Your chances of winning!

Each survey respondent is only eligible to win one prize. Once a student respondent wins one prize, regardless of the prize level, all remaining lottery entries, if any, will be removed. Your chance depends on how many students complete the survey. 9372 students were invited to participate in this survey.

All or part of the prizes maybe considered taxable income and will be reported in accordance with IRS regulations. A W-9 will be required to claim your prize.
