Please make sure you are picking your child up from the school or the bus on time. For parent and guardians picking up at general locations, please

(a.) Make sure your child and the driver are able to identify who you are.

(b.) Make sure KOC knows if someone else is scheduled to pick up your child that day.

(c.) Be aware of other children walking to their cars as you pull out of the parking lot.

What has Kids on Campus been up to?

STEM Slime Kits

Starfish

We have introduced a new set of values for our children to practice during the week, and students can nominate those who are displaying these characteristics to receive a treat at the end of the week!
