

# Kids on Campus

A RURAL COMMUNITY-UNIVERSITY PARTNERSHIP

A CHSP initiative

## October Newsletter

**Welcome** to Kids on Campus! We are excited to be back for this new year at Trimble Middle/Elementary School. The staff are very excited to be working with your child(ren) and we have some amazing activities planned. Each month you will receive a newsletter updating you about the program and what is happening for that month. We are looking forward to meeting you at our family events, in the meanwhile, please feel free to call, email or stop by anytime!!

### Join us for our Lights-On Open House

Join Kids on Campus and the Afterschool Alliance to celebrate the importance of afterschool programs on Wednesday, October 25 from 4:00-5:30pm at Trimble Middle/Elementary School.

In communities today, 15.1 million children take care of themselves after the school day ends. Afterschool programs keep kids safe, help working families and inspire learning. Join us, along with 7,500+ afterschool programs nationwide, in celebrating our afterschool programs.

This family event will focus on Social Media Safety. More information will be coming soon!

### Announcements

- Just a reminder, there will be no Friday Kids on Campus for the entire year.
- We are coming in to the season of bad weather. Just a reminder that if there is a two-hour delay, there will be morning program, and if there is an early dismissal, we will **NOT** have afternoon KoC.
- Please make sure if your child is not attending KoC but was present at school, that we have a note for them to be excused from program.
