- C. It is recognized that it is in the best interest of all parties to promote effective relations between the University and the Union.
- D. It is agreed that the organization and operations of the University differ from that in the private sector and that the University-Union relationship and the conventional Management-Union relationship in private industry have some differences and some similarities.
- E. It is the intent and purpose of the parties to set forth herein their Contract covering wages, hours, terms, and other conditions of employment; to provide Union Members in the Bargaining Unit with dues check-off; and to provide for a prompt and fair process for the settlement of grievances.
- F. It is understood that those topics specified as non-negotiable under Chapter 4117 of the Ohio Revised Code are excluded from this Contract. The provisions of this Contract take precedence over the statutory provisions of Chapter 124 of the Ohio Revised Code for employees covered under this Contract in accordance with Chapter 4117 of the Ohio Revised Code, except as specifically stated otherwise in this Contract.
- G. The University will make available an electronic version of this Contract on the University Human Resources website. It is understood that each party may print copies for their own use and shall be responsible for any associated costs to printing this Contract for their use.

- B. Neither the University nor the Union shall interfere with the right of employees covered by this Contract to become or not become members of the Union, and there shall be no discrimination against any such employees because of lawful Union Membership or non-membership activity or status.

But excluding all student, temporary employees, administrative employees, clerical employees, technical employees, professional employees, faculty and supervisors, managerial and confidential employees as defined by Section 4117.01 of the Ohio Revised Code. The provisions of this Contract shall apply only to departmental classifications listed above.

Should any abolished Bargaining Unit jobs be recreated, they will be placed in the existing Bargaining Unit.

- B. The University will continue to discuss matters with the Union toward the end of amicably settling mutual problems through this Contract and the Grievance Procedure which is a part thereof.
- C. The term "supervisor" for the purpose of this Contract means any individual who has authority, in the interest of the public employer, to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward, or discipline other public employees; to responsibly direct them; to adjust their grievances; or to effectively recommend such action, if the exercise of that authority is not of a merely routine or clerical nature but requires the use of independent judgment.
- D. A temporary employee shall be defined as an employee who is hired from outside the bargaining unit to perform work in Bargaining Unit classifications to meet intermittent operational needs (e.g. covering administrative, sick, military, FMLA, and vacation leaves and during the posting or hiring process). A temporary employee shall not receive an assignment from a specific vacancy for a period longer than 120 work days, absent mutual agreement of the parties. A temporary employee will not

work more than forty (40) hours per calendar week. Temporary employees are not eligible for benefits and are not entitled to any term or condition of employment outlined in this Contract.

A temporary assignment is the filling of a temporary need utilizing a current bargaining unit employee who is past their initial probation. The employee will return to their previous position and department at the conclusion of the temporary assignment.

- E. In the event a new classification and/or department/segment is established in units historically covered by this Contract, the inclusion of the new classification in the Bargaining Unit will be negotiated by the parties during a regularly scheduled Labor- Management Meeting.

Disputes regarding inclusion of any new classification and/or department/segment in the Bargaining Unit may be initiated as a grievance at Step 2 of the Grievance Procedure.

- F. For the purpose of job posting, bidding, transfers, layoffs, bumping and recall, Culinary Services shall be treated as one department, and Grounds Maintenance shall be treated as one segment.
- G. Should the University create a future Retail Dining Operation/s, it will notify the Union of its intent and the Retail Operation/s will become a segment/venue under Article 6, *Union Recognition*. The department/s will include departmental classifications as deemed appropriate by the University.

ARTICLE 7 PROTECTION OF THE BARGAINING UNIT

The University agrees that openings in the Bargaining Unit which do not qualify as supervisory positions (as defined by Chapter 4117.01 O.R.C.) will not be filled by Contract Employees, but rather by Classified Employees covered by this Contract.

ARTICLE 8 CONTRACTING FOR SERVICES

- A. The parties recognize that the University may contract out or subcontract work in any department covered by this Contract, in cases of emergency or temporary employment, or in cases where specialized, professional, or technical services are required and where present employees do not possess the skills in sufficient number to perform the required work. The issue of projected projects that may involve the contracting out or subcontracting of work shall be a continuing agenda item for Project Coordination Meetings.
- B. In the event of such contracting out or subcontracting, no employee shall be laid off or take a reduction in pay as a direct result thereof.
- C. If any department covered by this Contract is permanently shut down, a Labor/Management Meeting with the Union will be scheduled. The meeting will make every good faith effort to place the employees elsewhere with the University or with another employer.

ARTICLE 9
NO LOCK OUT--NO STRIKE

- A. It is mutually agreed upon and pledged that no "lockout" shall be invoked by the University and no slowdown or work stoppage of any form by employees shall take place during the term of this Contract or any renewal thereof, nor shall there be any strike or threat of strike. The parties also agree that there will be no reservations, special circumstances, or exceptions warranting a lockout or strike and that the established grievance procedure of this Contract provides a mutually acceptable means for orderly settlement of all disputes that may arise, and that each party will cooperate with the other to implement arbitration as set forth in Article 22 of this Contract.
- B. Should any activity prescribed by Section A of this Article occur which the Union has not caused or sanctioned either directly or indirectly, the Union shall immediately:
 - 1. Instruct all employees not to participate in such action and to return to work immediately;
 - 2. Publicly disavow such action by the employees or other persons involved;
 - 3. Advise the University in writing that such action has not been caused or sanctioned by the Union.

ARTICLE 10
HOURS OF WORK AND OVERTIME

- A. Schedules
 - 1. A regular scheduled work week for permanent, full- time, regular employees shall consist of forty (40) hours which shall consist of five (5) days of eight (8) hours per day or four (4) days of ten (10) hours per day. The four (4) or five (5) consecutive day work week will be continued in departments so scheduled and qualified senior (University seniority in the department) employees will be given preference for the Monday through Friday schedule as openings occur on such schedule. Permanent part-time employees are normally scheduled for less than 40 hours per week.
 - 2. The Union and the University may agree to provide for flexible scheduling arrangements for an employee or group of employees. The request to flex a schedule(s) may be initiated by the University, Union, and/or employees.
 - 3. With two weeks' notice, employee schedules may be changed for training. Schedule changes will not exceed ten days in a calendar year. This limit may be extended by mutual agreement.
 - 4. The University agrees not to change employee(s) work schedules solely for the purpose of avoiding payment of overtime. This language shall be applicable to all Bargaining Unit departments and segments.
 - 5. In the segment of Residential Dining Services, shifts will not vary more than two hours at the beginning of a shift or at the end of a shift. In the segment of Central Food Facility, Baker University Center

Culinary Services, and Jefferson Marketplace, positions identified as varied may vary by days and by shift as operational need requires. Variance of shift will not occur without a seven (7) day notice and variance of days off will not occur without a seven (7) day notice.

6. All Residential Dining Services will be scheduled in accordance with Article 14.

- B. For purposes of computation of pay, the work week is Sunday through Saturday. Hours worked are recorded on the day the employee's shift begins and paid accordingly.
- C. Forty (40) hours is a standard work week. When an employee is required by an authorized official to work beyond forty (40) hours in any calendar week or beyond eight (8) hours in a day for five (5) day schedules or beyond ten (10) hours in a day for four (4) day schedules, the additional hours will be paid at the time and one-half rate. Hours worked are those in which an employee is in active pay status. An employee entitled to pay for overtime work may elect to take compensatory time off in lieu of cash payment. Compensatory time is accrued on the basis of 1-1/2 hours for each hour of overtime worked.

Employees may carry a compensatory time balance of no greater than 240 hours at any time within a fiscal year (July 1 to June 30).

Except as otherwise provided herein and in Article 41, employees who work in positions scheduled for twelve (12) months in a calendar year may take up to 240 hours of compensatory time within a fiscal year with the approval of the immediate supervisor. The supervisor's decision is final and is not subject to the grievance procedure.

Compensatory time will not be denied for employees who are seasonally laid-off.

All requests for compensatory time must be submitted in writing and approved by the employee's immediate supervisor.

Bargaining Unit Employees covered by this Agreement and who maintain a compensatory "bank" or balance of twenty-four (24) hours may request and receive payout of any or all of their compensatory time above the "bank" of twenty-four (24) hours. Departments will only accept and process requests for compensatory time payout one time during each calendar year. All requests for the one-time payout must be received in writing on or before November 15th of each calendar year. Payment shall be made in the final pay period of November.

- D. All hours worked on a shift beginning on a day observed as a holiday will be paid at the time and one-half rate.
- E. Employees who work a ten-hour day as part of their regular schedule and whose shift begins on a holiday will be paid at the time and one-half rate for all hours worked in addition to receiving eight (8) hours of holiday pay at the straight time rate of pay. If a holiday falls on a day a ten-hour employee is scheduled to begin a shift, but is not required to work, the employee will receive eight (8) hours of holiday pay at the straight time rate of pay. However, if the holiday falls on a day the employee is not scheduled to begin a shift, the employee will receive eight (8) hours of holiday pay at the straight time rate of pay. During a week which includes a holiday, employees will return to a five (5) day, eight (8) hour per day work schedule (with the exception of the Airport employees).

- F. In no case will payment be made for time not worked other than as specifically set forth in this Contract.
- G. Pay for Work Beyond Scheduled Shift:
 - 1. An employee called back to work after having left work shall receive a minimum of four (4) hours work unless the time is contiguous to their regular work shift.
 - 2. Employees who are on-call in accordance with Article 11(D) will be paid from the time they answer the pager call until their assigned task is completed, but in no case will the employee receive less than four (4) hours work.
 - 3. Employees who are scheduled in advance to work at a time not contiguous with their normal shift will receive a minimum of three (3) hours work.
- H. In no case will overtime pay be pyramided.

ARTICLE 11

EQUALIZATION OF OVERTIME

- A. Regularly Scheduled Overtime.
 - 1. The University will rotate regularly scheduled overtime opportunities among qualified employees in a segment or venue who normally perform the work that is being assigned for overtime and shall offer overtime as soon as it is aware of the need for overtime. Hours worked outside but contiguous to the normal work shift will be credited to the scheduled overtime roster. The roster will not be run for such hours if sufficient employees are on site to complete the job.
 - 2. The overtime roster will be utilized in all situations where Management knows of the overtime opportunity more than four (4) hours in advance.
 - 3. The University agrees to post and maintain overtime rosters in a place accessible to all employees, and to update the rosters after each overtime assignment. Said rosters shall be posted and will include a list of overtime hours worked and refused with overtime awarded to the employee within the segment or venue who, on the roster, has the fewest aggregate hours worked and refused. If an employee on a shift is offered overtime on another shift solely for the purpose of equalizing overtime, the "call in pay" provision does not apply with respect to this Article.
 - 4. An employee who is not available for overtime (on temporary assignment outside the segment/department, on temporary assignment outside the Bargaining Unit, or on leave for more than two (2) weeks) will be charged on the overtime equalization list as if the employee was asked but refused overtime. However, if the employee is on temporary assignment outside the segment/department or on leave for less than two weeks, the employee will not be charged on the overtime equalization list unless the employee was contacted and refused the overtime. In such cases, the University is not obligated to make an offer of overtime.

5. An employee who is offered but refuses an overtime assignment shall be credited as if the employee had worked the overtime for purposes of equalization. (Employee must accept or reject an overtime assignment within 15 minutes of the offer). If an employee is unreachable at the phone number on file with their segment and/or venue, they will be skipped and the opportunity will be offered to the next person on the roster. In the event the employee is unreachable, they will not be credited with working the overtime, nor will they be considered to have been missed for the purposes of this article. If it is determined that an employee was entitled to an overtime opportunity and was missed, it will be the obligation of the University to pay the missed overtime to the employee. If an employee refuses an overtime assignment and subsequently is required to work the assignment, the employee will only be charged with the hours worked and not for the initial refusal. Employees on any type of leave will not be contacted for overtime.
6. All employees will be immediately credited with overtime hours equal to the employee in the segment or venue with the most aggregate hours, when placing their name on the overtime roster upon arrival to the segment or venue. Employees remaining on the roster retain their own aggregate hours.

B. Emergency Overtime.

The above provisions of this Article apply only to regularly scheduled overtime. The following provisions apply only to emergency overtime:

1. Each segment or venue shall maintain an emergency overtime roster, to be used in cases when it is necessary to assign employees to overtime on an emergency basis.
2. "Emergency Overtime" shall be defined as overtime that becomes available without advance notice to the University and occurs outside, but not contiguous to the normal work shift of affected employees.
3. Once the original rotation of the roster has occurred, employees shall be called in for emergency overtime by continuing to rotate overtime opportunities to qualified volunteers on the rotation list.
4. Employees who refuse or are not available for emergency overtime (i.e., not present or unable to be reached by telephone) shall be charged with overtime as if they worked the overtime. Employees who do not affirm or deny the overtime offer, due to unavailability, must contact the supervisor authorizing the overtime prior to reporting to work the overtime.
5. If it is determined that an employee has not been given an emergency overtime opportunity, the employee shall be offered the next emergency overtime opportunity. If the employee is missed on the next opportunity, the employee will be paid as if they had worked that opportunity.
6. The emergency overtime roster shall be kept separate from the regularly scheduled overtime roster.
7. All employees will be immediately credited with overtime opportunities equal to the

employee in the segment or venue with the most aggregate opportunities, when placing their name on the overtime roster. Employees remaining on the roster retain their own aggregate opportunities.

C. Scheduled and Emergency Overtime.

The following procedures apply to both regularly scheduled and emergency overtime:

1. All rosters will be kept in ink and the roster will be posted for all employees.
2. Normally, overtime assignments will be made in the segment or venue of the department first to qualified volunteers who sign the rosters. If qualified volunteers are not available in the required numbers, then overtime assignments will be made to qualified employees following the "juniority" principle (i.e., to the least senior qualified employees), using University seniority.
3. New hire probationary employees and part-time employees shall be excluded from overtime except when the roster is exhausted.
4. Employees may voluntarily remove their names from either overtime roster by notifying their supervisors with a two week written notice.
5. If an employee is on temporary assignment from another department or on a temporary assignment outside the Bargaining Unit, the employee may be offered regularly scheduled or emergency overtime only if qualified and the respective roster has been exhausted.
6. The Union President appointed in accordance with Article 23 is prohibited from overtime opportunities during the term of his appointment as President. The President's name shall be removed from overtime rosters during their term.
7. Overtime earned by employees as a result of a holiday falling during their regularly scheduled work week shall not be charged against them on the overtime roster.
8. When a scheduled or emergency overtime opportunity is available to all employees in a department, segment of a department, or venue, overtime rosters are not used. Notice of overtime opportunities shall be posted at the time clocks of all employee groups eligible for the opportunity.
9. If the parties choose to use one roster in a department or a segment of the department, then the rules for the scheduled overtime roster will apply to the consolidated roster.
10. Employees may be removed from the emergency and extraordinary events overtime rosters if the employee refuses overtime three times within a calendar year. Employees who are removed from the rosters will not be eligible for such overtime until a new roster is posted. Employees who are on temporary assignment outside the segment/department, on temporary assignment outside the Bargaining Unit, or on leave for more than two weeks, are exempt from this provision.
11. For Culinary Services emergency and scheduled overtime, rosters will be maintained by dining hall/venue/segment.

- D. In place of Sections A, B, and C of this Article, Facilities Management will administer emergency overtime in accordance with the following provisions:
1. Employees assigned to be on-call will receive \$150 (subject to legal deductions) for each week they are on-call.
 2. On-call employees will remain duty-ready, within pager range, and able to report to campus within 45 minutes during all off-shift hours.
 3. All pagers will rotate Monday mornings at 7:00 A.M., except holidays covered by this Contract, in which case the pager will rotate on Tuesday morning.
 4. Employees will be given a pager.
 5. A roster of volunteers for on-call duty will be posted. Employees may request to be added to the schedule. With one-week notice, employees may request to be removed from the schedule for compelling reasons.
 6. Employees may trade assigned weeks with the approval of the department supervisor.
 7. Employees serving less than seven days on-call will receive \$20.00 per day for each day served Monday through Friday and \$25.50 per day for each Saturday, Sunday, or holiday (see Article 37) served.
 8. Current employees within a department or segment, which has an established on-call program, are eligible and qualified to volunteer for on-call duty after serving 120 days in the department. Venues requiring pagers shall have a minimum of two (2) employees carrying pagers, assigned first to volunteers, then assigned by juniority. Venues can have more than two (2) employees carrying the pagers if there are volunteers.
 9. Segment/venue supervisors retain the right to determine the best way to cover if an on-call employee is unable to continue on-call at some point during their assigned time.
 10. if additional employees are needed beyond the on-call employee, the on-call employee will call the Tech Support Manager.
- E. Definitions of department/segment/venue can be found in Article 19.
- F. All overtime equalization provisions of Article 11 will apply to Residential Custodial Services and Culinary Services with the following exception:
1. The department or segment/venue of the department will rotate scheduled and emergency overtime opportunities among qualified employees in the segment/venue who normally perform the work that is being assigned for overtime. It is understood that scheduled and emergency overtime hours will be maintained on the same roster.

2. The segments/venues of the department agree to post and maintain the overtime rosters in a place accessible to department employees.

G. Heating Plant Staff Assignments and Overtime Procedures

1. For purposes of this subsection, work week shall be defined as 6:00 A.M. on Sunday to 5:59 A.M. Sunday.
2. Supervisors shall make their best efforts to have schedule changes for each work week available and distributed by 10:00 A.M. on Thursday of the preceding scheduled work week. It is the sole responsibility of all Relief Workers to review the schedule for their assigned shift. If a Relief Worker is not present on Thursday when the schedules changes are distributed, it is their sole responsibility to contact the Department to obtain the details of the schedule. A copy of the schedule will be posted at the Engineer's desk or Control Room.
3. Department shall utilize the relief crew to provide coverage for leave of operators and engineers. A "Relief Coverage Log" will be used to assign shifts to employees with the least number of assigned shifts. Each time a Relief Worker is assigned a shift, the date will be recorded on the "Relief Coverage Log". Employees working an adjacent shift will be skipped until the next opportunity.
4. When submitting a time off request, Employees shall include the times of day at the beginning and end of the time request indicating when the employee is available for the relief assignment. This additional information will inform the Supervisor to not schedule the employee for shift relief while they are on time off. Failure to inform the Supervisor of availability may subject the employee to being assigned shift relief.

All time off requests must be submitted prior to the Thursday distribution of scheduled changes. All unforeseen requests for leave ("call-ins") using sick, personal, or emergency vacation only, two hours prior to the shift starting time, shall activate the overtime roster for the scheduled work week.

5. Special circumstances for the two (2) days Relief and three (3) days Operator/Engineer position

This position will only be assigned two (2) relief shifts for every five (5) relief shifts assigned to the full-time relief workers.

6. Special circumstances for Holidays

The overtime roster will be utilized to assign coverage for Holidays and adjacent weekends. Adjacent weekends shall be defined as beginning on 6:00 A.M. on Monday. Holidays shall also be defined as the twenty-four (24) hour period starting at 6:00 A.M. on the observed holiday.

C. Lausche Heating Plant Shift Assignment Procedures

1. This sub-section applies to Relief Maintenance employees of the Lausche Heating Plant and shall detail procedures to provide coverage for all forms of personal time off, relief assignments, and

long-term assignments.

2. Extended Coverage

- a. The Relief Crew shall be utilized to provide backfill coverage when positions are vacated by medical or other forms of extended leave.
- b. Assignments will be assigned on a rotating basis and will be tracked on a log to ensure best attempts of equal number of assignments. The date recorded on the log shall indicate the beginning date of the week assigned coverage.

3. Special circumstances for the two (2) days Relief and three (3) days Operator/Engineer position

This position will only be re-assigned to cover the two (2) maintenance days. The remaining three (3) days will be covered utilizing the standard "Relief Coverage" process.

4. Penalty for Refusal

- a. Relief employees will not be penalized for refusing work due to vacation, illness, injury, or any leave under Article 34.
- b. Employees shall be provided four (4) opportunities to refuse work ("free refusals") per calendar year. Employees who have utilized their four (4) "free refusals", and if the refusal is not due to vacation, illness, injury, or any leave under Article 34, then the Relief Employee will be charged with one day of vacation time for each additional refusal.
- c. Employees who accept a shift assignment, and later calls off from the assignment, will be considered a refusal.

5. The Engineer in charge may be requested to run an overtime roster,

**ARTICLE 12
SENIORITY, LAYOFF, AND RECALL**

- A. "University seniority" is the employee's length of continuous service with the University from the employee's most recent date of hire into a Bargaining Unit position. This date will be considered the date that the employee begins active pay status in a Bargaining Unit position.
- B. An employee's seniority shall terminate:
 1. If the employee quits.
 2. If the employee retires.
 3. If the employee is discharged.
 4. If the employee who has completed the new hire probationary period fails to report to work as scheduled or fails to report after any authorized absence or layoff, the employee may be

terminated effective on the 7th day following the date of mailing a letter from the University advising the employee that they may be terminated if the employee does not advise the University of the employee's intention to report to work as scheduled. The letter shall be mailed via certified and regular U.S. Mail.

5. When an employee is assigned out of the Bargaining Unit the following provisions will apply:

- a. If an employee is given a promotion out of the Bargaining Unit, and the employee is later found not to have met the posted qualifications, the employee may be returned to the employee's prior position without a loss of seniority at any time during the employee's probationary period.
- b. If an employee leaves the Bargaining Unit to take a non-Bargaining Unit position and returns to the Bargaining Unit for reasons other than those set forth above during the employee's probationary period, the employee shall be credited with the employee's prior seniority and Bargaining Unit rights but shall not be credited with seniority for service outside the Bargaining Unit.
- c. Except for laid-off employees who are awarded a non-Bargaining Unit position, once an employee has completed the employee's probation in a non-Bargaining Unit position, the employee relinquishes all forms of Bargaining Unit seniority and shall be treated as a new employee in the event the employee returns to the unit.
- d. Once a Bargaining Unit employee is promoted out of the Bargaining Unit, the employee does not retain any Bargaining Unit rights except those listed above (i.e., seniority rights).
- e. This Agreement does not abridge Management's rights nor guarantee that the employee shall be returned to his or her prior position.

C. Departments/segments for the purpose of this Article are defined in Article 16 - Classifications.

D. The University will provide the Union with three (3) copies of a seniority list on March 1, and September 1, of each year showing the seniority of each employee in the Bargaining Unit by University Seniority. Any employee shall have ten (10) working days after the list is prepared and posted in the departments to question the employee's position on that list. If no question is received within the time period, the list shall be deemed accurate for the remainder of the posting period; and if a question is received, the list will be reviewed and revised as appropriate. If two (2) or more employees have the same University Seniority date, their names shall be listed alphabetically last name first, first name last, based on the names registered with University Human Resources at the time of roster creation on March 1 and September 1.

E. The University will provide the Union with a bi-weekly list of new hires, terminations, promotions, lateral moves, leaves of absence, and retirements in the Bargaining Unit. The list will include the name of the employee and the date of the action.

F. The University will continue its efforts to avoid layoffs and will discuss at least thirty (30) days prior to layoff any potential layoffs with the Union in a scheduled labor management meeting. However, the University and the Union recognize that due to lack of funds or lack of work, temporary and permanent

layoffs may be required to effectively and efficiently operate the University.

G. For seasonal layoffs, the following provisions will apply:

1. The University will continue its efforts to minimize seasonal layoffs; but if there is a seasonal layoff of employees in Residential Dining Services, Baker University Center Culinary Services, and/or Central Food Facility of less than 120 days, the provisions of this Article regarding layoffs are not applicable.

H. Layoffs will take place according to seniority and in accordance with the specific provisions of this Article covering segments and/or specific classification series within each segment. The University retains the right to determine layoffs in a particular classification, departmental classification series, and/or segment, and the specifics of each layoff.

I. The University will lay off the employee with the least University seniority in a classification in a segment's classification series. (Classification series defined in Article 16 – *Classifications*.)

J. An employee who is laid off will first have the right to displace another employee with less University Seniority in the same classification throughout the University. If there is no less senior employee within the classification, the employee may displace a less senior employee in any classification in which the employee has previously served, or an equivalent or lower classification that the employee is qualified to hold. If there is no other classification available, the employee may displace the full time employee with the least University seniority in the lowest classification University-wide who may then displace the part time employee with the least University seniority in the lowest classification University-wide. Part time employees may not bump full time employees but may bump less senior part time employees. After the exercise of a laid-off employee's displacement rights, the employee shall not be considered to have further displacement rights until the employee would be subject to layoff again.

Employees may choose layoff rather than exercise their displacement right. Such employees will not be considered to have waived their recall rights, nor negatively affect their employment rights.

K. An employee's displacement rights shall be subject to fulfillment of qualifications for the position. Qualifications shall be determined by a thirty-day probationary period if the employee has bumped into a classification in which the employee has not previously served. If the employee does not meet the qualifications of the position at the end of 30 days, the affected employee will be laid off with recall rights.

L. Employees shall be notified of layoff in writing by the University at least fourteen (14) calendar days in advance of the layoff. Except for extraordinary circumstances such as acts of God or hospitalization, the employee shall have five (5) days after receipt of the fourteen (14) day notice, excluding weekends and holidays, to notify the University in writing of the employee's intention to exercise the employee's displacement rights and to notify the University in writing of the employee's displacement selection. Failure to provide written notification of the employee's intention/selection as specified above waives the employee's displacement rights.

M. Employees will be recalled to the classification from which they were laid off in reverse order of the layoff procedure specified herein. Employees shall have recall and reinstatement rights for the period of

time equal to five (5) years from the date of the layoff. However, after three (3) years the affected employee, if interested, will have the obligation to monitor job availabilities by utilizing employment resources available through University Human Resources. An employee who is reinstated shall not serve a probationary period upon reinstatement except where the employee was a probationary employee and the probationary period shall begin anew. Recall rights are exhausted when the employee returns to the classification from which they were laid off, they reject a recall opportunity, or the recall period is expired. Displacing into, applying for and accepting, or bidding into a different classification than the one they were laid off, does not release recall rights.

Notice of recall to an employee shall be made by hand delivery, or certified mail, or by other carrier using return receipt, to the last known address of such employee. A copy shall be forwarded to the Union. If undeliverable, the University's obligation shall be considered to be fulfilled. The recalled employee must notify the University within three (3) working days of the date of receipt of notice of his/her intention to return to work. The date for returning to work shall be no less than seven (7) calendar days from the date of notice received unless mutually agreed upon with the Union. Failure to return from layoff shall subject the employee to termination of service.

ARTICLE 13

WORK BY SUPERVISORS

- A. Supervisors (as defined by Chapter 4117.01(f) of the Ohio Revised Code) shall not, by performing their duties in any one of the departments covered by this Contract, displace or cause to be laid off, a regular employee from a regularly scheduled assignment.
- B. Contract Employees will not assume the duties of employees covered by this Contract in such a way as to displace or cause the layoff of such employee.

ARTICLE 14

JOB POSTING AND TRANSFER PROCEDURE

A job vacancy subject to the following procedure exists when an employee of the University covered by this Contract retires, quits, transfers, or otherwise separates from an existing employment position at the University, when a new employment position is created by the University, and the University decides to fill such vacancy.

- A. In-segment posting
 - 1. The University shall post in the segment wherein the vacancy occurs and deliver to the Union President a notice of vacancy which shall include: Classification, location of job, hours of work, pay range, and a brief description of duties and minimum qualifications. The in-segment posting period shall be five working days. Seniority refers to employees' University seniority.
 - 2. Employees bidding on the posted vacancy will be considered in the following order:
 - a. The most senior employee in the segment who is in the same classification (lateral transfer) or a more senior employee in the classification series who wishes to demote will be selected.

Part-time employees will not be permitted to laterally transfer into permanent full-time positions. Rather, such part-time employees will need to bid on and be awarded full-time positions as per Article 14. Employees may laterally transfer only once in any six month period. However, each time an employee enters a new classification and/or segment/department, the six month period begins again. Additionally, each employee may have one (1) special lateral transfer with no time requirements one time during the original term of this Agreement.

- b. If there is no lateral transfer or demotion as described above in (a), the most senior qualified employee will be selected. (To be considered qualified the employee must meet the minimum experience requirements listed on the posting and pass the required examinations).
 - c. If there is no qualified employee within the segment, the University may proceed to a Bargaining Unit-wide posting.
 - d. The procedure detailing in-segment postings outlined in 14(A) does not apply to Culinary Services. Culinary Services vacancies will be posted in-department, then bargaining unit-wide if no qualified employee exists in the department.
3. Departments may post University-wide with varied hours and days off concurrent with the in-segment/in-department posting to accelerate the filling of vacancies.
 4. Residential Dining Services Selection Process: This process will be utilized to meet significant changes in venue service levels (e.g. temporary closure for renovation, adding additional day(s) of service). Residential Dining Services will post available positions for the following semester by classification and schedule. The list of available positions will include location, work hours, and days off. Each Residential Dining Services Employee will select their assignment by classification by University seniority. For purposes of the selection process, Cook 1's and 2's are considered the same classification. There will be no promotions or demotions permitted during this process. Such promotion or demotion shall occur through the posting process described in Article 14. Any remaining or new vacancies will be posted and filled as described in Article 14.
- B. University-Wide Posting--If a job vacancy remains after completion of the procedure outlined in A, notice of the vacancy will be posted on designated University bulletin boards indicating that a vacancy exists. Details of the vacancy will be provided in the notice of vacancy.
1. Vacancies will be posted for a period of seven (7) calendar days. Any eligible employee who is interested in the position should apply online. If employees are unable to apply online at a time other than during their regular working hours, the employee shall consult with their supervisors to schedule a mutually agreeable time to make application.
 2. The University will furnish a copy of the posting to the Union on the date of the posting.
 3. The position will be filled by the University on the basis of selecting the applicant with the greatest University-wide seniority who is qualified. (To be considered qualified the employee must meet the minimum experience requirements listed on the posting by providing verifiable documentation of experience and pass any applicable examinations.)

Whenever possible, the position will be filled within fourteen (14) calendar days following the date of selection, absent an Agreement between the University and the Union.

4. Following selection, the University will furnish the Union with posting information indicating the employees who bid, the employee selected and the seniority of the employees who bid.
- C. All internal postings will be posted electronically and on bulletin boards and bid on electronically.
 - D. A vacancy may be filled on a temporary basis during the operation of the posting procedure by a temporary transfer. Unless mutually agreed upon by the parties, the temporary transfer will not last longer than thirty (30) calendar days.
 - E. Employees will be considered for internal job vacancies only after they have completed their initial prescribed probationary period. The prescribed probationary period may be lowered by up to one half, by mutual agreement, if there are no other qualified applicants within the Bargaining Unit. Employees who have not completed their initial probationary period that apply and meet minimum qualifications will be considered for vacancies posted to the public.
 - F. Part-time employees, other than part-time employees in Culinary Services, may only apply for full-time vacancies during the University wide posting. Part-time employees in Culinary Services may apply for full or part-time vacancies within their classification series during the in- department posting.
 - G. The University will notify employees of any test required by each job posting. The University will have relevant reference materials available for employee use in preparing for tests.
 - H. Once an employee has accepted a permanent position, the employee will be considered in that position for all purposes under Article 14(A).
 - I. An employee on a Leave of Absence, other than a Family Medical Leave, may apply for and be considered for a posted vacancy if the employee has a return to work date within thirty (30) calendar days of the time the position is awarded.

An employee on a Family Medical Leave may apply for and be considered for a posted vacancy if the employee has a return to work date within thirty (30) calendar days of the time the position is awarded or at the expiration of the employee's Family Medical Leave, whichever is longer.

If the affected employee is awarded the position and is unable to return to work at the required time, the position will be awarded to the next senior qualified applicant who applied during the original posting period.

- J. Temporary Transfer: Employees in Culinary Services may be temporarily transferred within the affected employees' departmental classification, due to operational needs of the University. In making temporary transfers, when practical, volunteers will be sought first from the transferring location, on the basis of seniority. In the event the number of volunteers is insufficient, the University will temporarily assign employees as needed.

Temporary transfers may be used for varying spans of time for less than a shift up to 15 work days (120 hours) per calendar year. While temporarily transferred, an employee shall remain on the

employee's original overtime roster but remain eligible to work overtime contiguous to the shift in the venue/department to which they are temporarily transferred. Contiguous overtime hours performed shall be applied to the overtime roster of the employee's home venue.

Departments will continue to use temporary postings as appropriate.

- B. Advancements are subject to the need of the University for an employee to perform the work on a regular basis and to the employee serving the required MTRC. Upon notice by an employee to the department supervisor during the thirty (30) day period prior to completion of the MTRC, the employee shall be subject to a written and practical examination designed to determine the ability of the employee to perform the duties of the higher position. The composite score of both examinations shall be in accordance with Article 21. If an employee passes the examinations, the employee will be advanced to the next higher position, effective on the date the employee completed the MTRC. If an employee fails the examinations, the employee shall not be permitted to take the examinations for a period of six (6) months from the date of examination failure; if the employee passes subsequent examinations, the employee's advancement will be effective on the date of passing the subsequent examinations. If an employee first achieves the MTRC, and then requests and passes the advancement test, the employee will be awarded the higher pay effective on the date the test was successfully completed.

Employees who enter the Apprentice Shop will be at the Maintenance Repair Worker 1 level.

Employees who enter the maintenance shops at a Maintenance Repair Worker 2 level will automatically progress up to the Maintenance Repair Worker 3 level after completion of the requirements above. Progression to the Maintenance Repair Worker 4 level will require that an opening occurs and that the time in grade and testing be completed.

Written examinations shall be administered by UHR at a location other than the employee's worksite. Practical examinations shall be conducted by the employee's departmental supervisor and monitored by University Human Resources.

- C. Credit for previous experience in any classification or in work outside the University will be given when all of the following are met:
1. When the experience is directly related to the kind of work specified for the classification.

2. When the experience was done for verifiable compensation.
3. When the experience was performed under the direction of a professional in the field.

Credit will be given to current employees at the rate of one (1) month for every one (1) spent in applicable work in a different classification when it conforms with C (1, 2, and 3) above. In special cases, for long-service employees, sufficient credit may be given to get the employee to the second level in the progression ladder immediately, provided the previous experience is deemed satisfactory to meet the requirements set forth in the class specification. Credit will be given for previous experience outside the University (including U.S. military service) at the rate of one (1) month for every one (1) spent at directly related work and satisfactory verification of such experience must be in accordance with C (1, 2, and 3) above and presented at the time of application for placement in any position in order that such credit may be applied. In no case, however, will an employee spend less than fifty percent (50%) of the required time at each level outlined in subsection A herein.

Any promotions made through this Article shall not be considered vacancies as defined by Article 14.

ARTICLE 16 CLASSIFICATIONS

- A. The University will establish and maintain a job classification plan for all positions covered by this Contract. The jobs shall be grouped such that all positions with similar duties and responsibilities are described by the same title and assigned to the same pay range. Each class of positions shall be assigned a classification number and classification title. A specification describing the duties and responsibilities of the class and the minimum qualifications for being employed in a position in said class, will be maintained for each class of positions. Each specification shall include statements of the essential character of the work of the classification; essential knowledge, abilities, and skills; and the minimum training and experience required of persons who are to fill positions so classified.
- B. Related classifications, which form a career progression, shall be assigned to a classification series. If, during the life of this Contract, there is an additional class(es) added to a departmental classification series, the Union shall be notified of the newly modified departmental classification series within 30 days. For purposes of this Contract, the following shall constitute the classifications and departmental classification series of all positions in the Bargaining Unit.

- D. Should there be a dispute over the University's determination of the wage rate for a new classification in the Bargaining Unit, said rate will be negotiated by the parties in a regularly scheduled Labor-Management Meeting. In the event of impasse, the Union may file a grievance at Step 2 of the Grievance Procedure.
- E. Either the Union or the University may request that a position be audited by University Department of Human Resources for the purpose of evaluating and reclassifying the position. The request will be in writing and will include evidence that the duties of the position have changed significantly from the duties described in the current classification description of the position. Upon mutual agreement between the Union and the University, the position will be audited. If a classification is changed as a result of a job audit, the University will post the position in accordance with Article 14.

If the parties are unable to agree on the reclassification of a position, the dispute will first be submitted to the Labor Management Committee for resolution. If the parties are still unable to reach an agreement, the Union may submit the dispute in the form of a grievance to Step 2 of the Grievance Procedure.

ARTICLE 17

PAY PLAN

- A. All employees covered by this Contract shall be assigned to a pay range and paid a salary or wage in accordance with Appendix A. Article 18, *Wages*, will be used in determining actual pay rates and

ranges in effect. Assignment to a pay range shall be the result of a formal classification action. The pay schedule of all full-time and permanent part-time employees shall be on a biweekly basis, with amounts computed on an hourly basis.

- C. In assigning or reassigning any employee to a different departmental classification or to a new pay range, other than as a promotion, the employee shall be assigned to the appropriate pay rate in the pay range, pursuant to Article 18 and Appendix A of the Contract.
- D. All employees who were in the Bargaining Unit on March 1, 2010 and were receiving longevity pay as of that date will continue to receive the longevity supplement amount, with no increase in the longevity pay, for the term of this Contract. No other present or future Bargaining Unit Employees will receive any longevity pay supplements.

In no case will a longevity pay supplement be included in the base rate of pay.

- E. All employees, covered by this Contract, shall receive their pay by direct deposit. All employees shall be assigned to a biweekly payroll calendar. New employees receive their initial pay checks two (2) weeks after the end of the pay period in which their employment began.

ARTICLE 18 WAGES

- A. This Article on wages is the sole source of rights and obligations of the parties to this Contract in these matters. Furthermore, the following language supersedes all provisions applicable to Bargaining Unit Employees in the Ohio Revised Code and/or the Rules of the Ohio Department of Administrative Services relative to wages. Bargaining Unit Employees will be paid in accordance with the classification and pay plan set forth in this Contract.
- B. Pay schedules, pay ranges, pay levels, and pay rates shall be as set forth in Appendix A of this Contract. **Appendix A shall be amended to reflect wage increases as follows: 2023-2024 (FY24) – 2%; 2024-2025 (FY25) – 2%; 2025-2026 (FY26) – 2%.
- C. Employees hired on or before 3/01/00: An employee hired on or before 3/01/00 who is appointed to a different classification in the same pay range shall receive the base rate of pay in Pay Step “E” established for the position pursuant to Appendix A of the Contract.
- D. An employee hired on or before 3/01/00 who is appointed to a higher rated classification (promotion) shall receive the higher rate of pay in Pay Step E for that classification pursuant to the wage rates of

Appendix A.

- E. An employee hired on or before 3/01/00 who voluntarily or involuntarily demotes to a lower rated classification shall receive the lower rate of pay in Pay Step E for that classification pursuant to the wage rates of Appendix A, and shall not retain his/her former rate of pay.
- F. Effective 03/02/00, a new five step wage scale was implemented for all employees hired on or after 3/02/00.

1. New employees will be placed in Step A within their Pay Range.
2. Upon completion of the new hire probationary period, affected employees will move to Step B within their Pay Range. The date that affected employees move to Step B will become their anniversary date for purposes of advancing through the step structure within the pertinent pay range.
3. Thereafter, employees will advance yearly on through the remaining steps in their Pay Range.

G. New Employee Promotions

Employees shall promote to the same step in the higher Pay Range (e.g. If a Custodial Worker in Pay Range 02, Step B, promotes to a Maintenance Repair Worker 1, the employee would move to Pay Range 04 at Step B.) The date of the promotion to the higher pay range will become their anniversary date for purposes of yearly step advancement through the pay ranges.

H. New Employee Demotions

Employees demoting, voluntarily or involuntarily, will demote to the lower Pay Range and maintain their step within the lower Pay Range. The affected employee shall not retain their former rate of pay. The date of demotion to the lower Pay Range will become their anniversary date for purposes of yearly step advancement through the Pay Range.

I. New Employee Appointment to a Different Classification in the Same Pay Grade

An employee appointed to a different classification in the same Pay Range will maintain their step within the Pay Range and will not experience a new anniversary date for purposes of step advancement through the wage scale.

J. Special Hiring Circumstances

The University and Union may agree, where appropriate, to hire an employee into a classification at a wage step higher than Step A.

- K. Employees who work fifty percent (50%) or more of their shift after 3:00 p.m. shall receive a shift differential of twenty-five (\$.25) cents per hour. Employees who work fifty percent (50%) or more of their shift after 11:00 P.M. shall receive a shift differential of thirty-five cents (\$.35) per hour.

- L. **Weekend Differential:** Employees who are normally scheduled to work weekends shall receive a twenty (\$.20) cents per hour weekend differential for all hours in active pay status for normally scheduled weekends.
- M. If during the term of this Contract, the annual base wage increase provided in this article is less than the base wage increase for non-Bargaining Unit classified staff, the University will adjust the Bargaining Unit rates as required to make the base wage adjustment the same percentage for each group of employees.
- N. Employer shall pay regular bargaining unit employees employed at the time of execution of the Collective Bargaining Agreement a one-time lump sum payment in the amount of Two Thousand Dollars (\$2,000.00), in accordance with customary procedures of University, subject to withholdings as required by federal, state, and local laws and deductions as are authorized and permitted by University policies and procedures. Such payment shall be made on or before June 30, 2023

ARTICLE 19 APPOINTMENTS

- A. All appointments to positions in the Bargaining Unit shall be made in accordance with Article 14, 15, and 16 of this Contract. All original appointments to a Bargaining Unit position shall be for a probationary period of 120 calendar days. No appointment is final until the employee has satisfactorily completed the new hire probationary period. Service toward the completion of a probationary period shall have been in the same class in the same department for a continuous period of time. Employment on a temporary or casual basis, though in the same class, shall not count toward the completion of any probationary period.

In the event of a departmental reorganization or, a reorganization which involves the closure or merger of a department or segment of a department as defined in this Agreement, the University may reassign employees without going through the layoff and job abolishment procedures set forth in Article 12 or the job posting provisions in Article 14 if the reassignment does not change the classification or essential job duties of the affected employees. If such a reassignment occurs and more than one employee is involved, employees will be given preference for reassigned positions based on seniority.

- 1. In the event of a Culinary Services permanent or temporary closure of a department or segment of a department, Article (19)(A) may be utilized and/or Article (12), if a reduction in force is deemed appropriate. Upon reopening, the employees, unless they bid on and were awarded another position during the closure, shall be reassigned to their original department, or segment of department, pursuant to Article (19)(A), in the number deemed appropriate by Management. Positions not filled by reassignment will be posted in-department.
- B. If the service of a new hire Probationary Employee is unsatisfactory, the employee may be removed at the University's discretion. A Probationary Employee cannot grieve discipline or discharge. Probationary Employees shall have no seniority rights until completion of the probationary period at which time they will be credited with seniority in accordance with Article 12 (A).
- C. For purposes of this Contract, the following definitions shall apply:

LATERAL MOVE: the appointment of an employee to a different position which is assigned the same pay range as the employee's previous position.

DEMOTION: the appointment of an employee to a different position which is assigned a lower pay range than the employee's previous position.

LATERAL TRANSFER: The appointment of an employee to a different work location or shift in the same classification, in the same segment/department.

- D. All appointments resulting in the promotion of an employee covered by this Contract shall be for a probationary period of 120 calendar days. If the service of a Probationary Employee is unsatisfactory, they may be returned at any time prior to the 121st day to the same (or similar) class they occupied prior to the most recent appointment. A corresponding reduction in salary shall take place if appropriate. All appointments resulting in a lateral move (except in the same classification in the same segment/department) or a demotion shall be for a probationary period of 90 calendar days. In the case of a lateral move or voluntary demotion, if the service of such a Probationary Employee is unsatisfactory, they may be returned at any time prior to the 91st day to the same (or similar) class they occupied prior to the most recent appointment. In the case of an involuntary demotion, if the service of an employee is unsatisfactory, they may be terminated any time prior to the 91st day. Such termination shall include two (2) weeks' notice prior to the effective date of termination or two (2) weeks' severance pay. Such notice or pay shall be based on the employee's normal work week and base rate of pay. A termination following a demotion may be appealed at Step 2 of the Grievance Procedure. Voluntary demotions and lateral moves in the same classification in the same department shall have no probationary periods.
- E. Performance Evaluations
1. Probationary Evaluations shall be conducted twice prior to the end of any probationary period (once toward the middle and once toward the end).
 2. Annual Performance evaluations shall be done once each year.
 - a. Prior to the employee's anniversary date; or
 - b. They may be conducted during a predetermined time frame in lieu of the anniversary date. Employees in departments conducting such evaluations shall be notified of this deviation from anniversary evaluations.
 - c. At the discretion of a department, annual performance appraisals may be waived for the fiscal year, with notice to the Union and the Director of Employee and Labor Relations on or before July 1st of each year.
 3. Special performance evaluations may be conducted at any time to apprise employees of unsatisfactory work performance or exceptional performance.

4. Evaluations shall be conducted by the immediate supervisor and reviewed by the department head.
 5. Evaluations are not subject to the grievance procedure. Actions taken as the result of a performance evaluation may be subject to the grievance procedure.
- F. If an employee is assigned to perform the duties of a higher paying classification for a period of four (4) or more consecutive hours, the employee shall receive the higher rate of pay for all time worked in the higher classification. An employee who is plus-rated to a higher classification will be plus-rated to the higher wage classification at the step the employee currently holds. If an employee is assigned to perform the duties of a lower paying classification, the employee shall not suffer a reduction in pay. The University shall not assign employees to continually perform the work of a higher paying classification for a period of less than four (4) hours for the purpose of avoiding plus-rate. Qualified employees will sign-up for plus-rating and will be offered assignments to higher paying classifications on a rotating seniority basis within the department or appropriate segment/venue of a department. It will be up to Management in the department or segment/venue of a department to determine whether an employee is qualified for the higher assignment. Qualifications may be determined by a test designed to fairly test the employee's ability to discharge the duties of the higher paying classification. If an employee does not agree with Management's determination that he or she is qualified to be eligible for plus-rating, the employee may request that he or she be permitted to take a test in order to determine the employee's qualifications for the assignment. Upon successfully completing the test, the employee will be eligible for the next applicable plus-rate occurrence. If an employee's performance in the higher classification is not satisfactory, the employee may be removed from the rotation.

The plus-rate roster will operate similarly to the scheduled overtime equalization roster:

1. A plus-rate occurrence of less than 45 calendar days equals the length of the plus-rate assignment, (i.e., the term of the absence or the term of the department's need), and any plus-rate assignment of 45 or more calendar days will be filled, as needed, by a temporary posting;
2. An employee who is not available for plus rating (on temporary assignment outside the segment/department, on temporary assignment outside the Bargaining Unit, or on leave for more than two (2) weeks) will be charged on the plus-rate equalization list as if the employee was asked but refused the plus-rate. However, if the employee is on temporary assignment outside the segment/department or on leave for less than two (2) weeks the employee will not be charged on the plus-rate equalization list unless the employee was contacted and refused the plus-rate. In such cases the University is not obligated to make an offer of plus-rating. In no event will the University be required to create an overtime opportunity to permit the employee to continue in a temporary assignment and assume the plus-rate position.
3. If an employee refuses, the plus-rate will be charged on the plus-rate roster for the number of plus-rate hours actually worked.
4. If everyone on the plus-rate roster declines the plus-rate, the junior qualified employee in the segment/venue (whether or not the employee is on the plus-rate roster) will be required to work the plus-rate.

5. If the plus-rate is less than 8 hours, but 4 or more hours, the plus-rate will be offered by rotational seniority, based on the least aggregate hours, to the qualified employees on the shift. The University is not required to create an overtime opportunity to fill the plus-rate position.
6. Backfill – If a temporary day shift vacancy of a week or more occurs due to filling a plus-rate need or other departmental need, the venue will notify employees of the temporary vacancy and will offer the temporary day shift vacancy on a rotational seniority basis. The offer of the temporary day shift vacancy will be contingent on and based upon operational needs.

If plus-rating is paid to the same position for 120 or more calendar days out of a 180 calendar day period, the position shall be posted and filled in accordance with Article 14, Section A (only) of this Agreement, except in cases where an employee is being plus-rated to fill a position temporarily left vacant by an employee on an approved leave of absence, and it is expected that the absent employee will return to work.

Plus rating shall not apply if: (1) an employee is temporarily assigned to perform the duties of a position to which the employee is eligible to progress in accordance with Article 15 of this Agreement or (2) an employee in an Apprentice Program is assigned to perform the duties of a position to which the employee is eligible to advance in accordance with the Apprentice Program Memorandum of Understanding.

Any actions under this Article shall not constitute a vacancy as defined by Article 14(B).

- G. Based upon the mutual intent of the parties to provide an opportunity for employees to receive a diversified experience in different departments and classifications, it is hereby agreed that employees shall not be eligible to apply for temporary labor pool vacancies in the same classification as the one in which an employee is currently serving. Department/segment, for the purposes of this Article, shall be as defined in Article 16 and as modified in Article 6(G).
- H. During each Ohio University Academic Summer Term, all Culinary segments (Baker University Center Culinary Services, Central Food Facility, Jefferson Marketplace, and Residential Dining Services) shall be combined and considered one segment for purposes of scheduling work locations. Employees' hours of work will remain but requests for flex schedules may be considered for this limited time period.

Upon completion of the Academic Summer Term, employees shall be returned to their original appointment, work location, and schedule.

ARTICLE 20 MANAGEMENT ORDERS

In the event of a dispute or grievance arising, which is not promptly and amicably adjusted between the supervisor and employee, said dispute or grievance shall be submitted through the regular channels provided under the Grievance Procedure. Pending a decision on the grievance, Management's orders shall be followed as given with regard to the employee involved. The University agrees to meet immediately with the employee and the Union over issues involving safety. Nothing in this Article is

intended to be a waiver of an employee's statutory right to refuse an unsafe work assignment.

ARTICLE 21 EXAMINATIONS

All applicants for positions who meet the posted qualifications shall be subject to examination.

Consideration of applicants may include an evaluation of such factors as related education, training, capacity, knowledge, manual dexterity, and physical or psychological fitness. Examinations may consist of one or more tests in combination. Tests may be written, oral, physical, demonstration of skills, or an evaluation of training and experiences and shall be designed to fairly test the relative capacity of the persons examined to discharge the particular duties of the position for which appointment is sought.

When a written and/or practical examination are administered to determine qualifications, a composite score will be used. The average score of the two tests shall be seventy percent (70%) or better to achieve a passing score. An employee must receive at least a sixty percent (60%) score on either a written or practical test to be eligible for promotion. If only one test is administered, Employee must receive at least a seventy percent (70%) score on the test to achieve a passing score. A passing score will remain valid from the date the score is recorded for a period of three years.

Employees who are scheduled for a written and/or practical examination that do not report to take the exam, without prior supervisor and proctor approval, or fail to complete the examination once it has begun shall not be eligible to test for the same classification for a time period of six (6) months. Employees who take a written and/or practical examination and do not successfully pass the examination shall not be eligible to test for the same classification for a time period of two (2) months in order to allow the employee time to study and prepare for potential future examinations.

Written examinations shall be administered by University Human Resources, or Human Resources' designee, at a location other than the employee's work site. Practical examinations shall be conducted by the employee's supervisor and shall be monitored by University Human Resources, or Human Resources' designee.

ARTICLE 22 GRIEVANCE PROCEDURE

It is the policy of Ohio University to deal fairly and promptly with all grievances brought to its attention by its employees who are members of the Bargaining Unit. It is the right of every member of the Bargaining Unit to use the prescribed grievance machinery without fear of reprisal.

A grievance under the terms of this Contract is defined as a dispute or difference between the University and the Union or between the University and an employee or employees concerning the interpretation and/or application of and/or compliance with any provision of this Contract, including safety and any and all disciplinary actions unless specifically precluded by this Contract; and when such grievances arise, the following procedure shall be observed:

A grievance must be filed in writing at either Step 1 or Step 2 no later than ten (10) work days following

the date of the occurrence of the grievance, or the date the employee should reasonably have learned of the event giving rise to the grievance. A grievance submitted for review may not be amended past the first (1st) step deadline, absent mutual agreement of the parties.

If a grievance of the same issue involves two (2) or more employees, only one (1) employee shall be the representative grievant for purposes of this procedure. Moreover, if the same issue occurs in a continuous, consistent or repetitive manner prior to the resolution of the original matter in accordance with this article, Union and Management shall hold related grievances in abeyance pending the final resolution of the original grievance.

When grievances arise, the following procedure shall be observed:

Informal Step: In an effort to amicably resolve disputes or differences, any employee claiming a grievance is strongly encouraged to discuss the potential grievance with their immediate supervisor immediately following the date of the occurrence of the grievance or the date the employee should reasonably have learned of the event giving rise to the grievance.

First Step: If the employee chooses to file a grievance under this Article, the grievance may be submitted by the employee and/or the employee's steward to the administrative head of the unit, or their designee, within ten (10) work days following the date of the occurrence of the grievance or the date the employee should reasonably have learned of the event giving rise to the grievance. The grievance shall be on the form designated by the Union with a written statement of the grievance and signed by the employee and the Steward.

The written grievance shall include the nature of the grievance, the specific section of the Contract alleged to have been violated and the specific relief requested. Within ten (10) work days following the date of the presentation of the grievance at the First Step, a meeting will be held between the President, Vice-President or district steward, the employee, and the employee's supervisor and/or administrative department head (or a designee) to handle the grievance at the First Step. The administrative head or a designated representative will give an answer in writing to the grievance within ten (10) work days following the date of the meeting. If this does not resolve the grievance, it may be appealed to the Second Step.

Second Step: Within ten (10) work days following the date of the written response to the First Step, the grievance may be appealed in writing to the Chief Human Resource Officer or a designated representative, by the Union. The grievance shall be heard at a mutually agreeable date and time for the parties. The grievant and not more than three (3) representatives of the Union will be entitled to attend the hearing. Management may have not more than four (4) representatives in the hearing. Both the Union and Management may call witnesses into the hearing. The parties may mutually agree to establish other days and times to hear grievances. A decision will be given in writing by the Chief Human Resource Officer or a designated representative within twenty (20) work days following the date of the Second Step meeting.

For purposes of grievance procedure time limits, work days herein shall be defined as Monday through Friday. Holidays will be considered work days for purposes of time limits herein.

Arbitration: In the event the Second Step is unable to resolve the grievance, the Union must initiate any arbitration appeal by filing a written arbitration demand with the University within twenty (20) work days following the date the Union received the University Second Step written response for the grievance to

remain valid. Within thirty (30) days of advancing the grievance to arbitration, the Union will request a panel of arbitrators from FMCS. Within fourteen (14) days of receipt of the panel the parties will select an arbitrator using the "strike method". The arbitrator will be notified of his or her selection by a joint letter from the parties. The letter will include a request that the arbitrator set a date and time for the hearing, subject to the availability of the Union and University representatives. These time lines may be extended by mutual agreement of the parties, but in no event will the arbitration be held more than eighteen (18) months from the date the grievance is appealed from the Second Step hearing.

Said arbitrator shall have no power to add to, or subtract from, or modify any of the terms of this Contract, nor shall the arbitrator substitute their discretion for that of the University or the Union where such discretion has been retained by the University or the Union, nor shall the arbitrator exercise any responsibility or function of the University or the Union.

The fees and approved expenses of the arbitrator shall be paid equally by the parties.

The cost of any transcript of the arbitration hearing shall be the responsibility of the requesting party, except that whenever the other party procures a copy of the transcript, the total cost of all transcript copies, Court Recorder fees and all other associated costs shall be paid equally by the parties.

The arbitrator's decision shall in all respects, conform with the terms of this Contract. The arbitrator's decision must be rendered within thirty (30) days following the closing of the arbitration hearing and the decision shall be final and binding upon the University, the Union, and the employees covered by this Contract.

Grievance Mediation: Once a grievance has been appealed to arbitration by the Union, the parties, upon mutual agreement, may request the assistance of a mediator appointed by the FMCS or SERB to conduct a grievance mediation session. The mediator shall conduct the session at least thirty (30) days prior to any scheduled arbitration hearing. The session will be done in an informal manner as determined by the mediator. The mediator will attempt to resolve the dispute and may make recommendations to the parties regarding the settlement of the dispute. The recommendations of the mediator are not final and binding and any settlement of the grievance at this step will be based upon the mutual agreement of the parties. If the parties are unable to resolve the grievance through mediation, the mediator will provide the parties with an immediate oral advisory opinion, unless waived by mutual agreement of the parties. If grievance mediation is agreed upon, all timelines will be on hold until completion of the mediation.

Time Limits: Any time limit set forth in the grievance procedure may be extended only by mutual written agreement.

Withdrawal of Cases: A grievance may be withdrawn without prejudice at any time prior to arbitration, and if so withdrawn, all financial liabilities shall be canceled. Should an arbitration case be withdrawn after the selection of an arbitrator, all arbitrator fees and expenses shall be shared equally by the parties.

The procedures set forth in this Article shall be the sole and exclusive procedures for resolving any grievance or dispute which was or could have been raised by an employee covered by this Contract. It is expressly understood that the procedures set forth in this Article completely replace (and are not in addition to) any appeal process of the State Personnel Board of Review or of any such set of procedures.

Implementation:

1. Release of a grievant to consult with Union representatives at Step 1 and Step 2 prior to any hearing must be approved in advance by the grievant's immediate supervisor and is subject to the operational needs of the department. Release time shall not be unreasonably denied.
2. Release of any other employees as witnesses for the Union at Informal, Step 1, Step 2, or pre-arbitration meetings to either consult with Union representatives or attend hearings, must be approved in advance by the employee's immediate supervisor and is subject to the operational needs of the department, as well as the Union's establishment of the relevance of said employee's presence at the meeting or hearing. Release time shall not be unreasonably denied.
3. Union representatives may consult with employee grievant/s and/or employee witnesses for the Union one-half (1/2) hour prior to the time of the Step 2 hearing and one (1) hour prior to the time of any arbitration hearing, provided at least eight (8) hours advance notice is given to the Director of Labor Relations, Director of AFSCME Ohio Council 8, or the President of Local 1699 as to the names of employees attending the Step 2 and/or arbitration hearings. Employees will be released for the applicable one-half (1/2) or one (1) hour period prior to the hearing unless an unusual emergency work need exists which precludes the work release of employees. Employees will be released for any necessary hearing time.
4. Release time, herein, will be paid at the employee's straight time hourly rate only. There shall be no pay for any time an employee is involved in the grievance process outside the employee's normal work hours.
5. Other than the release time as prescribed herein, no employee will be released from work duty during the grievance process.
6. All release time as prescribed herein shall be on the premises of Ohio University and employees are expected to return to work immediately after any consultation or hearing as prescribed herein, and to notify their immediate supervisor immediately upon their return to work.

**ARTICLE 23
UNION STEWARDS**

The number of representation districts in the unit shall be fourteen (14) unless the number is increased or decreased by agreement between the University and the Union. The University and the Union may redistrict the unit from time to time by agreement.

It is mutually recognized that the principle of proportional representation which reflects the increase in the work force is a sound and sensible basis for implementing this section of the Contract.

- A. In each district, employees in the district shall be represented by a District Steward who shall be an employee covered by this Contract and working in the district.
- B. As it relates to grievances, District Steward, in their own district, in accordance with the terms of this section, may investigate and present grievances to the University at the Informal Step as outlined in

Article 22. The Union President shall serve as the Union Representative at all First and Second Step Grievance meetings also in accordance with Article 22. When the District Steward is absent from campus during their regularly scheduled shift, it is understood that the President may assume the responsibilities of the District Steward. When the President is absent from campus during their regularly scheduled shift, the Vice-President will, in accordance with the terms of this section, investigate and present grievances to the University. In the absence of the District Steward, Vice President and President, Union table officers, on their non-work hours, may investigate and present grievances to the University.

- C. The Union President shall be an employee in a classification within a department covered by this Contract. The Union President will not be assigned to a specific job station or shift in order to afford the President maximum opportunity to meet their responsibilities. However, the Union President shall not have the right to remain on all overtime lists that the President would normally be on.
- D. The Union President is afforded a full release opportunity with the intention the President shall serve as the primary representative in all Union matters, in turn minimizing or eliminating the need for release time for other Union officers. In mutual cooperation, Union President shall maintain and utilize the University common calendaring system to reflect their availability. At the same time, Management will utilize the calendar of the Union President to schedule union matters at a mutually agreeable time. Moreover, President will prioritize management meetings over other previously scheduled and unscheduled events. In cases where the President is absent, unable to attend, or when invited by mutual agreement of the parties, the Vice-President may attend management meetings related to Union matters.
- E. The privilege of stewards or the Vice-President leaving their work is subject to the understanding that the time will be devoted to the prompt and proper handling of grievances and the privilege will not be abused.
- F. Stewards and the Vice-President will perform their regularly assigned work at all times except when necessary to leave their work to handle grievances as provided herein and in accordance with Article 22.
- G. Before leaving a work assignment, a steward and/or the Vice-President must have approval of (1) their immediate supervisor and (2) the supervisor of the employee whose grievance is being investigated.
- H. An appointed time for the grievance investigation is subject to departmental operating requirements.
- I. Any alleged abuse by either party will be a proper subject for a Labor-Management Meeting.
- J. The Union will furnish the Chief Human Resource Officer with the names of its authorized representatives, stewards, and members of its Grievance Committees, and such changes as may occur from time to time in such personnel, so that the University may at all times be advised as to the authority of the individual representatives of the Union with which it may be dealing. The University will, through the Chief Human Resource Officer, keep the Union advised as to its representatives. An employee will not be paid at any time that he/she is present during the processing of a grievance if the time falls outside normal working hours.

ARTICLE 24
LABOR-MANAGEMENT MEETINGS

In the interest of sound Labor Management relations, the University and the Union will meet for a Labor Management Conference at the request of either party to discuss matters of mutual concern. A reasonable meeting place shall be designated by University Human Resources.

The purpose of such meetings shall be to:

1. Discuss the administration of this Contract.
2. Notify the Union of changes made or contemplated by the University which may affect the bargaining unit members of the Union.
3. Discuss broad issues that relate to grievances that have been filed; however, specific grievances are not a proper subject and shall not be discussed at labor management meetings.
4. Disseminate general information of interest to the parties.
5. Give the Union and University the opportunity to exchange the views of Union members and the University.
6. Inform the Union of changes in the status of employees on the seniority list.

Not more than six (6) representatives of the University and not more than six (6) Union representatives, including one (1) Staff Representative, may attend the meeting. With advanced notification and upon mutual agreement of the parties, additional parties may be invited to the meeting if their input is germane to the agenda.

Agenda items must be submitted by either party to the other at least seventy-two (72) hours in advance of such Labor Management Conference. If an agenda is not completed at least seventy-two (72) hours in advance of the labor management meeting, the meeting shall be cancelled. Only those items submitted timely and placed on the agenda will be addressed at the Labor Management Conference, unless the parties mutually agree otherwise.

Union representatives shall receive release time to attend the labor management meeting. Release time must be approved by the union representative's immediate supervisor and reviewed based on operational need; however, release time for labor management meetings will not be unreasonably denied. Release time, herein, will be paid at the employee's straight time hourly rate only. There shall be no pay for any time a union representative is involved in a labor management meeting outside the employee's normal work hours. Employees are expected to return to work immediately after the labor management meeting as prescribed herein, and to notify their immediate supervisor immediately upon their return to work.

ARTICLE 25
OCCUPATIONAL HEALTH

A. Occupational Health Program

1. In the interests of employees' health and safety, University Human Resources, by and through the Risk Management and Workers' Compensation Division, has established and maintain an Occupational Health (Workers Compensation) Program for employees. The Occupational Health (Workers Compensation) Program is governed by University policy and is established in accordance with the Ohio Workers' Compensation laws prescribed in the Ohio Revised and Administrative Codes that provide for a system for compensating employees who suffer injury or occupational disease in the course and scope of their employment.
2. Accordingly, the University may:
 - a. Require a pre-placement medical evaluation for job applicants selected for employment.
 - b. Provide, within limitations of the program, medical services for employees who suffer an occupational illness or injury.
 - c. Require medical clearance for employees returning to work from an authorized leave of absence.
 - d. Require medical clearance for employees returning to work after an extended absence for medical reasons of more than ten (10) consecutive work days or, at the discretion of the University, fewer days.
 - e. Require a physical evaluation to assist in proper placement of employees requesting change to a job classification requiring different or increased physical qualifications.
 - f. Require medical or fitness for duty evaluation if such evaluation is job-related and consistent with business necessity to meet the essential functions of the position. Such evaluations include: a fitness for duty certification upon an employee's return from leave for health reasons; or if the University has reasonable cause to believe either: (a) due to a medical condition, the employee presents a direct threat or (b) health problems have had a substantial or injurious impact on an employee's job performance
 - g. If an employee reports to work and becomes injured, the employee will be paid for the day.

B. Fitness for Duty Examination

1. University reserves the right to have an employee examined by a licensed medical provider chosen by the University for the following reasons: (a) Before permitting an employee to return to work after an illness, injury or disability, (b) If the employee presents a direct threat, or (c) If the University deems employee incapable of carrying out their regularly

assigned duties.

2. University shall pay the full cost of any required medical examinations requested by University, including travel to the examination. Employee shall be placed on paid administrative leave upon delivery of the notice of University's request of medical examination up to the date of receipt of the medical findings.
3. Employee shall sign a written authorization for the University to receive a written report from the examiner. This section shall constitute such written authorization in case the employee fails to sign a separate written authorization. Employee will also furnish information and medical documentation releases, if requested, regarding their current healthcare providers so the independent examiner may have access to the employee's medical history. Employee shall receive a copy of the written report. The Employer agrees to keep any report received confidential as a medical record.
4. If the employee disagrees with the medical report, the employee may obtain an independent examination by a licensed medical provider of their own choosing. Any independent report shall be furnished to the Employer, and the employee shall assume the full cost of such examination. In case the two medical reports are opposite in their findings, the two physicians or experts will appoint a third neutral licensed medical provider to issue a report or findings. The parties shall share the expenses of the third physician. The decision of the third examiner shall be binding upon the parties. If employee is unable to return to work or not fit for duty during the additional examinations, Employee shall utilize their personal accumulated leave during the absence.
5. Should the examiner deem the employee to be fit for duty and capable of carrying out their regularly assigned duties, then employee shall return to their regular assignment on the next regularly scheduled workday and the paid administrative leave shall be terminated.
6. Should the examiner deem the employee to be unfit for duty and incapable of carrying out their regularly assigned duties, then employee shall be removed from paid administrative leave and converted to employee's personal accumulated leave or other forms of medical and sick leave in accordance with this Agreement.

C. Restricted Light Duty

1. Employees on occupational injury leave, sick leave, or experiencing partial disability, may request or be directed to work restricted light duty provided they have written permission from a licensed physician enumerating the specific duties the employee is capable of performing and that the duties performed do not conflict with physician's written orders. The assignment and nature of the light duty assignments and duty hours, including flexplace and flextime arrangements, will be subject to University approval based on the operational needs of the University. The University may have their own physician examine the employee being assigned to a light duty appointment at any time prior to starting their assignment or during such assignments. In these instances, the University physician will make the ultimate decision as to the employee's performance capability. Light duty assignments will not last more than ninety (90) consecutive calendar days in a calendar year, absent mutual agreement of the parties.

ARTICLE 26

Meetings will be held once each month at a time and location mutually agreed upon by the parties. Each committee member shall be responsible for informing the Chair at least twenty-four (24) hours before the meeting of any agenda item the member wishes to have discussed. A Union Representative may be present when such discipline is given. Employees who are called into meetings for the purpose of discipline shall be informed of their right to have a Union Representative present. The Local Union President shall receive a copy of any disciplinary action against any Bargaining Unit employee.
- F. Any employee who has been disciplined by suspension or discharge will be given a written statement describing the reason or reasons for which the employee has been suspended or discharged.  9. Employees returning from FMLA leave will be returned to their former position.
- C. Medical - Any employee who has completed the new hire probationary period and who has exhausted his/her accumulated sick leave may be granted a leave of absence for illness for a period not to exceed six (6) months, including any unpaid FMLA leave taken for serious personal illness, in a twelve (12) month period (rolling year). In such event, the certificate of the employee's physician shall satisfy medical proof requirement of said disability. A certificate of the employee's physician stating the disability no longer exists and that the employee is fit to return to the employee's former classification shall be required before the employee returns to work, concluding the disability leave. Insurance coverage shall be continued for employees who are on either medical or FMLA leave and/or subsequent disability leave for a period not to exceed six (6) months for the combined leaves of absence.

Any employee on approved disability leave or who has been separated from employment without delinquency or misconduct on his/her part, may be reinstated to a same or similar position within five (5) years from the date of such separation. An application for reinstatement shall not be filed after the date an employee is eligible for service retirement.

- E. Union Business - The Union may request a paid leave of absence not to exceed forty-eight (48) aggregate days during any one calendar year. The Union shall request and the University may grant, at its discretion, said leave for employees to attend Union functions, and/or provide services to the Union, as the Union deems necessary. Such leave will be granted whenever practicable. The Union agrees to provide the University's Director of Labor Relations with each request for Union business time under Article 34 (E). Insurance coverage will continue during the period of such leave. The Union will reimburse the University for the cost of such leave. The reimbursement will include the cost of the employees' hourly rate and direct payroll contributions made by the University on behalf of the employee. The Union and Management agree to meet on an as needed basis to discuss additional paid leave of absence, should there be a request by the Union, beyond the forty-eight (48) aggregate days permitted under this section.

An employee with one (1) year of service, who accepts a full time assignment with the International Union or the Council, by election, appointment, or hire, shall be granted a leave of absence not to exceed one (1) year for said assignment. Upon application in writing, said leave shall be extended for an equal period of time. Insurance coverage shall not be continued during the period of such leave.

ARTICLE 39 EDUCATIONAL BENEFITS

It is the policy of Ohio University to provide educational opportunity for active or retired full-time and part-time Bargaining Unit Employees, their spouses, and their children. The benefits under this plan may vary according to employment status, and the program applies only to courses offered for credit by the University, including programs offered through independent study. Benefits under this policy shall be applicable to certain workshops, noncredit courses, audited courses, OPIE courses, special course fees, or

certain courses and programs delivered through Lifelong and Distance Learning as listed at: <https://www.ed2go.com/ohio/>. Fee structures of the University are subject to change without notice.

Employees must first satisfy employment demands, and will not simultaneously be full-time students. Consequently, no more than eleven (11) semester hours* of undergraduate courses and no more than eight (8) semester hours of graduate courses will be permitted per semester without approval from the appropriate department head and dean of the college.

To qualify for this tuition waiver, an employee must be on the payroll by the first day of the semester. (An employee on layoff status shall be qualified for this scholarship during the period of the layoff subject to the same limitations on number of credit hours.) This rule of eligibility also applies to employee spouses and employee children.

FULL-TIME AND PART-TIME BARGAINING UNIT EMPLOYEES

A. Employees

With supervisory approval, an employee may take one (1) course per semester during regular working hours and an additional course during non-working hours during periods of employment.

B. Fees

1. At the discretion of the department chair/head, a full instructional and general fee tuition waiver may be granted for course work which is directly related to the employee's current position. A full waiver is granted on a course-by-course basis, not for an entire degree program.
2. The tuition waiver for a full-time employee is equal to 100% of the instructional fee.
3. The tuition waiver for a part-time employee is equal to 50% of the instructional fee.

C. General Information

1. Requests for participation in the tuition waiver program must be submitted by semester by the

employee on a standard form which may be obtained from University Human Resources. The form must be completed by the employee and signed by the departmental authority granting the permission to enroll.

2. Time Spent Away from Work

Employees are encouraged to further their education, and therefore, department heads should attempt to assist, whenever possible, employees to take one course during working hours. However, there may be departmental demands as determined by the department head that make this difficult in any one semester, since position responsibilities take precedent over course work. Every effort should then be made to accommodate the course request in the subsequent semester. Any department head or employee who cannot reach accommodation within this two semester period should refer the matter to the Director of Employee and Labor Relations for final resolution.

If approved class attendance requires that the employee be absent from the employee's regular work schedule, the employee will not be compensated during the period of absence unless the course is required by the department head. Time spent in class may be required to be made up.

DEPENDENTS OF BARGAINING UNIT EMPLOYEES

Dependents of employees may take as many undergraduate or graduate courses as academically permissible. Dependents of employees who retired or have been placed on disability termination or died while employed shall retain the above educational tuition waiver. The tuition waiver for dependents of full-time employees is equal to 100% of the instructional fee (50% of the instructional fee for dependents of part-time employees). Information regarding the tuition waiver program for dependents may be obtained at University Human Resources.

A. Eligibility

Qualified dependents eligible for the tuition waiver are as follows: spouses, domestic partners, and biological, legally adopted, or legal guardianship children of the employee, employee's spouse, or employee's domestic partner.

B. Requirements

No particular class standing is necessary for the original awarding of this tuition waiver, except that the student must meet the admission requirements and complete the appropriate request forms.

C. Procedure

Ohio University Employees' children dependents (hereafter referred to as applicants) should request an application as early as possible in the year (March) preceding anticipated fall enrollment. Applicants wishing to commence study in a semester other than the fall semester should contact the University Human Resources as early as possible to ensure that they will be able to receive a tuition waiver.

Each applicant must complete an application, obtained from University Human Resources, requesting

a tuition waiver (children annually/spouses each semester).

The applicant and employee of Ohio University both sign and date the application and applicant returns the completed form to University Human Resources.

If the application is not filed in a timely manner it will be necessary for the child applicant to report to University Human Resources for the fee waiver. Spouses will need to personally receive their tuition waiver from University Human Resources - turning in the completed form and presenting their bill for enrollment.

RETIRED BARGAINING UNIT EMPLOYEES

Retired employees (including employees who are on disability retirement) are eligible for scholarship that is equal to 100% of the instructional fee (50% of the instructional fee only for spouses of part-time employees), based on their eligibility.

ARTICLE 41

OHIO UNIVERSITY POLICE DEPARTMENT

All provisions of the Contract will apply to employees in the classifications of Communication Officer 1, Communication Officer 2, and Communication Officer 3 except those provisions specifically amended or deleted by this Article as follows:

- A. Article 10 (Hours of Work and Overtime) (A)(1), (2), and (3) is amended as follows: 10(A) - The regular scheduled work week for permanent, full-time regular employees shall consist of forty (40) hours which shall consist of five (5) consecutive days of eight (8) consecutive hours per day. During the eight-hour shift, each employee will make arrangements for lunch at appropriate times at the assigned work location. Shift hours established by the Department and starting times may have to be staggered for individual employees. Senior qualified employees will be given preference for the Monday through Friday shift. The parties may agree on other schedules, e.g. four ten-hour days.

For the purposes of training and orientation, employees may be temporarily assigned to other shifts. Such temporary assignment shall not continue for longer than two (2) weeks, nor shall they occur

more than once for each shift in a calendar year. Employees who are reassigned under this Article shall not have their days off changed.

B. Article 11 (Equalization of Overtime) is replaced with the following:

EQUALIZATION OF OVERTIME

The within procedure will be used for assignment and equalization of overtime:

1. All Assignments known by OUPD management a minimum of 14 calendar days in advance of the assignment will be posted for a minimum of five (5) calendar days to allow employees to volunteer for the assignment. Such assignment will be assigned as outlined in Article 41(B)(6).

If an overtime assignment under this section is not made at least five (5) calendar days prior to that detail, Communications Officers working the detail will be compensated at two (2) times their normal rate of pay.

An attempt will be made by the supervisor or officer in charge to notify any Communication Officer not scheduled to work during the posting period of the overtime opportunity.

2. Any overtime opportunity that becomes available less than five (5) days in advance of the time the detail is scheduled to begin will be assigned using the following procedure:
 - a. Communication Officers will be contacted in order of least amount of accumulated overtime until a volunteer is obtained.
 - b. If a Communication Officer cannot be reached by telephone, the call down may continue as if the Communication Officer had refused the detail.
3. In situations where an unscheduled Communication Officer vacancy occurs during shift, and such vacancy creates an overtime opportunity, the overtime will first be offered by seniority to Communication Officers whose shift is contiguous to the vacancy. The University may utilize the call down procedure if sufficient volunteers from the contiguous shift are not obtained.
4. A newly hired employee will be put into the system and charged with the highest single amount of overtime hours on the record.
5. Overtime records are kept for the fiscal year. Each employee starts at zero on each July 1.
6. If not enough employees volunteer for a detail, the necessary number, from those available to work, needed to complete the detail will be assigned from qualified Communication Officers starting with the employee with the lowest number of accumulated hours, regardless of seniority, to the highest number of hours. Employees whose shifts begin or end within six (6) hours of the overtime detail will be assigned only if other employees are not available in the required numbers.
7. Other departmental employees' overtime shall be kept on a list separate from the Communication Officers.

8. All overtime records shall be posted and kept current by the University.
9. In the event volunteers are needed for concerts, basketball games, and related type events and there are not enough volunteers and assignments of personnel must be made, such time will be recorded on the board the same as if the individual had volunteered.
10. Communication Officers assigned to be on call will receive two hundred dollars (\$200) for each week they are on call. A Communication Officer assigned to "on call" status must carry a reliable means of communication at all times, must be duty ready, and capable of reporting for duty within one (1) hour of notification. The "on call" Communication Officer will be called in when all other means described in this section have been exhausted.

Any employee entitled to pay for overtime work may elect to take compensatory time off at rate of one and one half (1 ½) hours of overtime worked in lieu of cash payment. At no time shall the compensatory time balance exceed two hundred forty (240) hours.

C. Article 19 (Appointments) and 12 and 14 are amended as follows:

1. In 19(A), probationary periods for the Communication Officers shall be nine (9) months in length which may be extended by mutual agreement of the parties. An unsatisfactory probationary employee may be removed any time prior to completion of the probation.
2. In 19(E), performance evaluations for probationary Communication Officers shall be conducted toward the middle and end of the probationary period.
3. In 12 (K) the probationary period for a displaced employee is nine (9) months in length. If the affected employee does not meet the qualifications of the position at the end of the nine (9) month period the affected employee will be laid off with recall rights.
4. Any vacancies in the Communication Officer 1, 2, or 3 classifications will be posted to the public simultaneously with the Bargaining Unit wide posting. Upon review of the applications received, Management reserves the right to fill only the positions necessary to best serve the department. If the posting results in several candidates with prior experience as an emergency services dispatcher or emergency service communication officer, those employees will be hired into the department as a CO3 or CO2 (depending on years of experience) and the posting for a CO1 will be pulled and not filled. If the posting process does not yield experienced candidates for a CO2 or CO3 position, a CO1 position will be filled in accordance with Article 14.
5. All applicants (external and internal – i.e. Bargaining Unit Employees) for the position of a Communications Officer 1, 2, or 3 must successfully pass a battery of tests including a written competency exam, a comprehensive psychological evaluation, a polygraph or CVSA and a background investigation. Any employee who displaces into a Communication Officer position pursuant to Article 12 of the CBA will also be subjected to these same tests.

D. Article 40 (Uniforms) is replaced with the following:

1. Initial Issue: The Department shall maintain a Standard Equipment List (SEL) of all uniform and

equipment items to be issued and maintained for each communication officer. Upon appointment as a communication officer, the Department shall provide all new equipment and uniform accessories, as listed on the current SEL, with all required patches or other customization already attached or completed. All uniform items remain the property of OUPD and must be maintained by the employee in good working order and appearance.

Replacement of Uniforms and Equipment:

- a. OUPD shall repair or replace all issued uniforms and equipment items deemed no longer functional as a result of normal wear or damage that is not the result of employee negligence.
 - b. The employee shall repair or replace all issued uniform and equipment items deemed no longer functional as a result of employee negligence.
 - c. OUPD will not be responsible for the repair or replacement of personally owned uniform or equipment items deemed no longer functional regardless of the reason.
2. The University shall reimburse employees for reasonable cost of repair or replacement of watches and eyeglasses damaged in the non-negligent performance of their duties, not to exceed \$100 per item. Provided, however, the employee is not able to replace eyeglasses through a vision care insurance program.

ARTICLE 43 ALCOHOL AND OTHER DRUGS

SECTION 1. The Ohio University Alcohol and Other Drugs Policy and program is designed to prevent drug and alcohol problems within the University setting. The policy and programs are designed to identify problems at the earliest possible stage, motivate the affected individual(s) to seek help, and to direct the individual toward the best assistance available.

SECTION 2. The University recognizes that the use and abuse of alcohol and other drugs can seriously impair an employee's performance and is therefore a University-wide concern. Due to the University's concern, this Alcohol and Other Drugs Policy is instituted. This policy will permit the University to abide by alcohol and other drugs-related legislation initiated by federal, state, and local governments. Current legislation includes the Drug-Free Workplace (41 USC701) and the Drug- Free Schools and Communities Act (PL 101-226).

SECTION 3. Because faculty, administrators, and other supervisors are not trained to diagnose whether any employee suffers from alcohol or drug-related problems, referral for diagnosis and treatment will be based on the observed and documented decline of job performance standards. Records

pertaining to the diagnosis or treatment of alcohol or drug-related offenses or addiction will not be made part of the employee's personnel file and will be regarded as strictly confidential in all cases.

SECTION 4.

A. Alcohol and Other Drugs Awareness Program

Ohio University shall establish an alcohol and other drugs awareness program. Under this program, the University will regularly and periodically publish literature warning about the dangers of the abuse of alcohol and other drugs in the workplace or in any environment. The program will specifically cover the following major topics:

1. Health and safety concerns associated with drug abuse.
2. University policy regarding illegal drug or alcohol use.
3. Availability of counseling and assistance for employees.
4. Penalties that may be imposed for drug or alcohol abuse violations.
5. Continuing Education programs including:
 - a. courses,
 - b. professional development workshops and seminars,
 - c. literature and video tapes, and
 - d. knowledge and skills training for supervisors.

B. Employee Compliance with University Substance Abuse Policy

All Ohio University employees are expected to abide by the terms of this policy. An employee found to be illegally possessing or using alcohol, or other drugs or being under the influence of such, shall be subject to appropriate sanctions. A disciplinary sanction may include the completion of an appropriate rehabilitation program. Such sanctions may include referral for prosecution and/or termination of employment. Employees are guaranteed due process.

All University employees shall, as a condition of employment, abide by the following requirements:

1. Comply with the terms of the University's Alcohol and Other Drugs Policy.
2. Notify their administrative supervisor of any criminal alcohol or drug statute conviction for a violation occurring in the workplace no later than five (5) working days after receiving such conviction.

As required by legislation and upon receipt of notice under the preceding paragraph, the University shall notify the federal agency sponsoring grants or Contracts with the employee's

department. This notification shall take place within ten (10) working days after receiving such conviction notice.

C. Employee Discipline

Any employee who is chemically dependent will not be disciplined for disclosing this dependency. An employee who does not disclose such information will not be disciplined unless the dependency hinders the ability of the employee to perform on the job. If the dependency adversely affects the employee's job performance or poses a direct threat to the property or safety of the University or fellow employees, such employee shall be subject to sanctions, up to and including termination, consistent with due process. All disciplinary measures involving Alcohol and other Drugs Policy violation shall be reviewed with University Human Resources prior to issuance. This is to assure consistency and fairness in the implementation.

Upon receipt of a notice of an employee's work-related conviction for the violation of any criminal drug statute, the University shall within thirty (30) working days of receiving such notice:

1. Take appropriate personnel action against such an employee subject to established disciplinary procedures, up to and including termination, in accordance with requirements of due process; and/or
2. Require such employee to participate satisfactorily in an alcohol or other drugs abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency. If the employee is required to participate in such a program and refuses to do so, the employee will be subject to disciplinary action up to and including termination. The employee who does not satisfactorily complete the assistance/rehabilitation program is also subject to disciplinary action up to and including termination.

If disciplinary action under this Article is taken against an employee, the action will be subject to the grievance procedure.

SECTION 5. Employee Assistance Program (refer to Policy #41.130)

The University shall operate an Employee Assistance Program (EAP) that shall be monitored through University Human Resources. For details of the EAP, refer to Policy #41.130.

ARTICLE 44 DRIVERS OF COMMERCIAL MOTOR VEHICLES

SECTION 1. It is the policy of Ohio University that persons who operate motor vehicles while in the course of University business shall comply fully with all applicable laws and regulations which govern operator certification and licensing. The heads of each department or office are responsible for ensuring that their vehicle operators meet state requirements and University standards.

SECTION 2. Under the provisions of state and federal law, operators of certain types of vehicles including vehicles which are used to transport certain types of cargo are required to obtain and possess a

Commercial Driver's License (CDL). This includes persons employed in any capacity when driving a vehicle which is identified as a Commercial Motor Vehicle (CMV).

SECTION 3.

A. Individuals must have a valid Commercial Driver's License to operate any of the following vehicles:

1. A single vehicle with a gross vehicle weight rating (GVWR) of more than 26,000 pounds;
2. A combination vehicle or vehicle towing a trailer with a combined GVWR of 26,000 pounds or greater;
3. A vehicle designed to transport 16 or more persons (including the driver);
4. A "hot shot" (vehicle with bed-mounted fifth wheel towing trailer) with a combined GVWR of less than 26,000 pounds where the cargo is regulated by the Public Utilities Commission of Ohio;
5. A vehicle (including automobiles) used to transport hazardous materials of the following types:
 - a. Any amount of Class A or Class B explosives, Poison A, flammable solids (labeled dangerous when wet); or radioactive material, (Yellow III Label), Uranium hexafluoride fissile (containing more than 1% U255), Uranium low specific activity (containing 1% or less U235).
 - b. 1,000 pounds or more of Class C explosives, nonflammable gas including fluorine gas and cryogenic liquid oxygen, flammable gas, flammable liquid, flammable solid, oxidizers, organic peroxide, corrosive, irritates, chlorine (in container with 110 gallon capacity or more), or combustible liquid (in container with 110 gallon capacity or more), also blasting agents and Poison B.

B. CDLs are available in three categories, Class A, Class B, and Class C depending upon type and size of vehicle. In addition, separate endorsements are required for the operation of vehicles with air brakes, carry more than 15 passengers (including the driver), transport hazardous materials, carry 1,000 gallons or more of a liquid, and/or tow trailers or equipment.

SECTION 4. Each department must determine if any of its vehicles are CMVs as defined by the law. Department administrators are encouraged to consult with the University Garage and University Human Resources to assess the need for the appropriate class of CDLs and applicable endorsements which may be required by their operations. Each department should also check with the Office of Environmental Health and Safety if the routine or even occasional transportation of hazardous materials is a part of the department's operation.

The Office of University Human Resources will assist affected departments in determining which classifications or specific positions will require the CDL. If it is determined that an employee will be required to have a CDL, a revision to that effect must be made to that employee's position description. Revised position description must be forwarded to University Human Resources for review and approval. University Human Resources will notify the employee's department and University Garage of approval.

Applicants for employment as a driver of a commercial motor vehicle must provide information required pursuant to Section 4506.20 of the Ohio Revised Code.

SECTION 5. TRAINING

The University is committed to assisting incumbent employees whose current positions will require CDLs for execution of their University duties to meet the necessary licensing standards. University Human Resources will provide information on how to obtain the two types of training needed for employees to obtain CDLs. Initially, two training sessions, one for the written test and the second for the skills test, will be offered to those employees on staff whose current position requires a CDL. Employees in this group will be granted time without loss of pay to attend CDL training seminars by appointment with the appropriate training agency and with the permission of the employee's department. In addition, the employee's department may be required to make available the appropriate motor vehicle to the employee for the purpose of training and practice. It is the responsibility of the employee's department to arrange for the vehicle to be transported to the training site for those employees with expired licenses. The employee's department may be assessed a fee for the training sessions. The Grounds Department will be offered CDL training in accordance with Article 45. Those participating in the training are subject to the testing requirements in Section 9 of this Article.

SECTION 6. FAILURE OR REFUSAL TO OBTAIN REQUIRED CDLS

Employees who are required to possess a CDL for the execution of their University duties who fail to obtain or maintain the proper license and appropriate endorsement required by law shall be immediately suspended from CMV operation.

SECTION 7. COMPLIANCE TO CDL REQUIREMENTS

As required by law, employees with CDLs shall report any specified violation to their supervisor by the end of the business day following notice of suspension, revocation, cancellation, or loss of CDL privileges. Departments are responsible for reporting information to licensing agencies as required by law and to the University Human Resources no later than the next business day.

SECTION 8. COMPLIANCE WITH THE UNIVERSITY'S ALCOHOL AND OTHER DRUGS POLICY

Since University grant funding could be affected by non-compliance with drug and alcohol related legislation initiated by federal, state, and local governments, all drivers of commercial motor vehicles must strictly comply with the University's Alcohol and Other Drugs Policy as set forth in Article 43, Alcohol and Other Drugs. In addition, since drivers of commercial motor vehicles may be tested for drug and alcohol use, they must also adhere to the drug and alcohol testing requirements outlined in Section 9 of this Article.

SECTION 9. TESTING REQUIREMENTS-DRIVERS OF COMMERCIAL MOTOR VEHICLES

Types of Drug Testing

- A. Random or Unannounced - During the first year of implementation of the Drug and Alcohol Policy, 25% of covered personnel will be randomly tested, thereafter, 50% of covered personnel will be tested annually. The testing will be unannounced and spaced throughout the year.

Specimen testing shall be conducted by a Department of Health and Human Services-Certified Laboratory in accordance with Department of Transportation regulations contained in 49 CFR Part 40, Procedures for Transportation Workplace Drug-Testing Programs. A description of those requirements is contained in the MRO Drug Testing Manual. The specimen's chain-of- possession shall be strictly adhered to as prescribed by University procedure and as described in the MRO Drug Testing Manual. Specifications will also be noted by specimen collection at non-University sites (e.g. airports in other cities).

- B. Post-Accident - After an accident involving a commercial motor vehicle covered personnel will be tested as soon as possible, but no later than two (2) hours for alcohol and 32 hours for controlled substances after the accident, if that person(s) was performing a safety sensitive function with respect to the vehicle, if the accident involved a loss of life or if the person received a citation under state or local law for a moving traffic violation arising from the accident (Federal Motor Carrier Safety Regulations, Part 382).
- C. Reasonable Cause - A covered person whom two supervisors reasonably suspect is using a prohibited drug based on specific contemporaneous physical, behavioral, performance indicators will be tested. The supervisors must have been trained to detect symptoms of drug use and have participated in annual EAP training to access and demonstrate the basis for the reasonable cause testing.
- D. Return to Duty - Covered personnel who have been returned to duty after failing a drug test or refusing to submit to a drug test will be subject to unannounced drug tests for a minimum of 12 months and a maximum of 60 months as determined and scheduled by the Medical Review Officer.
- E. Periodic - A covered person who holds a medical certificate pursuant to FAR Part 67 must submit to a drug test as part of the first medical examination following implementation of the Drug and Alcohol Policy (#41.133). This requirement may be discontinued after a full calendar year of announced random testing.
- F. Failure to Submit or Failure to Comply - A covered person who refuses to submit to a drug test may be denied an application for or renewal of any certificate or rating issued for up to one year following refusal. Refusal is also grounds for suspension or revocation of any certificate or rating.

Refusal of a covered person to submit to a drug test and failure of a drug test resulting in the suspension or revocation of the certificate or license is grounds for disciplinary action up to and including termination, consistent with due process. All disciplinary measures involving drug policy violations shall be reviewed with University Human Resources prior to issuance. This is to assure consistency and fairness in implementation.

ARTICLE 45 TRAINING AND DEVELOPMENT

- A. The University and Union are committed to employee training and development. To assist employees in meeting education and experience requirements for promotional opportunities, the University and Union agree to form a committee to study training and apprentice programs. Apprentice Programs may be developed and implemented by the parties. The University retains the right to require training

for employees and to change schedules for training pursuant to Article 10(A)(3). The right to require training extends up to and including the completion of Apprenticeship Programs or, similarly structured training programs. The University and the Union agree to pursue training /Apprentice programs for other areas not currently included in the skilled craft Apprentice Program. - B. Grounds Department CDL Training: The University will create an opportunity for four (4) Groundskeeper employees in the Grounds Maintenance Department of the Athens Campus to receive CDL training. An in-department posting will be made to all Athens Campus Grounds Maintenance employees. Employees will be selected for the training opportunity based on seniority and the ability to successfully meet all federal requirements or qualifications necessary for CDL licensure (i.e. successful completion of DOT physical examination(s), drug testing, etc.).

The Grounds Maintenance Department will pay for the selected employee to receive the training and the opportunity to take up to two tests to qualify for licensure. Any additional testing costs will be encumbered by the employee. Training will occur on the employee's off-scheduled hours and will not be reimbursable.

Once employees are trained and the positions filled, the department will maintain a minimum of four (4) qualified employees. If one of the trained employees should leave the Grounds Maintenance Department, the parties will meet and review the operational need to replenish the number of CDL qualified Groundskeepers and if necessary, additional training will be scheduled.

It is further agreed that the Grounds Maintenance Department will work with any Groundskeepers who have a CDL to obtain the required endorsements to meet departmental needs.

- C. Temporary Labor Pool – In an attempt to meet the temporary needs of the departments/segments and provide employees with a diversity of experiences, the University will attempt to use present employees to fill anticipated temporary needs of 45 days or more in the classifications of Laborer, Automotive Service Worker, Assistant Fabric Worker, Assistant Upholsterer, Mail Clerk Messenger, Laboratory Animal Aide, Maintenance Repair Worker 1, Assistant Mover, Mover 1, Printing Service Worker, IT Production Specialist, Groundskeeper, Custodial Worker 1, and Delivery Worker.

Employees who have previously completed the core curriculum are qualified for temporary Laborer and Maintenance Repair Worker 1 without testing.

Assignments from the temporary pool will be based on qualifications and made in order of seniority on a rotational basis. Once an employee has accepted, or has been offered and refused, a temporary

pool position, the employee will rotate to the bottom of the list.

An employee's assignment to a temporary pool position will be contingent upon the operating department/segment/venue's ability to release the employee.

4. An employee may be removed prior to the completion of a temporary pool assignment if service is unsatisfactory.
5. Upon completion of the temporary pool assignment, employees shall be returned to their permanent position or department with no loss of seniority.
6. If there are not sufficient qualified employees to meet temporary needs, due to the number of qualified employees and/or due to each department's ability to release the employees or, needs exist in other classifications, the University reserves the right to hire from the outside.
7. These positions do not constitute vacancies pursuant to Article 14, nor do any provisions of Article 14 apply.
8. Women, minorities, and other employees in the protected classes listed in Article 1 are encouraged to apply for the temporary pools.

D. Environmental Services Pool (ESP).

1. Initially, the three (3) most senior employees who sign up for the ESP will be provided an orientation to the Environmental Services Shop;

 - b. Once the initial list is expended, employees will be asked to sign up for the ESP and the process will continue as in 1. and 2. above.
4. Employees who enter the ESP will not be eligible for assignments to the Temporary Pool unless the affected employee has been provided minimal or no assignments to the ESP and, if so, the parties may agree to consider the affected employee/s for a Temporary Pool assignment.

5. Rotational seniority for assignments contingent on home department's ability to release the employee.
6. Unsatisfactory work performance can be cause to send the employee back to former assignment.
7. While working on assignment in the ESP, the employee will be paid as an Assistant Environmental Services Worker, pay grade 5.

MEMORANDUM OF UNDERSTANDING - ONE
between
OHIO UNIVERSITY AND AFSCME LOCAL 1699/OHIO COUNCIL 8

The parties, Ohio University and AFSCME Local 1699, Ohio Council 8, previously agreed to eliminate Cook 2 positions from Residential Dining Services. Further, the parties agreed that the individuals holding Cook 2 positions at the time of the position abolishment would be reclassified into Cook 1 positions; however, these employees would retain the Cook 2 rate of pay and compensation through the red-circle process.

Currently, one employee remains in Residential Dining Services that was impacted by the events detailed above. They are as follows: Lisa Hart.

By and through this agreement, it is mutually agreed by the parties that these employees will remain in the Cook 1 classification and will continue to retain the Cook 2 rate of pay throughout their employment in Residential Dining Services. Should the employee, through the bidding process as described in Article 14, be awarded a position outside of the Cook 2 classification, the employee will assume the newly awarded classification, including the schedule, shift and pay grade of the new position. However, reassignments made through the Residential Dining Services selection process, as described in Article 14, will not affect these employees' Cook 2 rate of pay.

This agreement will not set a precedent.

MEMORANDUM OF UNDERSTANDING - TWO
between
OHIO UNIVERSITY AND AFSCME LOCAL 1699/OHIO COUNCIL 8

The University is committed to continuing its efforts to minimize the seasonal layoff of its employees. Seasonal work opportunities will first be offered to permanent full- time and part-time Bargaining Unit Employees before being offered to non-Bargaining Unit Employees.

In order to provide a transparent process for offering seasonal work, the University will list all available seasonal work opportunities. Each seasonal opportunity will have an expected start date and end date. Employees who are seasonally laid off will select their work opportunity by seniority. When an employee selects a seasonal opportunity they are committing to working for the entire opportunity unless returned to the home department. If additional work opportunities become available during the seasonal layoff period, the work will be offered to those who have not already accepted an opportunity based on the following: 1) Individual employee's preferences reflected on the seasonal layoff notice, 2) by segment, within classification, by seniority. Requests for leave to be taken during the seasonal layoff period, submitted prior to the posting of seasonal opportunities, will be approved on a first-come, first-serve basis based on operational need.

This agreement will not set a precedent.
