

**OHIO**  
UNIVERSITY

## Email/Text Message notifications

In your web browser go to <https://vmail.ohio.edu/inbox> and login in with your ohio username and password

Sign In

Username: testuser

Password: .....

Sign In Reset

Once logged in click on the “Settings” button at the top of the page  
This should open a new browser page.

Go to “Notification Devices” and click “View Notification Devices”

Notification Devices Contacts

View Notification Devices

Click on the SMTP link

| Enabled                  | Device                       | Notifies |
|--------------------------|------------------------------|----------|
| <input type="checkbox"/> | <a href="#">Home Phone</a>   |          |
| <input type="checkbox"/> | <a href="#">HTML</a>         |          |
| <input type="checkbox"/> | <a href="#">Mobile Phone</a> |          |
| <input type="checkbox"/> | <a href="#">Pager</a>        |          |
| <input type="checkbox"/> | <a href="#">SMTP</a>         |          |
| <input type="checkbox"/> | <a href="#">Work Phone</a>   |          |

Put a check box in “Notification Enabled” and/or enter your email address or txt smtp address. If you want both multiple entries just put a comma between entries.

(Example of txt entry would be “7405931222@txt.att.net” for AT&T or 7405931222@vtext.com”) More txt addresses can be found on the bottom of this document.

### Example email notification

SMTP

Notification Enabled

To: (E-mail address) servicedesk@ohio.edu

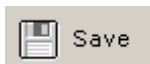

### Example txt message notification

SMTP

Notification Enabled

To: (E-mail address) 7405931222@txt.att.net

Click Save at the top or bottom of the page.

Ex. If your phone number is (555) 555-5555. Then your email is:

- Aliant: 5555555555@wirefree.income.ca
