Beyond the Professoriate Webinars

January

- **Managing Stress & Mental Health in Academia - Jan 17th, 2020 | 12 p.m. ET | Free to Attend | Free Replay (advance registration required)**
A recent survey of graduate student mental health published in Nature revealed that nearly 40% of graduate students experience moderate to severe depression. In this webinar, panelists will discuss the challenges they faced during their academic careers, and strategies they developed to manage stress, anxiety, and depression as they earned their PhDs. Join L. Maren Wood (Co-Founder of Beyond the Professoriate), Kathryn R. Wedemeyer-Strombel, PhD and Michael Lemieux, PhD for this important panel discussion.

- **Networking and Why Every PhD Should Do It - Jan 23rd, 2020 | 12 p.m. ET | Free to Attend | Free Replay (advance registration required)**
Join Beyond the Professoriate co-founder L. Maren Wood, PhD for this 30 min webinar to learn how to effectively network for job search and career success. After attending this webinar, you will be able to recognize the importance of networking as part of a job search strategy; apply effective informational interview etiquette; develop strategies to navigate the uncomfortableness of networking.

- **How to Get Hired: Advice to PhDs from Hiring Managers - Jan 31st, 2020 | 12 p.m. ET Free to Attend | Free Replay (advance registration required)**
What do hiring managers look for in new employees? How can graduate students and PhDs communicate their value to potential employers and land a great post-PhD job? In this webinar, two PhDs — Josh Magsam, PhD (English, University of Oregon) and Melanie Nelson PhD (biochemistry, Scripps Research) — demystify the hiring process. After attending this webinar, you'll be able to recognize the perspective of hiring managers; identify common mistakes job candidates make; and apply strategies for pitching yourself to employers.

February

- **PhD Careers in UX Research - February 14th, 2020 | 12 p.m. ET Free to Attend | Free Replay (advance registration required)**
UX Research is a growing career field where PhDs from humanities, social sciences, and STEM backgrounds have found and launched successful careers. In this webinar, Ali Colleen Neff, PhD (Senior UX Researcher, New Relic) and Timothy Price, PhD (Principal UX Researcher, WellSky) will talk about how they launched their careers in UX research. After attending the webinar, you'll be able to define User Experience (UX) Research; determine if this is a career path of interest; and recognize the skills required to pursue a career in UX Research.

- **Using myIDP to Plan and Launch Your Post-PhD career - February 26, 2020 | 12 p.m. ET | Free Replay (advance registration required)**
MyIDP is a free tool designed to empower graduate students and postdocs in STEM to explore career options and leverage their training. In this special webinar, co-creator of MyIDP, Cynthia Fuhrmann, PhD (Assistant Dean, Career & Professional Development, UMass Medical School) will teach you how to use this interactive tool to explore, plan, and prepare for your career during graduate school and your postdoc so that you can be prepared for your post-PhD career.

- **How to Navigate Academic Hiring**
Are you on the academic job market or planning to apply for jobs soon? In this webinar, Loleen Berdahl, PhD (Professor and Head, Political Studies, University of Saskatchewan) will give you insight into what hiring committees expect of applicants and how you can confidently navigate the hiring process. After attending the webinar you'll be able to identify hiring committee expectations; perform effective research to prepare for interviews; determine what is important to you during negotiations; and create a strategy to set yourself apart from other candidates.
