UNIVERSITY

## BACKGROUND CHECK REQUEST FORM

In accordance with Policy **No. 40.125: Pre-Employment Background Check and On-Going Duty to Self-Disclose**, Ohio University shall conduct background checks and pre-employment verification as part of the employment hiring process on final candidates for all student employees, including graduate assistants, who work with a distinct population (e.g. children, adults younger than 18, etc.), need access to sensitive facilities, records, and/or data, or have independent responsibility for handling business transactions.

Please complete the following information for **student employees** who require additional information verified as part of their employment with Ohio University. Human Resources will initiate a HireRight background check of your choice upon receipt of this form.

It is recommended that supervisors let their student know to expect an emailed invitation from HireRight to begin the background check process.

Average completion time is 7-10 days once the invitation has been accepted.
