Chairman Kennedy called the meeting to order at 9:15 A.M. with the following members of the Board present: Duncan Baxter, C. Paul Stocker, Fred Johnson, Dan Casto, Russell Herrold, John W. Galbreath and Joseph B. Nall. Wayne Brown was unable to be present. In addition to the members of the Board of Trustees the following administrators were present: Vice President, Thomas E. Smith; Vice President, Martin L. Hecht; Business Manager, Luverne Lauzche; Treasurer, John F., Miller; Dean of the Graduate College, Taylor Culbert; Director of The Ohio Plan, John Chandler; Director for the Center of International Studies, David B. Arnold; and Paul R. O'Brien, Secretary.

It was moved by Mr. Galbreath, seconded by Mr. Hall, and unanimously carried that the minutes of the November 11, 1965 meeting be approved as distributed by the Secretary with the following correction noted: On page 3 of the minutes, the amount of the Graduate Scholarship awards should be $38,170 instead of $19,095.

The Secretary then read the following memorial to Gordon K. Bush:

The Board of Trustees of Ohio University observe with deep sadness the death of Gordon K. Bush, a former Trustee, on November 29, 1965. Mr. Bush was first appointed a Trustee in 1929. He was reappointed to the Board of Trustees by five different governors, of both political parties, and served a total of thirty-three years as a member of this Board.

Mr. Bush was a loyal and dedicated Trustee and devoted many hours of his time to Ohio University. He was always ready to put aside his personal interests for those of the University.

He served many years on the Building Committee of the Board of Trustees, and took an active part in the expansion of the physical plant. He was always alert to coming needs and encouraged the expansion and growth of Ohio University. He also was active on the Committees of the Board of Trustees that selected the 14th and 15th presidents of Ohio University.

Gordon Bush's death leaves a void in the University community that will be difficult to fill. His contributions to Ohio University and to higher education in Ohio will be long remembered.

It was then moved by Mr. Herrold and unanimously seconded that this memorial be inserted in the permanent minutes of the Board of Trustees of Ohio University and a copy of the memorial be sent to members of the Bush family.

Mr. Miller was then called upon for discussion of the Treasurer's report for the fiscal year ending June 30, 1965, and also The Ohio University Fund Financial Statement for the same period. Mr. Miller called the Board's attention to the fact that the total assets of Ohio University at the present time were $71,531,889 and the total income for the year ending June 30, 1965 was $31,436,253 with total expenditures and transfers of the same amount.

Mr. Miller then called the Board's attention to The Ohio University Fund Balance Sheet showing total assets of $3,074,294 and income for the year ending June 30, 1965 of $534,124.

Mr. Miller reported that the Treasurer's report would be published and distributed to the Board of Trustees in the near future. It was then suggested that The Ohio University Fund Financial Statement be included with the official Ohio University Treasurer's Report when it is published. After further discussion it was moved by Mr. Hall, seconded by Mr. Galbreath, and unanimously carried that The Ohio University Treasurer's Report and the report of The Ohio University Fund, Inc. be accepted as presented by Mr. Miller.

President Alden was then called upon for his report. He first thanked the Trustees for their dinner given for Mr. and Mrs. Alden upon the completion of their fourth year at Ohio University. He further reported that Mr. Morgan Firestone had given Ohio University a twin-beechcraft airplane. This gift was made at the suggestion of Mr. Galbreath.

The President then reported that the Secretary of the Interior, Stuart Udall, had made Butler Hall a registered national landmark and we would be receiving a plaque from the Department of Interior to place on Butler Hall. He felt we would receive much favorable publicity because of this designation.

President Alden then called on Taylor Culbert, Dean of the Graduate College, for a report in depth on our Graduate College.

Dean Culbert pointed out that all master's and Ph.D. degree programs must now be approved by The Ohio Board of Regents and by the North Central Association of Colleges and Secondary Schools. Both of these agencies have definite rules and requirements necessary to be met before they approve the awarding of these degrees.

Dean Culbert reported we are now offering the master's degree in 16 different areas, and are offering the Ph.D. in the following areas: Chemistry, Public Address, Radio-Television, Speech Pathology and Audiology, Education-Administration and Supervision, Guidance and Counseling, and Elementary Education, Electrical Engineering, English, Fine Arts, Physics and Psychology.
Dean Culbert reported that we will soon submit initial proposals for doctoral programs in the following areas: Linguistics, Mathematics, Communications, and History. Thereafter new doctoral programs are developing in the following areas: Botany-Zoology, Business Administration, Chemical Engineering, Economics, Government, Modern Languages, Philosophy, Secondary Education and Theatre.

Also, new interdisciplinary master's programs in Regional Planning and Foreign Affairs will be ready for approval within the next few months.

Dean Culbert then presented enrollment statistics of the Graduate College and projections through 1970 as follows:

He then reported that 26% of our total enrollment in the Graduate College are working toward a Ph.D. or are doing work beyond the masters. Of our present graduate students approximately 76% are male and 24% are female, and they are divided almost equally between residents of Ohio and non-residents. He then reported that the Graduate College is almost a year-round operation. At present, 26% of the work is done in the summer and 37% in each of the fall and spring semesters. The proportion of summer registration is increasing so that now it is more evenly distributed throughout the year. He also pointed out that at Ohio University most of our graduate students are full time students. This is vastly different from conditions prevailing in other state assisted universities located in or near large centers of population where many were part-time graduate students take courses there at Ohio University.

Dean Culbert pointed out that at Ohio University substantial financial support is provided for graduate students. In all, 666 graduate students are receiving some kind of financial support ranging from a tuition scholarship to tuition plus $1,000 annually. Seventy-six of these scholarships grants were received from sources other than Ohio University. The dollar value of support received by graduate students for the year 1965-66 totaled $1,931,989. This was made up of $1,121,030 of fees waived, $1,775,989 for cash stipends paid from University funds, and $265,061 stipends paid from outside support funds. Students receiving the University funds are required to render 1/3 to 1/4 of a full time academic load to the University for these funds.

Dean Culbert then presented a chart showing the past ten years' master's degrees awarded. In 1955 there were 106 master's degrees awarded. This has increased steadily and in 1965 we awarded 307 master's degrees. He also pointed out that the first earned Ph.D. degree in this century was awarded in 1959. The number of Ph.D. degrees awarded has been increasing since then and in 1965 we awarded 19 Ph.D. degrees.

President Alden then called on John Chandler, Director of The Ohio Plan, for a report of The Ohio Plan as it has been functioning at Ohio University for the past year and a half.

Dr. Chandler pointed out that this is a unique plan at Ohio University and its primary objective is to identify future leaders early in their academic career, and to assist and encourage their development. This project is supported by a $100,000 grant from the Mellon Foundation to cover the first two year's operation of the plan. There is a desperate need for men and women who are capable and willing to undertake the responsibilities of leadership. This is true in government, business, education and wherever there is any real responsibility to be assumed. There are presently many more leadership opportunities available than there are people to accept them. The students in The Ohio Plan must have ability to handle a high level of abstraction in thinking of the future (to plan) and to maintain a realistic pragmatic orientation on how to carry out these plans. Prospective students for the plan are identified by faculty members, and recommendations are made by administrators and alumni. Many students volunteer for interviews.

The Ohio Plan staff interviewed over 500 freshmen during the past year. They have accepted 30 of the Freshman Class for this plan. At the end of the sophomore year they plan to accept 15 of the 30 for Ohio Fellows and care will be taken to encourage the other 15 to continue in the plan. The students who are accepted receive unique educational experiences by meeting in small seminar groups with top faculty and with distinguished visitors to the campus. All of these experiences are in addition to their regular course work. Dr. Chandler is enthusiastic about the success of the first year of the program.

Mr. Galbreath then suggested that they continue to stress quality in the students accepted for admission to The Ohio Plan. Mr. Johnson inquired if the members of the Honors College dominate the group. It was pointed out that there are many Honors College members in the group. Mr. Baxter inquired as to the dominate characteristic of the students accepted. Dr. Chandler reported that there was no dominate characteristic; however, a high energy level seemed to be the nearest dominate characteristic that could be identified.
President Alden then called on Dr. David B. Arnold, Director of the Center for International Studies, for a discussion of this project.

Dr. Arnold explained that Ohio University, with its many African overseas programs, has an important source of materials and faculty able to initiate areas of study, particularly in the African area. We are also planning a joint study in the United States to initiate a project along these lines. The Department of State is interested in this project and they are now considering Ohio University as one of two schools in the United States to initiate a project along this line. The Department of State has sent two men to us on loan this year, and we have a Harvard Fellow from Great Britain working in our International Studies Center. A request has been presented to the Ford Foundation for a million and a half dollars to support this project in the future.

Mr. Miller then presented the following recommendations:

The Dean of the Graduate College recommends the awarding of 85 Graduate Scholarships for the 1966-67 academic year at an average cost of $570 each, or a total cost of $48,450. This compares to 67 scholarships awarded for the current year, and the projected increase is due to an increase of applications to the Graduate College at 20%.

The Director of Student Financial Aids recommends the awarding of fee waivers totaling $325,833 as outlined below:

Mr. Miller then reported that Robert L. Merton had made a $20,000 contribution this year to establish the Robert L. Merton Professorship, and also had sent a signed instrument arranging for the complete funding of this professorship through the Ohio University Fund.

Mr. Miller then presented the following Bond Resolution providing for the issuance of $6,500,000 The Ohio University Student Facilities Revenue Bonds, for the purpose of constructing and equipping a building and facilities to be used for and in connection with an auditorium and athletic purposes.

There shall not be more than one interest rate for any single maturity, each Bond must bear interest from its date until its fixed maturity date, subject to the redemption provisions hereof, and each coupon Bond shall be delivered by the University to the Original Purchaser with all interest coupons attached. The University shall provide the printed bonds and the cost of printing shall not be considered in determining the highest bid. The purchaser to whom the Project Bonds are sold shall be considered in determining the highest bid. The purchaser to whom the Project Bonds shall be awarded pursuant hereto is herein sometimes called the "Original Purchaser."

Section 4. Allocation of Proceeds of the Project Bonds - Construction Fund - "Project Costs". The proceeds of all the Project Bonds shall be allocated and applied by the University as follows in the following order of priority:

1. To the Student Facilities Debt Service Reserve Fund, established pursuant to Section 5 hereof, the portion of the proceeds representing principal plus such additional amount as shall be necessary to pay interest on the Project Bonds from such date of delivery to December 1, 1968.

2. To the Facilities Debt Service Reserve Fund, established pursuant to Section 5 hereof, the portion of the proceeds representing premiums, if any, above par.

3. To the University or its obligees, the amounts, if any, necessary to retire notes issued or to repay borrowings or advances made prior to the delivery of the Project Bonds to pay the Project Costs, all to the extent permitted by Section 3345.11 of the Revised Code of Ohio.

4. The balance to the 1966 Student Facilities Construction Fund (herein called Construction Fund), hereby established for the Project, to be established as a separate account in the books of the University, and to be held by the University in a deposit account, except when invested as hereinafter provided, and used to pay the Project Costs. The Fiscal Officer is hereby authorized and directed to establish and maintain said deposit account with a bank or trust company which is a member of the Federal Deposit Insurance Corporation.

The Fiscal Officer of the University shall apply said Construction Fund to the payment of Project Costs. As used in this Resolution, the term "Project Costs" shall include, without intending thereby to limit or restrict any proper definition of such costs under any applicable laws or sound accounting practices, the following: the costs of constructing, equipping and furnishing the Project, including site acquisition, site improvements, utility connections and all things necessary or incidental thereto, and including all costs and expenses of architectural, engineering, legal and other professional services, administrative and clerical costs and expenses, interest accruing prior to occupancy of the Project (both on temporary financing and on the Project Bonds, but excluding accrued interest paid as part of the purchase price of the said bonds), all costs and expenses incurred in connection with the issuance, sale and delivery of the Project Bonds and all other necessary and miscellaneous expenses.
related to the financing and construction of the Project and placing it in operation; but excluding costs allocable to the dormitory facilities in the Project building. If the payment is to be made with respect to an obligation under a construction contract relating to the Project, such payment shall be made only upon certification by a qualified architect or engineer that such payment is due under such contract, and such certificate shall separately show the amount of the payment allocable to the Project and the amount thereof allocable to the dormitory facilities in the Project building. Such amount allocable to said dormitory facilities shall not be paid from the Construction Fund on the University's books; provided that the University may deposit to the deposit account in which the moneys of the Construction Fund are held the additional moneys for the said dormitory facilities so that the full payment certified by the architect or engineer as due may be paid from such deposit account.

The Construction Fund may be invested by the Fiscal Officer of the University in direct obligations of the United States, obligations of principal and interest of which is guaranteed by the United States, or obligations of agencies and instrumentalities of the United States, with such maturities or redemption provisions as will provide funds when needed to pay Project Costs. Such investments and the proceeds thereof shall constitute part of the Construction Fund and shall be maintained separately from other investments or funds of the University. Interest on such investments may be paid to the Student Facilities Revenue Fund, established pursuant to Section 5 hereby, or if needed therefor, shall be applied to the purposes of the Construction Fund as from time to time determined by the Fiscal Officer of the University. The said investments shall be sold, exchanged or collected from time to time by the Fiscal Officer of the University.

The proceeds of the Project Bonds may, in the discretion of the Fiscal Officer of the University, be first deposited in their entirety to the Construction Fund, provided within ten days after receipt the portions thereof to be deposited to other Special Funds, as provided in paragraphs number (1) and (2) of this Section, shall be transferred from the Construction Fund to said Special Funds and the remainder thereof to be transferred or applied as provided in paragraph (3) above shall, at the appropriate time or times, be so transferred or applied as so provided from the Construction Fund. Any balance in the Construction Fund remaining after the transfer and application of the proceeds from the Construction Fund to the Project Costs or reserves therein such amounts as shall be necessary to pay the remaining Project Costs, but not exceeding amounts which the University shall have deposited to the Construction Fund from sources other than the proceeds of the Project Bonds and other Student Facilities Fees collected after issuance of the Project Bonds, shall be returned to the University. Any balance thereafter remaining in the Construction Fund shall be transferred to the credit of the Student Facilities Debt Service Reserve Fund.

Section 5. Application of Receipts; Special Funds. There is hereby established a special fund (herein sometimes called the Student Facilities Revenue Fund), which fund shall be maintained as a separate and distinct fund on the records of the University, the moneys of which shall be deposited in the name of the University with a bank or trust company which is a member of the Federal Deposit Insurance Corporation, or invested as herein authorized, and which, subject to the withdrawals and uses herein authorized, is pledged to and charged with the payment of the principal, interest, and premium, if any, on all the Bonds.

From and after the issuance of the Project Bonds, all pledged receipts including Student Facilities Fee, shall be deposited in the Revenue Fund provided, however, that the portion of the Project the University may deposit all or any part of the Student Facilities Fee to the Construction Fund so long as the Pledged Receipts, after such application to the Construction Fund, shall be adequate to pay the amounts required under paragraphs First and Second below of this Section 5. The Revenue Fund shall be applied to pay when due the Operating and Maintenance Expenses of the Pledged Receipts provided, however, that nothing contained herein or in the Trust Agreement shall be deemed to prohibit the University of its own volition from paying such expenses, or any portion thereof, from other funds of the University lawfully available for the purpose.

The remainder of the Revenue Fund, after retaining therein such amounts as may be needed for payment of said Operating and Maintenance Expenses, shall be applied as follows and in the following order of priority:

First: Into the Student Facilities Debt Service Fund (herein sometimes called the Debt Service Reserve Fund), hereby established and to be held by the Trustee as a separate fund for the payment of the Bonds as herein provided, on or before May 15th and November 15th of each year, beginning with the first interest payment date of the Project Bonds, amounts as shall be sufficient, with other moneys on hand therein available for such purpose, to pay the interest due on the next ensuing interest payment date on all Bonds then outstanding (2) on or before May 15th and November 15th of each year, beginning November 15, 1965, such equal semi-annual amounts as shall be sufficient, with moneys then on hand therein available for such purpose, to provide for payment of the next ensuing semi-annual principal maturity on the following June 1 on all Bonds then outstanding and (3) if any such Bonds shall be term Bonds, to provide an amount annually necessary to retire (by call or otherwise) at or before maturity thereof all term Bonds.

Second: Into the Student Facilities Debt Service Reserve Fund (herein sometimes called the Debt Service Reserve Fund), hereby established, to be held by the Trustee as a separate fund for the payment of the Bonds as herein provided, on or before May 15th and November 15th of each year, beginning November 15, 1965, an amount at least equal to 70% of the amount payable on such date into the Debt Service Fund, to the extent and so long as necessary to create and maintain in said Debt Service Reserve Fund the required reserve, namely, an amount equal to the largest principal and interest requirements in any subsequent Fiscal Year on all Bonds at the time outstanding.
Third: On May 1st and November 1st of each year, to the foregoing Funds, such amounts may be necessary to make up any previous deficiency in any deposit required by the foregoing paragraphs of this Section.

Fourth: So long as there is no deficiency in any of the deposits provided for in Paragraphs First through Third above, any amounts thereafter deposited pursuant to paragraph First of this Section for the retirement of term Bonds shall be invested and applied to such purpose in the manner provided in the Resolution authorizing such term Bonds. The Trustee shall transfer from the Debt Service Fund to the Paying Agents amounts sufficient to enable said Paying Agents to pay when due principal and interest on the Bonds, or the Trustee shall make such credit arrangements with said Paying Agents as to permit such payments.

The Debt Service Fund is pledged to, and shall be used by the Trustee for, the payment of principal and interest on the Bonds, and until required for such purposes, shall be invested by the Trustee in such direct obligations of the United States, or obligations guaranteed as to both principal and interest by the United States, as the Executive or the Fiscal Officer of the University shall direct in writing addressed to the Trustee, which writing shall determine that the maturity, or first date of redemption at the option of the holder, of the respective obligations is not later than the date on which such Funds will be required for payment of such principal and interest, provided that amounts therein deposited pursuant to paragraph First of this Section for the retirement of such Bonds shall be invested in accordance with the direction provided in the Resolution authorizing such term Bonds.

Notwithstanding the foregoing provisions, no payments need be made to the Debt Service Fund or the Debt Service Reserve Fund on any Bond or portion of fully registered Bonds, or Bonds as to which the Net Income on any Fund or portion of the Fund is less than twenty per cent of the interest and net surplus of the University, which is required in Section 10 of this Agreement, to be invested and applied to such purpose in the manner provided in the Resolution authorizing such term Bonds. The Trustee shall transfer from the Debt Service Fund to the Paying Agents amounts sufficient to enable said Paying Agents to pay when due principal and interest on the Bonds, or the Trustee shall make such credit arrangements with said Paying Agents as to permit such payments.

The Debt Service Reserve Fund is pledged to, and shall be used by the Trustee for, the payment of principal and interest on the Bonds if other available Funds are insufficient for that purpose, or, to the extent herein provided, for the redemption or redemption of Bonds. Until required for such purpose, moneys therein shall be invested by the Trustee in such direct obligations of the United States, or obligations guaranteed as to both principal and interest by the United States, as the Executive or the Fiscal Officer of the University shall direct in writing addressed to the Trustee, which writing shall determine that the maturity, or first date of redemption at the option of the holder, of the respective obligations is not later than the date on which such Funds will be required for payment of such principal and interest, provided that amounts therein deposited pursuant to paragraph Second of this Section for the retirement of such Bonds shall be invested and applied to such purpose in the manner provided in the Resolution authorizing such term Bonds.

Any amounts in the Debt Service Reserve Fund in excess of the required reserve provided for in Paragraph Second above may be used to purchase Bonds for cancellation or to redeem Bonds then subject to redemption to the extent and in the manner from time to time requested in writing by the Executive or the Fiscal Officer of the University. The purchase price of Bonds purchased for cancellation shall not exceed their prevailing market price. In determining such excess over the required reserve, the required reserve shall be determined on the basis of only those Bonds to be outstanding after the redemption or purchase for cancellation of the Bonds to be redeemed or purchased with such excess.

The Fiscal Officer of the University may invest amounts in the Revenue Fund in direct obligations of the United States, or obligations guaranteed as to both principal and interest by the United States, maturing, or redeemable by the holder, in not more than five years from the date of investment, provided that the amounts and maturities of such investments shall always be such as to keep available in the Revenue Fund sufficient moneys for payment of Operating and Maintenance Expenses and for the deposit provided above at the times needed for such purposes.

Investments, including the interest and other earnings and proceeds of sale thereof, of any amounts in the Debt Service Fund and the Debt Service Reserve Fund shall be invested and applied to such purposes as the Executive or the Fiscal Officer of the University shall direct in writing addressed to the Trustee, which writing shall determine that the maturity, or first date of redemption of the Bonds to become due on future interest and principal payment dates. Such transfers shall be made by the Trustee upon the written directions of the Executive or Fiscal Officer of the University.

Investments of amounts in the Debt Service Fund and the Debt Service Reserve Fund shall be sold, exchanged, or collected from time to time as directed by the Executive or the Fiscal Officer of the University, and the Trustee shall be under no liability and have no responsibility in connection with such investment, or the sale, exchange or collection thereof, provided the directions of the officer acting are followed. Investments of moneys in Special Funds shall be valued at their face value amount or market value, whichever is lower.

Section 6. Additional Bonds. (a) The University shall have the right from time to time, to issue additional Bonds to provide Funds for any purposes authorized by Section 305.11 of the Revised Code of Ohio. The Trustee shall authenticate and deliver all such additional Bonds in accordance with the provisions of this Section. The University shall deliver to the Trustee, against the bonds required for this subdivision, all such Bonds as are tendered to the Trustee for retirement with the proceeds of such additional Bonds, or with the proceeds of such additional Bonds.
Receipts, including said Student Facilities Fee; the Bonds are not general obligations
said Student Facilities Fee, and neither the State of Ohio nor the University shall
be a claim against or a lien upon any property of the State of Ohio or any
and anything in this Resolution, the Bonds or the Trust Agreement to the contrary
after provision for the Operating and Maintenance Expenses of the Pledged Facilities,
Trustee on behalf of the University once a week
the fulfillment of any of the terms, conditions or obligations of the Trust Agree-
right to have any taxes levied, collected or applied for or to the payment of
principal or interest thereon; provided, however, that nothing herein shall be
implied that any such Bonds shall be payable from any proceeds from the sale of such Additional Bonds prior to the resolution
authorizing such Bonds, or (iv) will be available in the Debt Service Fund from any combination of the aforesaid sources.
(c) The resolution authorizing such Additional Bonds shall contain such provisions as
to fund deposits and other covenants as shall be consistent with the terms of the
Resolution relating to all Bonds, shall not permit redemption of such Additional Bonds
earlier than the first redemption date of Bonds then outstanding, and shall provide
for deposit of the proceeds of sale thereof in the appropriate funds in a manner
satisfactory to the Trustee to assure the use thereof for authorized purposes. Ad-
ditional Bonds shall have maturities, interest rates, redemption provisions, denomi-
rations in the Resolution or resolutions authorizing their issuance or sale, provided, however, that such terms and provisions shall not
be inconsistent with this Resolution, the Trust Agreement or the then outstanding
Bonds. Additional Bonds shall be payable from the Debt Service Fund and other Special
Funds established by Section 5 of this Resolution, as provided in this Resolution,
and secured by a pledge of the Pledged Receipts on a parity with the Project Bonds
and other Additional Bonds.
Section 7. Terms of All Bonds. All bonds shall bear such designations as
may be necessary to distinguish them from other series of bonds having different
provisions. All Bonds shall be payable in lawful money of the United States, shall
be in coupon form registrable as to principal or in fully registered form as provided
in the resolution authorizing them or in the Trust Agreement, shall be negotiable instruments and shall express on their face the purpose for which they are issued and
that they are issued pursuant to this Resolution.

The Bonds and coupons shall be executed in the manner provided in the resolution
authorizing their issuance or in the manner provided by the law in effect at the time
of their issuance. In case any officer whose signature or a facsimile of whose
signature shall appear on any Bond or Coupons shall cease to be such officer before the
issuance, authentication or delivery of such Bonds or Coupons, such signature or such
facsimile shall nevertheless be valid and sufficient for all purposes, the same as
if he had remained in office until that time.

Notice of redemption of Bonds, specifying the designation and numbers (and
portions of fully registered Bonds) to be called, shall be published by the
Trustee or the University prior to the redemption date in a financial journal of
national circulation, the first publication to be not less than thirty (30) days prior to the redemption date. If Bonds or portions of
registered Bonds are duly called for redemption and if on such redemption date
maturity of all the Bonds to be redeemed, together with interest
to the redemption date, shall be held by the Trustee or Paying Agents as to be
available for retirement thereon and from this after such redemption date such Bonds or
portions of registered Bonds shall cease to bear interest and any coupons for
interest thereon maturing subsequent to the redemption date shall be void, and
such Bonds or portions of registered Bonds shall not be redeemable out of
the Debt Service Reserve Fund except to the extent of any proceeds
in excess of the balances required to be maintained therein
under the provisions of Section 5 hereof, the transfer of which excess moneys for
such purpose is hereby authorized, or (ii) will be deposited to the Debt Service
Fund from earnings on direct obligations of the United States deposited with the
Trustee, or (iii) will be deposited to the Debt Service Fund from appropriate portions
of the proceeds from the sale of such Additional Bonds pursuant to the resolution
authorizing such Bonds, or (iv) will be available in the Debt Service Fund from any
combination of the aforesaid sources.

As provided herein, the Bonds shall be equally and ratably payable from,
and secured by, a pledge of the Pledged Receipts including the Student Facilities Fee
after provision for the Operating and Maintenance Expenses of the Pledged Facilities,
and anything in this Resolution, the Bonds or the Trust Agreement to the contrary
notwithstanding, neither this Resolution, the Bonds, nor the Trust Agreement shall
be a claim against or a lien upon any property of the State of Ohio or any
property of or under the control of the Board except the Pledged Receipts including
said Student Facilities Fee, and neither the State of Ohio nor the University shall
be obligated to pay or provide for payment thereof from any funds except such
Pledged Receipts, including said Student Facilities Fee; the Bonds are not general obligations
of the University, nor the full faith and credit of the State nor
of the University are pledged to their payment and the Bondholders shall have no
right to have any taxes levied, collected or applied for or to the payment of
principal or interest thereon; provided, however, that nothing herein shall be
deemed to prohibit the University of its own volition, from using to the extent
it is lawfully authorized to do so, any of its other resources or revenues for
the fulfillment of any of the terms, conditions or obligations of the Trust Agree-
ment, this Resolution or any of the Bonds.
Section 6. Covenants of the University. The University covenants with the holders of the Bonds and with the Trustee as follows:

(a) The University will, while any of the Bonds remain outstanding, fix and adjust the fees, charges and rates comprising the Pledged Receipts, including the Student Facilities Fee, so that the receipts from the Student Facilities Fee and other Pledged Receipts, be sufficient to pay the Operating and Maintenance Expenses of the Pledged Facilities and provide for the payment of the principal and interest on the Bonds and other payments to Special Funds required by Section 5 of this Resolution.

(b) From funds lawfully available, the University will cause the project, and any part thereof, to be constructed, from the proceeds of the Bonds, to be constructed and equipped in an efficient and economical manner with reasonable dispatch, in compliance with all applicable laws, ordinances and regulations, and, if substantial construction is involved, in a manner consistent with the plans and recommendations of responsible architects or engineers; and the University shall, from surplus dormitory and dining hall revenues and other funds lawfully available therefor, provide sufficient funds for the completion of so much of the dormitory facilities situated in the Project as may be necessary to the completion and utilization of the Project.

(c) Subject to the right of abandonment under conditions provided in the Trust Agreement designed to prevent adverse effect of such abandonment on the expected earnings coverage of Debt Service, the University will maintain, preserve and keep the Pledged Facilities in good repair, working order and operating condition, or cause the same to be done, and will apply the Pledged Receipts only as provided in Section 5 of this Resolution and in the Trust Agreement.

(d) If requested in writing by the Trustee or Original Purchaser, the University will furnish to the Trustee and the Original Purchaser of the Bonds within 120 days after the close of each fiscal year an annual report of the accounts (including each Special Fund provided for in Section 5 of this Resolution) of the Pledged Facilities prepared by a qualified accounting firm operating generally throughout the United States, having a national reputation and approved by the Trustee, or prepared by the State auditing official if the same be acceptable by the Trustee or Original Purchaser making the aforesaid request for such annual report.

(e) The University will keep proper books of record and accounts separate from all other records and accounts, in which complete and correct entries will be made of all transactions relating to the Pledged Facilities and will at all reasonable times permit the Trustee, the Original Purchaser or any holder or holders of 25% of the outstanding Bonds, or their authorized representatives, to inspect the Pledged Facilities and any books, documents and records relating thereto.

(f) The University will furnish heat, light, power, water and other necessary services to the Pledged Facilities at not in excess of reasonable cost.

(5) "Pledged Receipts" shall mean (a) the Student Facilities Fee, (b) other revenues and receipt of the University from the operation or leasing of the Pledged Facilities,

Such Student Facilities Fees are hereby determined to be revenues derived or to be derived from the operation of the Pledged Facilities.

(7) "Facilities Charge" shall mean a charge, from time to time determined by the University, made against the University athletic department and other departments and operations of the University for their use of the Pledged Facilities, provided that, as to each such charge, shall not exceed the remaining amount of fee allocations, revenues and receipts of such department or operation derived from its activities conducted in connection with such use of Pledged Facilities, and which the University can lawfully pledge to the security of the Bonds under Ohio Section 331.51 after paying all other costs and expenses of such activities. WHEREAS, the University has and does hereby determine and confirm that it is necessary to issue notes to pay the interim construction costs prior to the issuance and delivery of said Project Bonds; and

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of The President and Trustees of The Ohio University:

Section 2. Said notes shall be payable solely from (a) the "Pledged Receipts" after provision for Operating and Maintenance Expenses", if any, of the "Pledged Facilities", as such terms are defined in the Bond Resolution, subject to the pledge thereof to the Project Bonds upon the issuance of said Bonds; and (b) the proceeds of the sale of bonds or notes to be issued pursuant to Revised Code Section 3345.11 or other authorizing provision of law; and neither the Board nor the State of Ohio is obligated to pay the principal of or interest on said notes from any other funds or source, nor shall such notes be a claim upon or lien against any other property of the University or the State and said notes are not general obligations of the State or the University; that the full faith and credit thereof are not pledged thereto and the noteholders shall have no right to have any taxes levied, collected or applied for or to the payment thereof.

Section 3. Said notes shall be designated "Convocation Center Notes of 1966", shall be dated as determined by the Treasurer, and shall mature two years from their date, with provision for prepayment at par plus accrued interest not less than one year prior to the date of said notes. Said notes shall bear interest payable annually or semi-annually, as determined by the Treasurer, or upon prepayment of principal, at the rate or rates, not exceeding 3.63% per annum, as determined by the Treasurer in his certificate awarding such notes. Said notes shall be in bearer coupon form or in fully registered form without coupons and in the denomination of $50,000 and any multiples thereof, and may be represented by a single note, all as requested by the Original Purchaser thereof and approved by the Treasurer. Said notes shall be payable as to both principal and interest at the place designated by the Original Purchaser and approved by the Treasurer, and said notes shall be signed by the President and the Treasurer, or by either of such officers, attested by the Secretary of the Board, and shall be impressed with or bear a facsimile of the official seal of the University, and the coupons, if any, pertaining thereto shall be signed by or bear the facsimile signature of the Treasurer. Both the principal of and the interest on all coupon notes shall be payable at the principal office of the Paying Agent. Payment of the interest on coupon notes shall be made only upon presentation and surrender of the coupons representing such interest as the same respectively fall due. The principal of all registered notes shall be payable at the principal office of the Paying Agent and payment of the interest thereon shall be made on each interest payment date to the person appearing on the registration books of the University hereinafter provided for as the registered owner thereof, by check or draft mailed by the Paying Agent to such registered owner at his address as it appears on such registration books.

The University shall cause books to be kept by the Paying Agent as note registrar for the registration and transfer of notes as provided in this Resolution.

Title to any coupon note and to any interest coupon shall pass by delivery in the same manner as a negotiable instrument payable to bearer. Any registered note without coupons may be transferred only upon the books kept for the registration and transfer of such notes, upon surrender thereof together with an assignment duly executed by the registered owner or his attorney in such form as shall be satisfactory to the Paying Agent. Upon the transfer of any such registered note the University shall execute in the name of the transferee and deliver a new registered note or notes, without coupons, of any denomination or denominations authorized by this Resolution, in aggregate principal amount equal to the principal amount of such registered note, of the same maturity, and bearing interest at the same rate.

Except as otherwise provided in this Resolution, the University and the Paying Agent may make a charge for every such transfer of notes sufficient to reimburse them for all costs and expenses incurred in connection with such transfer, and such charge or charges shall be paid before any such new note shall be delivered. Neither the University nor the Paying Agent shall be required to transfer any note or notes during the ten (10) days next preceding an interest payment date on the notes.

The principal and interest of the Series E Bonds shall be payable at the principal office of the Trustee under the Trust Agreement hereinafter provided for (said Trustee at the time of issuance of said Bonds being The City National Bank and Trust Company of Columbus, Columbus, Ohio), or at the option of the holder at the principal office of The Chase Manhattan Bank in the Borough of Manhattan, City and State of New York, except that interest on fully registered Bonds is payable by check as provided in the Trust Agreement and principal on fully registered Bonds may also be payable at such additional place or places, at the option of the holder, as shall be designated by the President and the Vice President for Business Affairs.

Series E Bonds maturing January 1, 1967 through January 1, 1976, inclusive, shall be callable beginning July 1, 1974, and Series E Bonds maturing after January 1, 1976 are subject to call for redemption prior to maturity in whole or in part and in inverse numerical order at the option of the Board on July 1, 1976, or on any interest payment date thereafter at par and accrued interest to the date of redemption plus a redemption premium for each bond as follows:

2% if redeemed July 1, 1971 through January 1, 1979, inclusive,
2-1/2% if redeemed July 1, 1979 through January 1, 1980, inclusive,
4% if redeemed July 1, 1980 through January 1, 1989, inclusive,
5% if redeemed July 1, 1989 through January 1, 1994, inclusive,
and without premium if redeemed after January 1, 1999

Except for the redemption of Series E Bonds with surplus funds in the Construction Account as provided in Section 1 of this Resolution, funds for the redemption of Bonds prior to maturity shall be applied, as to any Series of Bonds held by the United States of America at the time of such redemption on a pro rata basis (reflecting the proportion of the original amount of such Series of Bonds then held by the United States of America to the total amount of Bonds then outstanding under the original and supplemental Trust Indentures).

Calls for redemption shall be made by notice, specifying the numbers and amount of the Bonds to be called, published by the Trustees on behalf of the University in a newspaper of general circulation published in Columbus, Ohio, the first publication to be not more than forty (40) nor less than thirty (30) days prior to the date of redemption.

Series E Bonds shall be signed by the Chairman of the Board and the President of the University or shall bear the facsimile signatures of said officers, shall be attested by the Secretary of the Board or the Treasurer of the University, and shall be sealed with the seal of the University or a facsimile thereof, and interest coupons attached thereto shall bear the facsimile signature of the Secretary of the Board, or Treasurer of the University.

Series E Bonds and coupons shall be in substantially the form provided in the Trust Agreement with such variations as may be required by the Original Purchasers and approved by the President and Vice President for Business Affairs of the University, provided that such Bonds shall contain no terms or provisions inconsistent with this Resolution, the Original Bond Resolution, the Trust Agreement or the Loan Agreement.

(b) Terms of Additional Bonds. Additional Bonds and their coupons shall be designated, dated and signed, shall be in such form and denomination or denominations and shall have such maturities, interest rates, interest payment dates, redemption provisions, registration provisions, places of payment and other terms, provisions and conditions as may be provided pursuant to the resolution authorizing their issuance; provided, however, that such terms and conditions shall not be inconsistent with this Resolution, the Original Bond Resolution, the Trust Agreement or the then outstanding Bonds; and provided, further, that resolutions authorizing the issuance of Additional Bonds shall provide for the payment of the principal of such Additional Bonds on January 1 of each year in which principal shall become due for the payment of interest on such Additional Bonds on January 1, and July 1 of each year in which interest shall be payable under the terms of said Resolution.

(c) Terms of all Bonds. All Bonds and Coupons shall bear such designations as may be necessary to distinguish them from other series of Bonds and Coupons having different provisions.

All Bonds and Coupons shall be payable in any coin or currency which, on the respective dates of payment, is legal tender for the payment of debts due the United States of America.

In case any officer whose signature, or a facsimile of whose signature, shall appear on any Bonds or Coupons shall cease to be such officer before the issuance, authentication or delivery of such Bonds or Coupons, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes, the same as if he had remained in office until that time. Any Bonds, duly called for redemption and for the retirement of which Funds are deposited with the Trustee in an amount equal to the principal, premium if any, and interest to the redemption date, shall cease to bear interest from said redemption date and shall no longer be deemed to be outstanding.

As provided herein, and in the Trust Agreement, the Bonds shall be equally and ratably payable free, and secured by pledge of, the receipts from the operation...
of all Dormitory Facilities of the University now or hereafter under control of the Board after provision for reasonable and proper expenses of operation and maintenance of such Dormitory Facilities and anything in this Resolution, the Original Bond Resolution, the Bonds, or the Trust Agreement shall be a claim against or a lien upon any property of the State of Ohio or any property of or under the control of the Board except the portion of said receipts pledged as provided herein; provided, however, that nothing herein shall be deemed to prohibit the University, of its own volition, from using, to the extent it is lawfully authorized to do so, any of its other resources or revenues for the fulfillment of any of the terms, conditions or obligations of the Trust Agreement, this Resolution, the Original Bond Resolution, or any of the Bonds.

Section 3. Issue of Series E Bonds. The Series E Bonds shall be advertised for sale, awarded, issued, authenticated and delivered pursuant to terms and provisions of the Loan Agreement.

Section 4. Allocation of Proceeds of Series E Bonds. The proceeds from the sale of the Series E Bonds shall be allocated and applied by the University as follows:

(a) The portion representing accrued interest to the Bond and Interest Sinking Fund Account provided for in Section 7.

(b) To the University the amounts necessary to reimburse the University for amounts expended by it on construction of the Project prior to issuance of the Series E Bonds.

(c) The balance to the Construction Account to be held by the Trustee to pay all costs of the Project (including in accordance with the Loan Agreement the repayment of any amounts borrowed by the University to pay Project costs and interest thereon). Any money remaining in the Construction Account after all costs of the Project have been paid, but not more than $60,000 shall be returned to the University. Any money then remaining in the Construction Account shall be promptly used for the purpose of paying for the redemption of Series E Bonds, and any residue shall be deposited in the Bond and Interest Sinking Fund Account.

Moneys in the Construction Account shall be expended only for such purposes as shall have been previously specified in the project cost estimates approved by the Housing and Home Finance Agency.

No part of the proceeds of Series E Bonds sold to the United States acting through the Housing and Home Finance Agency shall be used to pay costs (including cost of movable equipment or fees of a financial advisor) which, under the said Loan Agreement as from time to time amended or under the rules, regulations or practices of the Housing and Home Finance Agency, may not be paid from proceeds of bonds purchased by the United States through that agency, and the proceeds of the Series E Bonds purchased by the United States as aforesaid shall be segregated in the Construction Account to the extent necessary to effect the foregoing.

The Vice President for Business Affairs or the Treasurer of the University may make withdrawals from said Construction Account in order to make payments from such account authorized under this Section 4. If the payment is to be made with respect to an obligation under a construction contract relating to the Project, such payment shall have been certified as due under such contract by a qualified architect or engineer. If the payment is to be made from proceeds of Series E Bonds sold to the United States acting through the Housing and Home Finance Administrator, then the costs to which such payment is to be applied shall be costs which may be paid from such proceeds under said Loan Agreement as from time to time amended and the rules, regulations and practices of the Housing and Home Finance Agency.

Where the moneys on deposit in the Construction Account exceed the estimated disbursements on account of the Project for the next 90 days the Vice President for Business Affairs or the Treasurer of the University may invest such excess funds in direct obligations of, or obligations which are guaranteed by the United States Government which shall mature or which shall be subject to redemption by the holder thereof at the option of such holder, not later than 18 months after the date of such investment. Such investments, the earnings thereon and the proceeds of sale thereof shall constitute part of the Construction Account. The said investments may be sold, exchanged or collected from time to time by the Vice President for Business Affairs or the Treasurer of the University.

Section 5. Additional Bonds. (a) The University shall have the right from time to time to issue Additional Bonds if necessary to pay the costs of completing the Project or any project for which Additional Bonds are issued, without necessity for compliance with any earnings coverage, or certificate with respect thereto, in connection with Additional Bonds issued for completion of a project.

(b) The University shall also have the right from time to time to issue Additional Bonds on a parity with other Bonds to provide funds for any purpose authorized by Section 3305.07 of the Revised Code of Ohio including, without limiting the generality of the foregoing, acquiring, constructing and equipping Dormitory Facilities and the refunding of bonds and notes issued for any of such purposes. The Trustee shall authenticate and deliver Bonds under this paragraph...

Net Income Available for Debt Service", as used in this paragraph (b) shall mean the total of the average annual debt service on each series of Bonds computed as to each series by taking the total of the principal and interest maturities on all Bonds of such series (excluding those Bonds or portions of fully registered Bonds which are to be redeemed or retired with the proceeds of such Additional Bonds or with the proceeds of Additional Bonds therefore issued or to be issued concurrently with the issuance of such new Additional Bonds) for the then current fiscal year ending June 30 and each subsequent fiscal year to and including the fiscal year in which occurs the final principal maturity of such series, subtracting therefrom any funds held and irrevocably committed to the payment of principal of and interest on said Bonds or a pro-rata portion of funds so held for all Bonds, exclusive of the amount comprising the required reserve in the Bond and Interest Sinking Fund Account provided for in Section 7 of this Resolution, and dividing the resultant figure by the number of said years; provided that the Aggregate Average Annual Debt Service Requirement shall in no case be deemed to exceed the highest aggregate annual principal and interest requirements of all those Bonds with regard to which the computation of the Aggregate Average Annual Debt Service Requirement is being made.

Section 6. Covenants of the University. The University covenants with the holders of the Bonds and with the Trustee under the Trust Agreement that (a) it has or will adopt and will maintain so long as any of the Bonds are outstanding such parietal rules, and charge and collect such rental rates and charges, from time to time as may be necessary or reasonable to assure such occupancy and use of, and receipts from, the Dormitory Facilities as will pay the costs of maintenance and operation and provide for the payment of the principal of and interest on the Bonds and other payments to the Special Funds required by Section 7 of this Resolution; (b) it shall not create or permit to be created any charge or lien on the revenues of the Dormitory Facilities equal to or prior to the pledge of such revenues as herein provided; (c) from funds lawfully available, it will cause any project to be constructed from the proceeds of Additional Bonds, to be completed and equipped in an efficient and economical manner with reasonable dispatch, in compliance with all applicable laws, regulations, and, if substantial construction is involved, in a manner consistent with the plans and recommendations of responsible architects; (d) subject to the right of abandonment under conditions provided in the Trust Agreement designed to prevent adverse effect of such abandonment on the expected earnings coverage of Debt Service, it will, from the dormitory receipts pledged under this Resolution and as part of the operating expenses, maintain, preserve and keep the Dormitory Facilities in good repair, working order and continuous operation and continuously operate the same on a revenue producing basis and will apply the receipts therefrom only as provided in Section 7 of this Resolution and in the Trust Agreement; (e) if requested in writing by the Trustee or the Original Purchasers, it will furnish to the Trustee and the Original Purchasers of the Bonds within 120 days after the close of each fiscal year as annual report of the accounts (including each Special Fund provided for in Section 7 of this Resolution) of the Dormitory Facilities prepared by a qualified accounting firm operating generally throughout the United States, having a national reputation and approved by the Trustees; (f) it will keep proper books of record and accounts accurate and complete record of all other receipts and accounts, in which full and complete and correct entries will be made of all transactions relating to the Dormitory Facilities and will at all reasonable times permit the Trustee, the Original Purchasers or any holder or holders of 25 per cent of the outstanding Bonds, or their authorized representatives, to inspect the Dormitory Facilities and any books, documents and vouchers relating thereto; (g) it will furnish heat, light, power, water and other necessary services to the Dormitory Facilities at not in excess of reasonable cost; (h) it will maintain insurance such as that presently carried generally on its Dormitory Facilities and, further, will insure the Dormitory Facilities as required by the Trust Agreement and apply the proceeds of such insurance as provided therein and its other agreements and obligations provided for by the Loan Agreement, the Bonds, the Trust Agreement, or this Resolution, including deposit in the Construction Account the sum of $50,000, or such
greater amount as is necessary, together with the proceeds of Series E Bonds, to
secure completion of the Project.

the Original Bond Resolution a Special Fund designated as the "System Revenue Fund

of the Dormitory Facilities shall be deposited to the credit of the System Revenue Fund Account and held in the custody of the Treasurer of the University, separate

The remainder of the System Revenue Fund Account, after providing for payment
of Current Expenses, shall be applied as provided in the Original Bond Resolution;
namely, as follows:

Trustee as a separate fund and used for the payment of principal and interest
on the Bonds, the University shall transfer from the System Revenue Fund Account and deposit to the credit of the Bond and Interest Sinking Fund Account, on or

Mr. Miler was then called upon for a report on land acquisition. He reported that one property on Woodland Avenue, and the Carpenter lot at the rear of the Baker
Center, had been acquired as authorized by the Board of Trustees and that the Attorney General and the Department of Public Works are preparing appropriation proceedings on three properties on Woodland Avenue, and the Hauch property located at the corner of President and Court Streets.

Mr. Lausche then presented a letter from the Department of Public Works recommending the awarding of contracts for the construction of the Belmont County Branch Campus. After discussion of this letter, it was moved by Mr. Baxter, seconded by Mr. Caste, and unanimously carried that the following contractors be awarded the contracts as indicated below:

Mr. Lausche then presented a plan for leasing facilities in the Lakeview Recreation Center for feeding the students living in that area. There was a general discussion of this proposal and it was then moved by Mr. Galbreath, seconded by Mr. Herrold, and unanimously carried that the Chairman appoint a committee of the Board of Trustees to investigate this feeding problem with authority to do whatever is necessary to alleviate the problem, including the authorization of leasing Lakeview properties at a rental if the Committee of the Board of Trustees approves.
The Chairman appointed the following committee: Russell Herrold, Joe Hall, John Ulbricht, and Don Casto, Chairman.

Mr. Hecht then presented a letter from Dwight Rutherford, President of The Sheltering Arms Hospital Foundation, requesting the Board of Trustees to reserve what is known as land tracts 2 and 3 of the Athens State Hospital Land Transfer for a total medical services center for the University-Athens community. He pointed out this total acreage is 91 acres, but with the development of the Athens Flood Control plan this would probably be reduced to 60 or 70 acres.

There was a discussion of this request, and it was then moved by Mr. Johnson, seconded by Mr. Hall, and unanimously carried that tracts 2 and 3 of the property transferred from the State Hospital be reserved for possible future use of the Sheltering Arms Hospital Foundation.

Mr. Miller then presented a projected enrollment through 1970, which indicated a total head count in 1970 of 17,343 undergraduate students and 2550 graduate students, making a total of 19,893 head count enrollment for 1970. This converted into full-time equivalent enrollment of 18,062 undergraduate students and 1938 graduate students for full-time equivalent enrollment of 20,000.

He also presented a proposed University dormitory construction and private dormitory construction proposal that together will house the projected enrollment in 1970.

The Secretary then presented 12 proposed Resolutions which would comply with suggestions presented by the Chancellor of the Board of Regents. It was then moved by Mr. Stocker, seconded by Mr. Johnson, and unanimously carried that the following Resolutions be adopted.

BOARD OF TRUSTEE ACTION NECESSARY TO COMPLY WITH BOARD OF REGENTS SUGGESTIONS

1. An income ordinance setting forth a schedule of fees to be charged students for all purposes, including differentiation between in-state and out-of-state students.

RECOMMENDATION NO. 2

Suggested amendment to June 5, 1965 action. Amend last paragraph as follows:

After a further discussion of this proposal, it was moved by , seconded by , and unanimously carried that the $225.00 semester fee and the $200.00 non-resident fee be considered a general comprehensive fee and that the administrative officers be authorized to distribute these fees as determined to be in the best interest of the University.

(NOTE: Underlined words have been added.)
5. A general statute providing for the receipt, custody, and appropriate disbursement of all General and Special income of the college or university from the State Government, the Federal Government, Municipal Government, Gifts, Bequests, Research Grants and Contracts, and other sources.

6. 7. A general statute defining authority to handle the receipt of collections from students and the public, providing for necessary change or cash funds, and fixing responsibility for custody and accounting of such collection funds.

8. A general statute defining authority to handle the receipt of collections from students and the public, providing for necessary change or cash funds, and fixing responsibility for custody and accounting of such collection funds.

9. A general statute defining all petty cash funds to be maintained in the college or university, specifying appropriate use of such petty cash funds, and fixing responsibility for custody and accounting of such funds.

10. A general statute authorizing and directing the preparation of an annual financial report in appropriate detail, and specifying publication and distribution.

Recommendations 5, 6, 7 and 10 I believe can be combined into two general resolutions. I suggest the following resolutions to cover these requests:

RESOLUTION NO. II

BE IT RESOLVED that the appointment of John F. Milar as Treasurer of Ohio University made by President Alden under his authority as President of Ohio University effective July 1, 1963, is hereby confirmed and that the duties and responsibilities of the Treasurer under the general supervision of the Vice President for Business Affairs are as follows:

a. He shall be responsible for the receipt, custody and appropriate disbursement of all General and Special income of the University from the State Government, the Federal Government or any other governmental agency. This includes appropriations, gifts, bequests, research grants, contracts or any other income from these sources.

b. He shall be responsible for the receipt, custody and appropriate disbursement of all collections from students and student organizations, including agency funds of student organizations.

c. He shall be responsible for the receipt, custody and appropriate disbursement of all funds from any source received by any University department including University branches, housing and dining hall receipts, student center receipts, Athletic department receipts or any other departmental receipts.

The Treasurer shall be responsible for keeping all financial records of the University, the records will be kept in the generally accepted manner recommended by the Ohio Board of Regents and the Auditor of State. He shall be responsible to establish all practicable internal audit procedures and shall prepare, publish, and distribute an annual financial report in appropriate detail.

RESOLUTION NO. III

ADDITIONAL RESOLUTION NECESSARY TO CONFORM WITH SUGGESTION NO. 6.

BE IT RESOLVED that administrative action previously taken by the Vice President for Business Affairs, or the Treasurer of Ohio University, or both, opening an account or accounts with the Athens National Bank, Athens, Ohio, is hereby approved and confirmed; and that the Secretary of the Board of Trustees of Ohio University is authorized to sign the Corporate Resolutions authorizing Bank Account Form to carry out this action.

RESOLUTION NO. IV

In order to operate our overseas project and eliminate the long delay necessary in transmitting salary and other operating checks from Athens, Ohio, to the location of the various projects, the following petty cash funds have been established administratively:

Peace Corps for the Cameroons, $47,000; Western Region of Nigeria, $17,500; Northern Region of Nigeria, $20,000; Vietnam Project, $8,000.
In addition to the overseas funds, the State Board of Control approved the establishment of a $12,000 Petty Cash Fund in the Athens National Bank in 1947. This fund is still active for payment of salaries in certain emergencies. The following action is recommended:

BE IT RESOLVED that the administrative action previously taken by the Vice President for Business Affairs and/or the Treasurer of Ohio University in establishing the following Petty Cash Funds is hereby confirmed and approved.

1. Peace Corps for the Cameroons $41,000
2. Western Region of Nigeria 17,500
3. Northern Region of Nigeria 20,000
4. Vietnam Project 8,000

OVERSEAS TOTAL $66,500

5. Athens National Bank 12,000

TOTAL $96,500

II. A general statute fixing salary compensation practices and procedures for all employment.

I believe we need the following action:

RESOLUTION NO. V

That all faculty salaries shall be set by the President of the University within the following ranges for the academic year 1965-66:

<table>
<thead>
<tr>
<th>Low</th>
<th>High</th>
</tr>
</thead>
<tbody>
<tr>
<td>Professor</td>
<td>$10,700</td>
</tr>
<tr>
<td>Associate Professor</td>
<td>8,400</td>
</tr>
<tr>
<td>Assistant Professor</td>
<td>6,200</td>
</tr>
<tr>
<td>Instructor</td>
<td>5,100</td>
</tr>
<tr>
<td>Miscellaneous Faculty Ranks</td>
<td>6,800</td>
</tr>
</tbody>
</table>

In unusual circumstances the President may exceed the ceiling designated above; however, the minimum must be adhered to. The President of the University is authorized to determine the annual salary paid to all other administrators. The total salary may include room and board without charge if it is felt beneficial to the University for certain administrators to live in University controlled facilities. The President of the University is responsible for all other salaries, that is, clerical, secretarial, dormitory and other maintenance employees. In determining these salaries, the rates and classifications approved by the State Department of Personnel shall be generally followed. In special cases these rates may be exceeded; however, no salaries may be less than the State Department of Personnel rates.

12. A general statute setting forth standard purchasing practices and procedures, including operation of central stores, distribution arrangements, and charge-out practices.

13. A general statute setting forth standard practices and procedures for the purchasing of printing.

RESOLUTION NO. VI

Resolved that the policies, practices, and functions of the Purchasing Department as set forth in the attached Purchasing Manual are confirmed and approved.

15. A general statute setting forth University policy and practice in the use of institutionally owned motor vehicles (passenger and truck) and airplanes.

RESOLUTION NO. VII

Resolved that all University owned motor vehicles and airplanes are to be used only for official University business, and the President shall specify a definite administrative official to be responsible for the control of all motor vehicles and airplanes, and to carry out this policy.

16. A general statute setting forth college or university policy and practice in providing rent-free housing to members of the staff and in providing rental housing to members of the staff.

RESOLUTION NO. VIII

Resolved that any temporary or excess housing under the control of the University may be rented to faculty, staff, or other employees of the University, by the administrative officials designated by the President. The rate charged shall be comparable to the current rental rates in the City of Athens.
17. A general statute setting forth university practice in providing an entertainment to members of the staff.

RESOLUTION NO. IX

WHEREAS, it is frequently necessary to incur expenses in connection with the entertainment of certain campus visitors, and whereas it is frequently necessary to incur entertainment expenses in connection with the conduct of official business away from the campus, now, therefore, be it resolved by the Board of Trustees that the following designated university officials be and are hereby authorized to approve expenditures for entertainment: The President, Vice President for Academic Affairs, the Vice President for Development, the Vice President for Business Affairs, Dean of Students, the Dean of the Graduate College, the Dean of the University College, the Dean of the Branches, all Deans of the Academic Colleges, the Treasurer of the University, the Secretary of the Board of Trustees and the Director of Athletics.

Provided, however, that expenditures for this purpose shall not exceed the amounts set forth in the university's current operating budget and further provided that expenditures for this purpose shall not be made from state appropriated funds. Be it further resolved that the Board of Trustees hereby authorize the President of the University, the Vice President for Development, and Secretary of the Board of Trustees of the University to maintain a non-resident membership in a club in the City of Columbus, Ohio. The dues for such membership to be paid from University funds other than state appropriated funds.

18. A general statute providing for a perpetual inventory of all real property, including movable equipment, and specifying appropriate safeguards for the protection of property, including insurance coverage, and establishing policies and practices in the case of willful or negligent destruction of property by employees, students, or others.

RESOLUTION NO. X

RESOLVED that a perpetual inventory system of all equipment and buildings be established in compliance with R. C. Section 9.50, and that all equipment items be properly numbered and charged to the specific department, and that the department head is accountable for all equipment in the department.

19. A general statute setting forth college or university policy and practice in the support of student activities where a compulsory fee is charged for the financial benefit of such activities, specifying amount of such financial support, providing for proper obligation and disbursement of such funds, and requiring proper reporting of such funds.

RESOLUTION NO. XI

An Athletic, Lecture and Entertainment Fee has been charged students attending Ohio University since 1898. Since 1936 the distribution of at least part of this fee to various campus organizations has been made by the Campus Affairs Committee. The Board of Trustees in the past have allocated a portion of this fee to the Alumni Association, to the Athletic Department, and to the Convocations Committee, the balance being allocated by Campus Affairs Committee. I can find no official authority from the Board of Trustees for the allocation of such fees. I would suggest that the following action be taken:

BE IT RESOLVED that the President is authorized to delegate the distribution of a portion of the comprehensive fee to various campus-wide student organizations under the recommendation of certain designated committees. It is understood that the student organizations receiving the funds from this distribution must be groups which provide opportunities for students to develop a special talent to the benefit of the whole University or which provide recreational programs for students or bring to the campus professional talent and exhibits beneficial to the whole student body.

20. A general statute setting forth college or university policies and practices in providing an agency status for collection, deposit, disbursement, and audit of student activity funds.

At the June 6, 1936, meeting of the Board of Trustees, President James reported that during the year just passed arrangements have been perfected for putting all student organization funds under a central financial control with an auditor responsible to the Treasurer of the University. It is suggested that the following resolution be formally adopted by the Board of Trustees:
MINUTES—OHIO UNIVERSITY, Board of Trustees—January 5, 1966

RESOLUTION NO. XII

That the Students' General Fund audit system as established in 1936 by the President of the University for all student organization funds is hereby approved and the purpose of the system being to provide accountability of funds, to secure uniformity in accounting records, to establish continuity between business officers and their successors, to provide systematic methods for transactions, and to assist the organizations' officials in keeping their activities on a sound business basis. The Secretary then presented Item 3(t) of the will of W. Ross Dunn:

Item 3(t):

Five ($5) per cent to Ohio University, Athens, Ohio to be used as a partial or complete endowment of a scholarship.

It was pointed out that according to the inventory filed in the Hamilton County Probate Court this bequest would amount to over $127,000.

It was moved by Mr. Stocker, seconded by Mr. Galbreath, and unanimously carried that this bequest be accepted by Ohio University and that the W. Ross Dunn Memorial Scholarship be established with the funds.

The Chairman then called the roll of Board of Trustee members for comment. Mr. Baxter noted that the presentations by administrators are good and suggested the practice be continued.

Mr. Kennedy and Mr. Hall suggested Board material be sent out as early as possible and that a brief summary of the material be included.

After a discussion, it was decided to hold the next meeting of the Board of Trustees in Athens, Ohio, on March 16, 1966 at 9:30 A. M.

There being no further business the meeting was adjourned.

Edwin E. Kennedy, Chairman
Board of Trustees

Paul M. O'Brien, Secretary
