NOTE: The George V. Voinovich Center for Leadership and Public Affairs was established on December 11, 1998 by the Ohio Board of Trustees. In previous annual reports, awards associated with The George V. Voinovich Center for Leadership and Public Affairs were reported under the College of Arts and Sciences, Department of Political Science, and most recently under the Executive Vice President & Provost. The Ohio Board of Trustees created The George V. Voinovich School of Leadership and Public in 2007. The School became the first multidisciplinary school at Ohio University and focuses on applied, research, leadership development and applications learning across colleges. This is the first annual research report to reflect Voinovich School awards independently.

Small variations in summary lines are attributed to rounding awards to the nearest whole dollar.
