

Ohio University Office of Research Compliance Verification of Translation for Human Subjects Research Studies

For most studies, this form may be completed by a member of the study team. Depending on the level of risk and other considerations, in some cases the IRB may require that a third party verify the accuracy of the translations.

Please upload your completed form to your IRB submission in Cayuse.

Protocol #: _____

Study Title: _____

I have reviewed the following materials for the study listed above (please check all that apply):
