**University Operations Policies**

**Postal Services Policies**

Student mail is handled by the Campus Post Office from all carriers. BGSU has a unique zip code, 43403, and all USPS mail with this zip code will be delivered to campus. Student mail must be addressed with a full, formal name and residence hall address, including room number.

Paper mail, such as envelopes and magazines, is delivered to the front desk of each residence hall each day Monday – Friday. There is no pickup of USPS mail on Saturdays or University Holidays.

Packages, and items with tracking numbers, from all carriers, including USPS, UPS, and FedEx, will be processed daily Monday through Friday at BGSU Postal Services and delivered to the Package Pick-Up area inside Falcon Outfitters on the 1st floor of the Bowen-Thompson Student Union. Overnight UPS and FedEx packages will also be processed on Saturdays. Please visit our website at [www.bgsu.edu/postal](http://www.bgsu.edu/postal) for additional details.

The Campus Post Office accepts mail on behalf of residential students. Mail is then disseminated per the process outlined on the Postal Services website. It is the responsibility of the student to ensure the mail they are receiving does indeed belong to them. Students are responsible for immediately returning any mail items received in error or which are not addressed to them. This includes both paper mail placed in the student’s mailbox in error, or packages miss-assigned or miss-delivered to the student. Mail received in error can be returned to the front desk of the residence hall for return to the Campus Post Office or to the Student Package Pick-Up Area inside Falcon Outfitters in the Bowen-Thompson Student Union.

Food Service

POLICY STATEMENT AND PURPOSE

The following policy reviews the parameters for providing food at meetings or events on Bowling Green State University (the "University") grounds. The purpose of the policy is to outline the standard protocols associated with serving food and/or accepting donation of food for the purpose of supporting a meeting or event. This policy holds true for any outside vendor, or non-university entity, bringing food onto University grounds.

- Food served on the BGSU campus must be approved and coordinated through the designated booking agent of the venue it is being provided in. Please see the booking agent for venue specific requirements, as each location may have additional terms and conditions for food service.

Bowling Green State University 2017-2018
• When Student Budget Committee (SBC) funds are being used to purchase food and/or beverages, BGSU Dining/Catering must provide this service. BGSU Catering requires food and beverage orders be placed no less than two weeks (10 working days) prior to the event date. Requests made less than two weeks prior may be directed to an alternative BGSU Dining outlet.

Procedures

The risk associated with providing food service at the University is of the utmost concern. To ensure the safety of our guests, foods to be served are divided into two categories, each with their own rules for safe handling.

Low-risk foods are ambient-stable foods such as: bagels, baked goods, pies (no cream), cakes, packaged snack foods, candy, popcorn and non-processed fruit and vegetables. BGSU Dining has also approved pizza and subs (without condiments) to the list of low-risk foods.

1. Food purchased from an off campus provider that is to be served at a meeting or event, whether it is picked-up or delivered, must not contain any high-risk foods and must not be in excess of a $250.00 total meeting/event purchase (not applicable in the Bowen Thompson Student Union or Olscamp Hall 101, where all food purchases must be from BGSU Dining outlets and/or provided by BGSU Catering).

2. Registered Student Organizations
   a. Donated products may be served in Bowen Thompson Student Union and Olscamp 101. A Food Donation Request Form must be submitted for approval with the Conference & Event Services (C&ES) office at least two weeks prior to the event. The form can be found at [http://www.bgsu.edu/bowen-thompson-student-union/food-donation-request.html](http://www.bgsu.edu/bowen-thompson-student-union/food-donation-request.html). The liability factor of donated food may fall on the University Student Organization sponsoring the event.
   b. Baked Goods provided for the purpose of fundraising for Registered Student Organizations must meet the low risk food requirements. Additional guidelines for serving baked goods must be followed and can be found at [http://www.bgsu.edu/bowen-thompson-student-union/guidelines-for-serving-baked-goods.html](http://www.bgsu.edu/bowen-thompson-student-union/guidelines-for-serving-baked-goods.html).

High-risk foods: In simple terms this means food that may become harmful to the consumer if it is not stored or handled correctly. Such foods are usually high in protein and require strict temperature controls (stored in a cold or hot holding device prior to consumption). When served, high-risk foods should only be handled by certified food handlers to further protect against contamination. Examples include: Cooked meat and poultry such as beef, pork, ham, chicken, raw meat, fish, oysters, poultry, milk, desserts containing dairy products, tofu, cooked rice, and lasagna.

• Only approved caterers for the University (currently BGSU Dining and AVI, Inc.) are permitted to sell/resell and/or manage the preparation and serving of high-risk foods consumed on campus in order to control food safety hazards that might arise during all aspects of food service (receiving, storing, preparing, cooking, cooling, reheating, holding, assembling, packaging, transporting and serving).

EXCEPTIONS:

1. Tenants living in Greek Housing will be permitted to serve High-Risk (Perishable) Foods at approved Events located within the Greek Housing Courtyards, so long as ALL of the following requirements are met:
   a. The Event is registered through the Office of the Dean of Students.

International travel by registered student organizations has additional requirements concerning registration and insurance. Student organization members and advisors must work closely with staff in the Office of Campus Activities when planning travel outside the United States.

A. **Travel Registration**
The organization must register each trip by submitting a completed travel packet as distributed by the Office of the Dean of Students (or designee) for all trip participants.

B. **Advisor Participation**
    Upon review of the registration form, the designated staff member will determine if the presence of a travel advisor is required. If a travel advisor is required to travel with the group, the travel costs for the travel advisor will be paid from a special account designated for advisor travel and provided by the Office of the Dean of Students. If a travel advisor is not required to attend, the advisor of record, as listed on the student organization registration form, must sign off on the trip registration form. One member of the travel group must serve as the trip coordinator, including completion of trip coordinator training as provided by the Office of the Dean of Students. Trip coordinators must be currently enrolled students at the University.

C. **Transportation Requirements**

Bowling Green State University has established transportation requirements as determined by the Office of Risk Management. All of these related policies can be found on the Risk Management Web page (www.bgsu.edu/risk-management.html). Additionally, all travel participants are required to follow the transportation requirements summarized below as set forth by the Office of Risk Management. Compliance with these items is required. These transportation requirements apply to travel by car or minivan but do not apply to travel by air or charter bus.

1. **Driver Requirements**
   a. All drivers must be at least 18 years of age and have a valid driver’s license.
   b. Drivers must obey all traffic laws, including seat belt use. If failure to obey traffic laws results in a ticket, the driver is responsible for any fines, including parking tickets.

2. **Rental Vehicles**
   Renting vehicles from University-approved rental car vendors is an accepted practice. Drivers must be at least 21 years of age.
3. **University-owned Vehicles**
   Only licensed drivers who are at least 18 years of age may drive a University-owned car or minivan. All drivers of University vehicles must consent to a motor vehicle record check annually to verify the driver meets the accepted criteria in order to drive.

4. **Personal Vehicles**
   The use of personal vehicles is strongly discouraged because the institution lacks control over the condition, maintenance and insurance coverage on personal vehicles. Only licensed drivers who are at least 18 years of age may drive a car or minivan.

5. **Large Passenger Vans**
   Because large passenger vans pose a special risk, students are prohibited from driving or riding in a vehicle with seating for more than eight individuals.

6. **Insurance**
   When using University-owned vehicles, the University provides all necessary liability and physical damage coverage. When using rented vehicles, insurance may be provided by the rental company. When using personal vehicles, insurance is the responsibility of the owner of the vehicle. The University is unable to reimburse the vehicle owner for any accident-related repairs or payment of deductibles, and personal vehicle owners are expected to carry automobile liability insurance in an amount sufficient to cover any property damage or liability loss and be responsible for the payment of their own deductible including the defense of any claim.

**D. Driving Requirements**

1. Travel routes must be planned in advance.
2. Student organization leaders and trip coordinators are encouraged to select drivers who have at least two years of licensed driving experience free of any court-imposed restrictions.
3. Two drivers are required on trips greater than 250 miles one-way.
4. On trips over 250 miles one-way, drivers must rotate every three hours and no one person may drive more than eight hours in a 24-hour period.
5. Drivers are responsible for knowing and following all motor vehicle laws and safety regulations for each state in which travel occurs.
6. The use of a cell phone, including text messaging, is prohibited for drivers while driving. Hands-free sets are also prohibited for drivers while driving.
7. The number of passengers may not exceed the number of available seat belts. All passengers are required to wear a seatbelt at all times.
8. Passengers may not engage in any behavior that would distract the driver.
9. Transporting minors unless accompanied by a parent or guardian is prohibited except in situations when the minor is a registered BGSU student younger than age 18.
10. If drivers are participating in events and driving on the same day, then drivers should rotate on a more frequent basis to avoid fatigue.
11. Driver fatigue is greater between the hours of midnight and 6 a.m. Drivers must use extreme caution when operating a vehicle during this time. A second person should remain awake and ride in the front passenger seat.

**E. Inclement Weather**

1. When planning the travel route, check the forecast to see if inclement weather is predicted.
2. During inclement weather, travel safety should follow guidelines set forth by the National Weather Service. Drivers should contact local law enforcement to determine the best course of action based on driving conditions.
3. During inclement weather, drivers are to use extreme caution.
4. When driving in treacherous weather and conditions are deemed dangerous or unsafe, immediately cease all travel and find the nearest shelter or hotel.
5. The University will defray the cost of an overnight stay if unexpected bad weather impedes the safe return to campus. Permission to seek extended stays due to weather conditions is initiated through contact with the University Police (if after normal business hours) at 419-372-2346 and in consultation with the Office of Campus Activities for final approval.

**F. Behavioral Expectations**

1. All participants who are defined as BGSU students are accountable to the BGSU Code of Student Conduct throughout the duration of the trip.
2. Being under the influence, or in possession of alcohol or drugs in conjunction with the trip and throughout its duration, is prohibited regardless of the age of the student participant, unless otherwise approved, regardless of the local drinking age. This applies from the moment of departure from campus until the return to campus, or at the moment the student participant disaffiliates from the approved travel arrangements.
3. If the driver becomes aware of alcohol and/or drug consumption and/or possession, the driver should stop the vehicle and request that these substances be removed from the vehicle before the trip is continued. Failure of any passenger(s) to comply will cause immediate cancellation of the trip. Individuals as well as the student organization will be held accountable to the policies set forth in the BGSU Code of Student Conduct.
4. Smoking is prohibited inside any University-owned or -rented vehicle.
5. The transport of hitchhikers or any unauthorized passengers is prohibited.
6. Use of other than a compact-size trailer is prohibited without approval.
7. Students are encouraged to report reckless or irresponsible driving by other student participants so that appropriate safety measures can be taken for future trips.
8. Driving in a foreign country poses extraordinary risks that may necessitate the purchase of special insurance. It is important to consult with the Office of Campus Activities prior to traveling in a vehicle that crosses the border into another country outside the United States.

9. All trip participants are ambassadors of Bowling Green State University and as such must represent the University in a positive light. Alleged violations of the BGSU Code of Student Conduct will be referred to the Office of the Dean of Students for investigation and resolution. BGSU students and the sponsoring organization are responsible for the behavior of non-BGSU students participating in the trip.

G. Monetary Guidelines
Any person or organization using University funds for travel must comply with the expenditure guidelines established by the Bowling Green State University Office of the Treasurer.

H. Exemptions
Requests for exemptions to any of the aforementioned policies are subject to approval by the Dean of Students or designee.
