<u>Ride Along Application, Guidelines, and Waiver (Page 1 of 2)</u>

Welcome to the Ohio University Police Department (OUPD) Ride Along Program! We appreciate your interest in learning more about our department, and hope your experience will be both enjoyable and educational.

Although most of your time with us will likely involve routine police work, there is always the possibility of danger. Riding on patrol, in a marked police vehicle with a uniformed police officer, can place you in the same unexpected danger as the officer in the patrol car with you. For this reason, we have established the following guidelines, which must be followed at all times:

- 1. No one under the age of sixteen (16) is permitted to ride along with OUPD without the specific authorization of the Chief of Police. OUPD also reserves the right to decline any request to ride along, regardless of age.
- 2. Anyone seeking to ride with OUPD must present a valid, state-issued photo ID at the time of the ride along, and must read and sign the Ride Along Waiver on page 2 of this document. All riders are subject to a wants and warrants check prior to riding along, and your signature below acknowledges awareness of this check.
- 3. Ride Alongs are typically limited to four (4) hours in duration. While the department will attempt to accommodate a rider's preference as to the officer with whom s/he rides, the department reserves the right to assign riders to officers as they see fit. Probationary officers may not have riders.
- 4. During the ride along, conduct yourself as an observer. You must not become physically or verbally involved in any incident.
- 5. Feel free to ask questions of the officer, but do not do so when s/he is involved in an investigation or any other matter wherein the officer's full attention is required.
- 6. The officer may explain or demonstrate the uses for the various items of equipment inside the vehicle; however, you must not touch any of the equipment.
- 7. Remember that while you are riding along, the officer is concentrating on a number of tasks that require him/her to be fully alert. If the officer at any time asks you to stop speaking, please do so without question.
- 8. You may expect to go wherever the officer goes. If the officer is involved in a situation involving undue danger, you may be asked by the officer to remain in the patrol car to ensure your own safety. It is possible, but unlikely, that the officer may ask you to remain behind in a safe place while the officer responds to an extremely dangerous situation.
- 9. Posting to social media during a ride along is prohibited, unless explicitly approved in advance.
- 10. Seat belt use is required in department vehicles at all times a vehicle is in motion.
