage license or Affidavit of Domestic Partnership and English translation** must be presented when the first application for this opportunity is made. Please fully complete the request form, with signatures of both graduate appointment holder and spouse or domestic partner. After completing form, return to the Graduate College, 220 Research and Technology Center, with the spouse or domestic partner’s bill immediately upon receipt from the Bursar.

The value of the educational opportunity will be credited directly to the spouse or domestic partner’s account. The spouse or domestic partner must be registered for classes before credit will be given.

The educational opportunity represents half of up to six credit hours (three hours maximum credit) of the instructional fees for the term. Additionally, half of the non-resident surcharge of up to six credit hours will be waived where applicable. This opportunity does not pay for general fees, OPIE, or audit hours.

To avoid complications, changes in your registration that result in an adjustment to fees should be reported to the Graduate College, immediately. **The application form for this opportunity must be returned to the Graduate College by 5pm on the second Friday of the term for which the student is seeking benefit.**

You will be required to complete this form for each term of registration. **YOU WILL NOT AUTOMATICALLY RECEIVE THIS BENEFIT**
