Income Tax Liability Thresholds—The 2020 filing threshold amount based upon federal poverty level is expected to be \$12,760 for a family size of one (single, or married living apart from your spouse for the entire year), \$17,240 for a family of two (single with one dependent child or a married couple), \$21,720 for a family of three (single with two dependent children or a married couple with one dependent child) and \$26,200 for a family of four or more (single with three dependent children or a married couple with two or more dependent children).
