

# Kids on Campus

## Millcreek Elementary Newsletter October 2019

Dear Kids on Campus families, students, teachers, staff, and friends;

Kids on Campus (KoC) after school program will begin on Monday, October 7. KoC will be providing a monthly newsletter to let you know what is happening for the month.

The goal of the KoC after school program is to provide quality educational programs for students. Each day children are offered a variety of activities including: Reading, Math Intervention, Homework Assistance, Enrichment Activities, Physical Education, and a nutritious snack. (snack schedule is on the back)

### **Important Information: Please Read**

\*If school is on a two-hour delay there are **NO** morning clubs!

\*If your child needs to be absent from the KoC program, you **MUST** send a note to school or call the school!

\*Without a note, **we will be required** to keep your child at the KoC program.

\*Throughout the school year, the KoC staff will need to communicate with families in regards to important changes or information in the form of a **KoC Quick Note**. A KoC quick note will be printed on brightly colored piece of paper and should be located in your child's backpack. Please look for these and read over them thoroughly! They may list things such as program cancellations, special events, and changes to our schedule.
