How your Benefit Grows	Your account consists of contributions made by you and the university, as well as with any investment gains or losses you may have on those contributions.	Your account consists of contributions made by you and the university, as well as with any investment gains or losses you may have on those contributions.	Your benefit amount grows by adding years of service credit (earned or purchased) and with increases to your eligible compensation.	<ul style="list-style-type: none"> The DC account consist of your contributions, as well as with any investment gains or losses you may have on those contributions The benefit amount from the DB portion grows by adding years of service credit (earned or purchased) and with increases to your eligible compensation.

¹ Mitigating contribution payments to STRS Ohio go toward meeting the employer's proportionate share of the unfunded accrued liability. House Bill 520 includes a new method for calculating the mitigating rate, places a 4.5% maximum on the rate and requires that the rate be reviewed every five years. This rate is subject to increases or decreases based on applicable law retirement system mandates

² Subject to federal limits.

³ Based on eligible requirements. Visit www.strsoh.org

⁴ Withdrawals made before age 59 ½ may be subject to additional federal tax penalty

Feature	ARP Define Contribution	STRS Member-Directed Plan (Defined Contribution)	STRS Defined Benefit Plan	STRS Combined Plan (Defined Benefit and Define Contribution)
Investment Management and Options	<ul style="list-style-type: none"> You choose an approved ARP provider through which you invest and allocate contributions among a variety of investment options. You assume all investment risk and pay any associated management fees. 	<ul style="list-style-type: none"> Contributions are invested with STRS. You allocate the contributions among a variety of investment options. You assume all investment risk and pay any associated management fees. 	<ul style="list-style-type: none"> STRS manages all assets to fund your benefits. You assume no investment risk and pay no associated management fees. 	<ul style="list-style-type: none"> DC portion: Contributions are invested with STRS. You allocate the contributions among a variety of investment options. You assume all investment risk and pay any associated management fees. DB Portion STRS manages all assets to fund your benefits. You assume no investment risk and pay no associated management fees.
